Ramadan 2023
Ramadan is considered one of the holiest months of the year for Muslims. Ramadan, the ninth month of the Islamic calendar, is the Holy Month of fasting and this year it will run from March 23 to April 22. Allah laid out the five pillars of Islam as follows: Shahada, Salat, Zakat, Sawm, and Hajj. Sawm (fasting) is the pillar practiced in Ramadan.

A BIG welcome to Maria Glanz in her newest role at the Center.

Maria Glanz joined the Senior Center staff in May 2022 as the Villages Program Manager, and she is delighted to be moving into the role of Executive Director.

“I’ve enjoyed working with many Island organizations since moving here in 2012: writing grants for the Vashon Heritage Museum, leading development and communications with Open Space for Arts & Community, helping publicize Island fundraisers, working at VCA and the Vashon Parks District, and making theatre with UMO, Vashon Repertory Theatre and 14/48.

When I walked into the Senior Center last spring, I was greeted with big smiles and happy hellos. It was the loveliest welcome. Soon I realized that wasn’t unusual: everyone is welcomed with smiles and hellos. I knew I had landed in a special place. The last few months here have brought that home. I’ve seen our Board members and my co-workers lean in and do so much — and I’ve witnessed all our programs continue to grow and thrive.

I’m listening to Music Mends Minds as I write this — what a fantastic, joyful soundtrack. I feel grateful and lucky to work here at the Senior Center, and I hope to be here for a good long time. I’d love to meet you all, so please stop in, say hello, and enjoy our community.” — Maria

March is Women’s History Month
Join us Wednesday, March 8, 1pm, after lunch for a Historic Women’s Talk hosted by Maria Glanz, our new Executive Director. Maria will share stories about Victoria C. Woodhull: Spiritualist, Suffragist, Free Lover, and in her time, the most famous woman in the United States. In 1872, she ran for President. By the time of her death, she’d been nearly erased from history. Until now ... .

Women’s History Month is a dedicated month to reflect on the often-overlooked contributions of women to United States history. The actual celebration of Women’s History Month grew out of a weeklong celebration of women’s contributions to culture, history and society organized by the school district of Sonoma, California, in 1978. Presentations were given at dozens of schools, hundreds of students participated in a “Real Woman” essay contest and a parade was held in downtown Santa Rosa. A few years later, the idea caught on within communities, school districts and organizations across the country.

In 1980, President Jimmy Carter issued the first presidential proclamation declaring the week of March 8 as National Women’s History Week. The U.S. Congress followed suit the next year, passing a resolution establishing a national celebration. Six years later, the National Women’s History Project successfully petitioned Congress to expand the event to the entire month of March. Check our calendar for events.

Join us Friday, March 17, 1pm for the movie, Brooklyn. The life of a young Irish immigrant forever changes when she visits 1950s New York. But when summoned home, she finds herself torn between two worlds.

Vashon Household’s Home Sharing Program

It is no secret the housing crunch is having a negative impact on Vashon. One great thing about Vashon is how the community comes together to help each other. The community has substantial unused or underused housing that could be utilized.

Vashon Household’s Home Share has an extensive matching process. Home Share screens and interviews parties, provides support and clarity in agreements, and helps should there be disagreements. They will even provide mediation should the need arise. Home Share is here to set up situations that benefit everyone and will be there to make sure this happens through the first six months of the rental relationship. There are no income requirements for this program. The situations and criteria are set up and agreed upon by the home provider and the home seeker. Many people choose to get other needs met with this service and set up a partial or full work trade in lieu of rent. More information can be found at VashonHousehold.org/home-share or by contacting Osha Christianson at (206) 463-6454 or Osha@VashonHousehold.org.

Please join VHH at the Center on Friday, March 24, 1pm for a Friday Program talk about home sharing.

NEW ARTIST:
Ray Pfortner: Island Home — 29 Years of Photographing Vashon-Maury Island.
Ray and his wife, Nancy Wing, moved to Vashon in March 1994, emigrants of another smaller far away island, Manhattan. He has been photographing his new home ever since, using his camera to help discover the Island. Revisiting locations over the decades has never disappointed, always leading to new discoveries and new images. His favorite time of day to photograph — an hour before sunrise. Recently he has been exploring nighttime and the fog. His favorite place to photograph — Tramp Harbor.
Come see some of his favorite images, learn about the backstories through captions, his talks and two First Friday openings. Join Ray on March 3, 1pm for our Friday Talk, and then at First Friday 5-8pm.
