Important Message Regarding the AIMS Handbook

At AIMS we work hard to meet the needs of our stakeholders, and we have set rules and policies. The AIMS handbook is not a list of suggestions. The AIMS handbook directs how we will operate as a community, all AIMS stakeholders are expected to follow what is written.

There are many communities and schools in Oakland, AIMS is not for everyone, and we support any employee that makes the personal choice to find a school that does not have the same rules or policies as AIMS. Edjoin.org has a list of educational organizations that are hiring.

SECTION I: HISTORY / BACKGROUND

An Introduction to AIMS

American Indian Model Schools focuses on the four tenets of 1) Family; 2) Accountability; 3) High Expectations; and 4) Free Market Capitalism (Hard work, effort and the freedom to succeed are key to students' success). This handbook serves as a road map for preparing your students to compete and be productive members in a global society.

AIMS Mission Statement

American Indian Model Schools offers a rigorous program designed for academic excellence with the goal of closing the achievement gap while raising the bar. Our ultimate mission is to have all of our students be accepted to a four-year college or university.

AIPCS/AIPCS II Mission Statement

AIPCS & AIPCS II exists to prepare all students, especially those who have been traditionally underserved, to successfully enter AIPHS or another high performing high school.

AIPHS Mission Statement

AIPHS exists to prepare all students, especially those who have been traditionally underserved to enter a four-year college after graduation from high school, and complete at minimum a four-year degree.

Teachers are **expected** to lead their students through the recital of our AIMS Mission Statement every morning.

AIMS Credo

Our Core Values

1. We are a family at AIM Schools
2. When teachers, families and students follow and support the AIMS Model as written children are guaranteed to be prepared for college.
3. We create an extended family with administration, teachers, staff, students, family, and selected community. Students and staff are expected to clean and take care of the school property. Parents and family are expected to be a positive and supportive presence.
4. Teachers spend two years with their students in grades 1-2 and three years with their students in grades 3-5 and grades 6-8, teaching all core academic subjects. This creates an environment of strong academics and family culture.
5. Former AIM school students enrolled in college may be paid to work with our current students.
6. The AIMS community supports and guides all our students by engaging in restorative practices and alternatives to traditional discipline. The AIMS community does not give up on our students.

SECTION II: THE AIMS METHOD

AIMS Facilities Use

Our 12th street campus is open from 7:00 AM-6:00 PM Monday through Thursday and 7:00 AM-5:00 PM on Fridays. Our Lakeview campus is open from 7:00 AM-4:45 PM Monday through Friday.

Teachers shall be present at their respective rooms and shall open them to admit students not less than 30 minutes before the time when school starts (5 CCR 5570). **Request permission** from your designated administrator in order to be present during off-hours.

- While AIMS facilities are primarily for AIMS use, exceptions may be made. To reserve a room or space at any AIMS campus, all teachers, organizational advisors, and/or event sponsors must complete an AIMS Facilities Use Form and receive approval from the site leader.
- All AIMS facilities requests must be submitted at least three weeks before the actual date of the event and are subject to the approval of the site leader.
- It is the responsibility of the event or organization sponsor to monitor, supervise, and clean-up after their event. Failure to do so may result in restrictions from future AIMS facility use.

Classrooms

1. We value cleanliness! Make sure your classrooms are kept neat and in order.
2. Assign students jobs to perform and manage them. Students take pride in contributing to the upkeep of the school.
3. Classrooms should be swept or vacuumed by students at the end of each day, and whenever necessary throughout the day.

ENSURING STUDENT SUCCESS

Initial Teacher / Parent Meetings

All new and returning teachers must schedule a 15-minute meeting with each student's family before September 15th of each year. During the meeting, you should:

1. Introduce yourself to the family.
 - a. Ask for the names of the student's family members.
 - b. Ask the family about their hopes or goals for their child while he or she is in your class.
 - c. Share with them your background (e.g. where you're from, where you went to school, where you've worked, other major life experiences).
 - d. Allow them to ask you questions about yourself.
2. Share your plans and goals for their child.
 - a. Refer to the following: Mission Statement, School Motto, and Credo.
 - b. Inform families about what will occur in your class during the year.
 - c. Answer their questions and concerns (if you don't know the answer, ask your mentor teacher, site administrator or designee but definitely provide a response).

It is critical that all of the AIMS employees strive for excellence in the public service that they provide. Consequently, as an employee of AIMS, you are expected to conduct yourself fairly, honestly, and with the highest integrity. This means treating students, co-workers, parents, and all of your other customers with respect and in a manner that is exactly the way that you want to be treated. Additionally, this means being respectful of AIMS' resources and property.

Recognizing that each of us plays a critical role in student success, striving for excellence is not only a responsibility that all AIMS employees share, but also a personal commitment. All AIMS employees must adhere to the following expectations and guidelines:

- A. When you meet families and visitors in front of the campus or in the hallway, **offer them assistance and provide them with any needed directions or information.**
- B. Ask for help when you cannot speak the same language as a student, family, or visitor.
- C. Please only use the internet and cell phones for school-related purposes during class hours. Teachers should not use technology for personal uses and must be completely present during meetings and instruction.

- D. **Always be prompt** both in reporting for work and in completing assigned tasks. If an emergency makes it necessary for you to be late to work or leave early from work, notify or ask your supervisor for permission as soon as possible.
- E. Establish a good attendance record. **Only be absent from work when it is absolutely necessary** or when you are on a pre-planned and approved time-off. A bonus will be given at the end of the year to teachers with perfect attendance.
- F. **It is the responsibility of the teacher to inform their direct supervisor if they are going to be absent.** Supervisors must be notified as soon as possible.
- G. Courtesy and cooperation are two basic elements of success in your job and every job at AIMS. **Be courteous and cooperative with the public, fellow workers, prospective employees, teachers, students, and parents who are all a part of the organization you serve.**
- H. Maintain open lines of communication. If any instructions given by your supervisor are not clear, **ask respectfully for further explanation to make certain that you understand exactly what is expected of you.**
- I. Try to be as clear and concise as possible when explaining matters to the public and to your fellow employees. Use language that can be understood by everyone and avoid using slang or jargon.
- J. Always try to work carefully. Mistakes can be costly and at times, dangerous. If you make a mistake, be sure to find out exactly what happened and how to avoid making the same mistake again. Notify your supervisor of the mistake.
- K. **Remember to keep all of AIMS' business confidential.** While many things that happen at AIMS are a matter of public record, releasing information about them is the responsibility of specific offices and individuals. Refer any unusual requests for information to the appropriate authority. Media and communications guidelines can be found on the website.
- L. **Dress appropriately for your type of work.** Maintain a well-groomed, clean, neat, and business-like appearance at all times. Remember, you are representing AIMS to students and the public.

This method is the basic foundation to the success of our AIMS family.

Study Hall

Study Hall is an integral component of the AIMS Model, and, when executed properly, is effective in providing quality study time that is essential in preparing our students for academic success. In addition, a properly functioning study hall sets the tone for the school day and models real-life conditions of a college-preparatory environment. Teachers are expected to implement and hold students accountable to AIMS Study Hall Policies.

Morning Study Hall Procedures

- Study Hall must be scheduled and supervised by an appropriate AIMS instructor, staff, or administrator at all times. If you are running late, please coordinate with your study hall rotation team to provide study hall coverage. In addition, please communicate your coverage plans to your site supervisor.
- Study Halls are located in the designated common areas. Please see your Supervisor for locations.
- During study hall, all students must be seated, and are not allowed to talk, play games, or work on any non-school related activities. Students are only allowed to check their homework, study, read, and organize themselves to prepare for the upcoming school day. Students may not opt to “do nothing” during study hall and must have some type of work out in front of them.
- Students may not get out of their seat without permission. Except in cases of emergency, no more than one student per restroom should be admitted at a time.
- Students may eat breakfast or a healthy snack before class, provided that the study hall remains clean. No candy, chips, junk food, or sodas are allowed at any time.
- Ensure that all students clean their designated areas prior to entering the classroom.

Afternoon Study Hall Procedures

- The first hour of afternoon study hall is designated as a “quiet hour,” in which students will do academic related activities.
- Students may not get out of their seat without permission. Except in cases of emergency, no more than one student per restroom should be admitted at a time.
- Ensure that all students clean their designated areas prior to leaving study hall.

On-Campus Tutoring

1. Tutoring is an essential component to academic improvement and AIM Schools’ success.
2. All students with a grade of C- or below in grades 3-12 and demonstrating low-fluency in grades K-2, must receive on-campus tutoring either before, during, and/or after school.

3. These students may also be required to attend Saturday School (grades 3-12) to receive additional help. Saturday School is an opportunity for all teachers to be available for students who need help.
4. Students who have low standardized test scores or score below meeting Standards on state assessments must participate in tutoring.
5. If a parent requests tutoring for their child or a student requests tutoring, the request will be evaluated and the student will be placed in tutoring based on need and availability.
6. Instructional aides and classroom teachers must strategize and communicate to determine if student progress is being made in tutoring.
7. Language-Arts and Math Instructional Aides are on-site Monday – Friday.
8. Students should attend all scheduled tutoring sessions. The administrator, classroom teacher, and Instructional Aides must be informed in writing if a student is absent or did not attend a scheduled tutoring session on the same day.
9. Tutoring rosters will change as needed. Communicate with students, parents, administrators, classroom teachers, and Instructional Aides if changes to the schedule are needed or made. Notice must be given to all parties before changes are finalized.
10. Teachers must provide the Instructional Aides with a copy of their weekly lesson plans.
11. Teachers must provide the students with work to complete during their tutoring session, unless prior arrangements with the tutor were made.
12. Tutoring sessions should not be used for students to complete missed exams or homework.
13. Students must sign in to all tutoring sessions, including meetings with a teacher. Any time a student stays after school (for any reason), he or she must sign in.
14. High school tutors must sign-in with the teacher of the students they are tutoring using the below tutoring log for high school students. Copies are available in the office. The teacher of the students being tutored is responsible for keeping these logs. They may be used for accruing community service hours or invoicing purposes.

i. AIMS Student Success Team (SST)

According to the law, a student should be referred for special educational instruction and services only after the resources of the general education program have been considered and, where appropriate, utilized. (30 EC 56303) AIMS emphasizes the necessity to develop and provide interventions in order to ensure that a student has a successful school experience. The SST is a problem solving and coordinating structure that assists students, families and teachers to seek positive solutions for maximizing student potential. The SST focuses in- depth on one student at a time, and invites the parent and student to participate in finding solutions to areas of concern.

Potential Areas of Concern*

Academic

- *special education consideration*
- *disabilities*
- *retention*
- *attendance*

Social/Emotional

- *moving/social adjustment*
- *teacher relationship*
- *peer relationships*
- *familial challenge**
- *self-injury*

Health

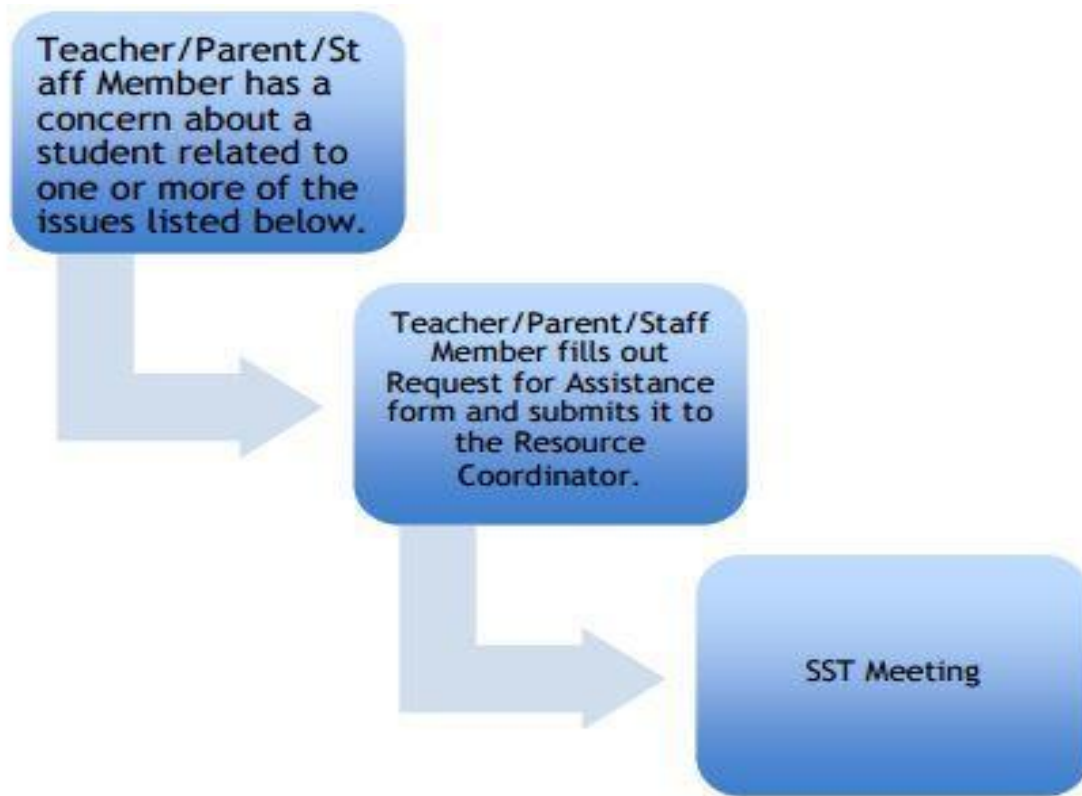

- *medical needs*
- *substance abuse*
- *eating disorders*

Other

- *Any issue that requires a combination of service coordination, collaborative problem-solving, and results monitoring.*

*If the observed indicators of ANY of these areas of concern meet the criteria outlined under California Child Abuse & Neglect Reporting Law, please refer to <http://mandatedreporter.ca.com/> for the appropriate reporting/intervention guidelines.

How to Initiate an SST meeting:

ii. Sample Initial Student Success Team (SST) Agenda

- ✓ Welcome & Expectations (2-3 minutes)
 - *Uninterrupted listening*
 - *Respect for time*
 - *Adhere to topics*
- ✓ Review of Student Strengths (2-3 minutes)
- ✓ Situation Identification & Clarification of Function of Behavior (4-5 minutes)
- ✓ Brainstorm Interventions (6-8 minutes)
- ✓ Evaluate Interventions (6-8 minutes)
- ✓ Select Intervention(s) & Measurements (3-4 minutes)
- ✓ Write Action Plan (4-5 minutes)
- ✓ Summarize & Close (1-2 minutes)

SST participants will be e-mailed a copy of the action plan, as well as an evaluation of the process at the end of this meeting. If you do not receive either, please e-mail erin.oh@aimschools.org and find the evaluation form here: <http://goo.gl/forms/BUf9vYM5FS>.

When a Student Success Team determines that a student has not made sufficient progress given the interventions and support identified and implemented by the SST, the team must conduct a thorough file review and rule out hearing, vision, and/or attendance as qualifying conditions. Only after doing so should the team consider a referral for an assessment under Section 504 or for Special Education eligibility.

SECTION 2: A CULTURE OF ACCOUNTABILITY

Overview

1. At AIMS we analyze and test all students to ability group for mathematics. A student's state and national test results are used to gauge the accuracy of achievement displayed in the classroom.
2. State testing is held one week after staff and students return from Spring Break. There are no field trips until after state testing in grades 3-12. Students who have poor academic and/or behavioral standing may not attend field trips, with additional consideration given and exceptions made for special education students.
3. Progress reports are sent home every three weeks for students with a grade of "C-" or lower. Report cards are distributed every nine weeks for all grades. Administrators must sign off on all student progress reports and report cards before they are sent home.
4. Students are informed of their academic progress and the school's academic progress continuously. Students are expected to set academic goals and work toward them.
5. We demand hard work and high academic expectations from all employees and students.

American Indian Model Schools: Grades K – 12

2017-2018 School Year

The following rules and regulations must be followed at American Indian Model Schools:

Respect Yourself:

1. Students must attend school each day on time. This includes extended year for grades K – 8 and summer intensive programs. This may also include any other program suggested by the school.
2. Students who miss three (3) days of school will be referred to the Student Attendance Review Committee (SARC). Students who miss five (5) days of school will be referred to the Student Attendance Review Board (SARB).
3. Students must make up absences during Saturday School.
4. Students who are tardy five (5) times within an academic quarter will be referred to the Student Attendance Review Committee (SARC). Students who are tardy more

than eight (8) days of school within an academic semester will be referred to the Student Attendance Review Board (SARB).

5. Students who receive two (2) detentions in one week must attend Saturday School.
6. An absence from an assigned Saturday School must be made up by attending two (2) Saturday Schools (or by a combination of one Saturday School and four (4) hours of detention.)
7. Students must complete all homework and classwork given by the teacher and submit the work to the teacher **on time**.
8. Students with excused absences from school (see Attendance Policy) will be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit. The teacher of the class from which a student is absent will determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. **If the work is not completed within a reasonable time, the student will receive no credit.**
9. Students may not use illegal drugs, alcohol, marijuana, or tobacco.
10. Students may not have personal electronic devices (i.e. cell phones, laptops, iPads, music players, etc.) at school without permission. These devices may be confiscated for the remainder of the school day if seen, and if repeat violations occur, will be returned only to the student's parent or guardian.
11. **Students must adhere to the school's dress code.**

Respect Others:

1. Students will not use foul language, or participate in bullying, name-calling, or fighting.
2. Students will use proper communication protocols to be heard and will not interrupt others.
3. Students will follow the directions given by the adults on campus.

Respect the Facility:

1. Students must bring their own lunch to school, or participate in the AIMS lunch program (grades K-8).
2. Students (K-12) cannot leave the school grounds or campus during the school day, except for an excused reason and with a parent/guardian signing them out.
3. In the case of an emergency, families must correspond with their student through the office. Students may not take phone calls on a personal device during the school day.
4. Students may not use bikes, skateboards, scooters, or cars on campus.
5. Students may not loiter on school grounds before or after school.
6. Students may not have food or drinks in the classroom, with the exception of water, or in case of medical necessity.
7. All visitors must check in at the front office and receive a visitor's badge.
8. If a student misses school for an appointment, proof of the appointment may be requested and must be submitted to the office to excuse the absence.
9. Students must follow all pick-up/drop-off safety procedures set forth by the school.

(For High School students (grades 9-12) only:)

10. Any grade lower than a “C” (i.e., a “C-“) is considered a failing grade.
11. Students who receive a grade of “C” or lower in a community college course may be dropped from the class. Those students will receive high school credit, provided they successfully pass the course, but will not receive college credit.
12. Students who receive lower than a “C” in an Advanced Placement (AP) course will be withdrawn from the course and enrolled into the non-AP equivalent option. Students must pass the course with at least a “C”.
13. Students who receive a grade lower than a “C” in core subjects must repeat any failed courses with a passing grade. Students are responsible for making sure that they enroll in, and retake the appropriate courses and should meet with the site administrator or administrative assistant to get approval for the classes.
14. Students must seek acceptance to a four-year college or university prior to graduation. Students who choose not to follow these rules will be subject to the school’s disciplinary policies up to and including suspension and expulsion.

I agree to respect myself, others and the school facility by following these rules.

TEACHER PACING GUIDES AND LESSON PLANS

1. Type your lesson plans, and make multiple copies: one to submit to the site administrator, one to the Instructional Aide (s) and one for personal use. Email your lesson plans to your site administrator and submit a hard copy.
2. Lesson plans must follow the order of the pacing guide and curriculum map.
3. Do not forget to put a copy in each Instructional Aides' inbox. They are working to help your students improve and need lesson plans to prepare.
4. Your lesson plans must be submitted by the end of the day on Friday for approval from your site administrator. This will allow all changes to be made prior to the week the lessons are to be taught.
5. The site administrator will review the plans, write brief comments, and file them in a binder. If not approved, the lesson plans will be returned to your inbox with comments for revisions. You must re-submit your lesson plans on Friday.
6. Please put your lesson plans in this order (from top to bottom): Language Arts, Math, Science, and History (k-8)
7. You must include chapter, section, page, and problem numbers and names.
8. For Language Arts, include subheadings for spelling, vocabulary, grammar, reading, and writing for each day of the week. (See the sample lesson plans in our office.)
9. Your lesson plans must be neatly stapled and hole punched.
10. Please make sure that you are including nightly homework assignments. The assignments should be clearly labeled.
11. Class assignments should include the title of the text or resource that you are using and page numbers. Remember: if a substitute were filling in for you, would they be able to follow your lesson plans?
12. If you know you will be absent please submit a substitute teacher lesson plan to the site administrator before the day(s) you are absent (see sample substitute lesson plan). This may be e-mailed if you are ill or out of town.
13. Please initial your lesson plans once they have been approved.

14. Pacing guides will be given to you, and you must follow them when planning your lessons

STUDENT ASSESSMENT

1. Follow the grading scale. Do not inflate grades.
2. Physical education grades and elective grades count toward the Grade Point Average (GPA).
3. Progress reports are distributed every three weeks. If a student is failing any subject, he or she will receive a progress report. A grade of C- or lower is considered to be failing.
4. The office will provide a template for progress reports and report cards one week before they are due.
5. PE teachers, aides, foreign language, and elective teachers must provide homeroom teachers with feedback on grades by the Thursday before the reports are due. These teachers must write comments for students.
6. Comments on report cards and progress reports are essential. Notification of retention should not only be on the report card. Site administrator and families of students who are at risk of being retained should be informed in writing and in person. Documenting the possible retention in the student's report card shall only be one form of communication. (See Retention Policy.)
7. Comments listed on progress reports and report cards must be numbered. Do not include scores (tests, quizzes, etc.) on progress reports or report cards.
8. Edit your reports and submit them on time (8:00 A.M. on the day they are due). Make sure you check your GPA calculations. If there are multiple mistakes, your designated supervisor will stop reviewing your progress/report cards, and return them to you for corrections.
9. Teachers are responsible for having their PowerSchool gradebook updated by the end of each week.
10. When grades are due, put a copy of each student's report card or progress report in the site administrator's mailbox. Your designated supervisor will read the reports, write comments, and initial each report. No report card or progress report is to go home before review by your designated supervisor

11. Send two copies of the report card home with the student. One copy is for the family to keep and the other is to be signed and returned to you. Keep a third copy in the student's classroom file in case the student loses the copies you sent home.
12. Grades are due for all students twice each semester. List specific names for subjects. For example: "Algebra I" (8th grade) or "Geometry" (9th grade). When the second period grades are due, you will have three columns next to the subject name. The first column will list student's first period grades (this is why you need to have copies of their first period grades on file). The second column will list student's second period grades. The third column will list student's semester grades, which are calculated by averaging the first and second period grades.

STANDARDIZED ASSESSMENTS

1. AIMS embraces student testing, we do not believe tests discriminate. Students who are prepared with core academics will succeed.
2. AIPCS and AIPCS II students take the following exams: Benchmark Assessments, State Testing (2nd-8th grade), California Assessment of Student Performance and Progress (3rd-8th), CELDT (English Language Learners), American Mathematics Competition–AMC (select 6th-8th graders), SAT (select 7th-8th graders), and SCAT (select 6th graders).
3. AIPHS students will take the following exams: California Assessment of Student Performance and Progress (9th-12th), California High School Exit Exam–CAHSEE (10th grade), PSAT (9th-11th grade), SAT (11th-12th grade), ACT (11th-12th grade), SAT II (11th-12th grade), CELDT (English Language Learners), Advanced Placement Exams–AP (9th-12th grade), and American Mathematics Competition–AMC (9th-12th grade).
4. Teachers must analyze their students’ test scores to determine areas of high achievement and areas of improvement. You should have data and goals for each of your students.
5. Teachers will administer standard diagnostic tests throughout the school year. These tests will be provided by the office, which will later collect the data to compare teachers and schools. (See diagnostic schedule).
6. Teachers must finish instruction in the core subjects textbooks no later than Spring Break. Students will begin working on the curriculum for the next grade level after state testing has been completed.

STATE TESTING STRATEGIES

The following State testing strategies have been collected from AIMS teachers for the staff’s collective benefit:

1. After reviewing the practice tests, give students shorter quizzes each week for reinforcement.
2. The first time through the test, have your students fill in the bubbles very lightly to make erasing easier.
3. Then students can check over each question and either change their answers or fill in the bubbles completely.
4. As you walk around the classroom, keep track of when each student finishes their test the first time and made them check their work for at least thirty minutes.

5. When students finish checking their answer sheet, double-checked it to ensure that their name is on it, as well as that all bubbles are correctly filled in.
6. After reviewing the test-taking strategies thoroughly, move on and focus on reviewing the standards and concepts.
7. Before the students took the test, emphasize that this is their opportunity to show off what they have learned all year. Reiterated the importance of trying their best and proving how hard they have worked this year to prepare.
8. Cross out answers that are obviously incorrect to narrow down choices.
9. Throughout the year, use the State practice questions from last year in your lessons.
10. To improve reading comprehension, ask students to read the first and last sentence of each paragraph before reading the entire essay.
11. Teach students common Latin and Greek prefixes and suffixes to improve their ability to understand words they are unfamiliar with.
12. Remember “PEMDAS” for math (parentheses, exponents, multiplication, distribution, addition, and subtraction).
13. Repetition is important for comprehension.
14. Stress reading comprehension by having students read passages and summarize them.
15. Bring out student’s competitive sides by reviewing released State questions and making answers worth points.
16. Start test prep early in the school year, allowing for plenty of time.
17. Read and complete released test questions together.
18. Assess your students on a regular basis to see whether they are mastering standards.

BENCHMARK TESTING

Teachers should include the benchmark exams in their lesson plans. When a class finishes a chapter grouping according to the benchmark exam cycle, teachers should administer the test. For example, when a 6th grade class finishes chapter 3 of ELA, the teacher should administer the 6th grade Ch. 1-3 ELA benchmark exam. Benchmark test 2 for 6th grade ELA will be administered when this class finishes chapter 6. When you’re ready for your class to test, please see administration for a single copy of the exam and answer key.

A mock state exam is also given each year for each grade level. This is administered three to four weeks before the actual state test. Results help inform teachers' instructional decisions during the weeks prior to state testing.

SPECIAL EDUCATION

Child Find Mandate

The Individuals with Disabilities Education Act ("IDEA") includes the "Child Find" mandate, which requires AIMS to identify, locate, and evaluate all children with disabilities enrolled in its schools. If AIMS has knowledge that a student has a disability, or is suspected of having a disability and may need special education and related services, AIMS must offer to assess the student. Indicators for when a student is suspected of having a disability, and AIMS should thus offer an initial assessment include, but are not limited to the following:

1. Parent(s) expressed concerns in writing to AIMS administration or to one of student's teachers that student may be need of special education and related services;
2. Parent or school staff has requested an initial evaluation of the student;
3. Student's teacher, or other AIMS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the student, directly to the directly to AIMS supervisory personnel.

A student should be referred for special educational instruction and services only after the resources of the general education program have been considered and, where appropriate, utilized. (See Tutoring and AIMS Student Success Team (SST) policies)

Special Education Assessments

A student may be referred for special education services at any time by AIMS staff, parents, or other service provider. Before a student can be assessed for eligibility for special education, or reassessed while receiving special education and related services, AIMS must develop an Assessment Plan and provide it to the parents for their approval within 15 calendar days from the date of receipt of a written request for a special education assessment. Assessments must be administered in all areas related to the suspected disability by trained and knowledgeable personnel using sound instruments. For school- age children, the eligibility assessment must be completed within 60 days of AIMS' receipt of written parental consent for specified assessment activities and an Assessment Report provided to parents outlining required information. Under certain conditions, a parent may have the right to obtain an independent educational evaluation (IEE) at public expense. Please note that a student may demonstrate a disability, but may not necessarily be eligible for special education and related services. A student's IEP team will

determine eligibility based on the requirement that the student's disability negatively or adversely affects his/her educational performance.

Individualized Education Plan (IEP)

An Individualized Education Program (IEP) is a written statement that AIMS must develop for each student who receives special education and related services. The educational program must be designed to meet the child's individual specific needs. Every child who receives special education services must have an IEP. The purpose of an IEP is to outline a plan for meeting a student's specific disability related needs that sets reasonable learning goals for the child and states the services that the school will provide for the child. The IEP is developed jointly by the school, the parents, and the student, when appropriate.

Each child's IEP must contain specific information, as listed within IDEA, which includes nine essential elements:

1. **Present Levels of Performance:** A statement of the student's present levels of performance including how the disability affects the student's involvement and progress in the general curriculum.
2. **Measurable Annual Goals:** Measurable annual goals, including academic and functional goals, related to the student's needs, resulting from the student's disability, that will enable the student to be involved in and progress in the general education curriculum and that meet each of the student's other educational needs that result from the student's disability.
3. **Progress:** A description of how the student's progress toward meeting the annual goals described above will be measured and when periodic reports on the progress the student is making toward meeting the annual goals (such as through the use of quarterly or other periodic reports) will be provided.
4. **Special Education and Related Services:** A statement of the special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student, or on behalf of the student, and a statement of the program modifications or supports for school personnel that will be provided to enable the student to advance appropriately.
5. **Participation in General Education:** An explanation of the extent, if any, to which the student will not participate with general education students in the general education classroom and in extracurricular and nonacademic activities.
6. **State Testing:** A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the student on State and district assessments. If the IEP team determines that the student shall take an alternate assessment on a particular State or district assessment of student achievement, the IEP must include a statement of why the student cannot participate in the regular

assessment and why the particular alternate assessment selected is appropriate for the student.

7. **Timing of Services and Modifications:** The projected date for the beginning of the services and modifications identified in the IEP, along with the anticipated frequency, location, and duration of the services and modifications.
8. **Transition and Post- Secondary Goals:** Beginning no later than the first IEP to be in effect when the student is 16, and updated annually thereafter, appropriate measurable postsecondary goals based upon age appropriate transition assessments related to training, education employment, and where appropriate, independent living skills and the transition services (including courses of study) needed to assist the student in reaching those goals.
9. **Age of Majority:** Beginning at least one year before the student reaches the age of 18, a statement that the student has been informed of the IDEA rights that will transfer to him or her upon turning 18.

Who develops the IEP?

The IEP is developed by a team of individuals that include the parent(s), an administrator, general education teacher, special education teacher, an expert who can interpret evaluation results, and the student, if appropriate. The team meets, reviews the assessment information available about the child, and designs an educational program to address the child's educational needs that result from his or her disability.

When is the IEP developed and the IEP meeting held?

Assuming eligibility is found, an IEP must be developed by the IEP team and implemented for each student, within 60 days of obtaining written parental consent of the Assessment Plan. For students already eligible for special education services, the IEP must also be reviewed at least annually thereafter to determine whether the annual goals are being achieved and must be revised as appropriate. An IEP meeting must be held within 30 days of receipt of any written request from a parent.

504 Plans

Section 504 of the Rehabilitation Act of 1973 protects disabled individuals against discrimination. It does so by mandating that no qualified individual with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity of any entity that is a recipient of Federal financial assistance (34 CFR § 104.4(a)). AIMS must establish and maintain services and accommodations for students with physical or mental impairments that substantially limit one or more major life activity in order to ensure that these students have equal access to education.

Section 504 accommodations and/or related services must be delineated in a Section 504 Plan formulated by the student's teachers, parents, members of the SST team, and a school administrator.

Examples of 504 Plan accommodations and/or services that AIMS must provide to students include:

- Assistance with PE equipment for a student with mild cerebral palsy
- Extra time on tests for a student with Attention Deficit Hyperactivity Disorder (ADHD)
- Nursing services for a student with Type I Diabetes
- Use of an amplification system for a student with a hearing loss

A teacher, parent, guardian, or administrator can request a 504 Plan for a student. If a parent requests that their child be accommodated through a 504 Plan, you must follow through with a 504 Team meeting as soon as possible, even if you do not think the student needs a 504 Plan.

In order to have a 504 Plan, a student must meet all three of these requirements:

1. The student must have a physical or mental impairment that gets in the way of learning or participating in school programs or activities. The "physical or mental impairment" can be any physical or mental condition or problem. It can be something that lasts for a long time, for a short time, or it might come and go. Examples of impairments include: cancer, chronic asthma, diabetes, seizures, ADHD.
2. The student's impairment must affect at least one major life activity. Major life activities include such things as seeing, hearing, eating, sleeping, breathing, speaking, walking, thinking, learning, and working. Major life activities also include the operation of major bodily functions such as normal cell growth, the immune system, bowels, bladder, neurological, and circulatory functions.
3. The impairment must substantially limit a major life activity. The determination of whether an impairment substantially limits a major life activity requires an individualized assessment. An impairment does not have to prevent or significantly limit a major life activity to be considered "substantially limiting." For instance, if a student has a visual impairment that can be fully corrected by the use of ordinary eyeglasses or contact lenses, it will not be considered.

In general, a 504 plan should include the following elements, all tailored to the child's individual needs:

- Specific accommodations, supports or services
- Names of the school professional that will provide each service
- The name of the person responsible for ensuring the 504 plan is implemented

Differences between a 504 Plan and an IEP

504 Plan	IEP
<p>The 504 plan offers <u>all</u> children with disabilities equal access to an education. Section 504 defines “disability” in very broad terms. That’s why children who aren’t eligible for an IEP may qualify for a 504 plan.</p>	<ul style="list-style-type: none"> • The IEP is only for children who qualify for special education services. • The individualized program must meet each child’s unique needs. • It must provide educational benefit.
<p>The 504 is documented in a written plan.</p>	<p>The IEP documents contain very specific language and parts such as goals and objectives that are not included in the 504.</p>
<p>Specific timelines for the 504 do not exist.</p>	<p>Timelines for an IEP are very specific and important.</p>
<p>There are no requirements stating who must attend the 504 plan meeting.</p>	<p>There are a minimum number of IEP participants required, and they are defined by law as the parent, an administrator, general education teacher, special education teacher, expert who can interpret evaluation results, and the student if appropriate.</p>
<p>Reports of noncompliance and the request for a hearing are made to the Office for Civil Rights.</p>	<p>Reports of noncompliance and the request for due process are made to the State’s Department of Education, Office of Administrative Hearings.</p>
<p>The 504 does not offer as many specific procedural safeguards as the IEP.</p>	<p>IEP specific procedural safeguards include, but are not limited to:</p> <ul style="list-style-type: none"> • the right to request an independent assessment at public expense • the student may “stay put” until a dispute is resolved

For additional information about IEPs and 504 Plans, please see speak with a school administrator, psychologist, counselor, or reference the Special Education binder in the office.

Teachers must check with the office by the first week of school to determine which of their students have IEP or 504 Plans, and to review those documents. If one of your students is new to

AIMS, you must make sure his/her records from the previous school are requested and obtained in a timely manner. If you have not received your student's file within ten days, follow up.

All teachers must read through the Special Education binder and speak with their administrator and special education teacher about students with any special needs in their class.

STUDENT ATTENDANCE POLICY

Consistent school attendance is critical to our school's success. Being present for classroom instructional time is essential for students to reach their goals and achieve their dreams. Chronic absenteeism has been linked to an increased likelihood of poor academic performance, disengagement from school, and behavior problems. It is the intent of the Board to ensure that students attend school every day on time. All members of AIMS should take pride in the schools' attendance records. Our attendance rates for students and staff far surpass the District and state averages. Because others may question the integrity of our attendance data, it is vital that we ensure the legitimacy of our attendance records. This attendance policy outlines AIMS procedures for making certain that accurate and complete attendance records are kept.

Excused and Unexcused Absences

Absences are "excused" when they are due to:

- Illness or medical, dental, optometric, or chiropractic appointment
- Family emergency
- Legal matter
- Religious holiday or ceremony
- Funeral services of an immediate family member (one day if the service is in California and not more than three days if the service is outside California).
- Work assignment for student who holds an entertainment work permit or who participates with a not-for-profit arts organization in a performance for a public school audience.
 - The law limits the number of excused absences for a child holding an entertainment work permit to five absences per school year, each of which may consist of up to five days. CA. Ed. Code 48225.5.

All other absences are "unexcused" absences, even if the parent calls in to excuse it. Absences unverified after 3 school days will be recorded as unexcused.

Absences due to an illness exceeding 3 consecutive days require a note from a doctor or nurse excusing the absence AND specifying the amount of time excused. If no note is received, the absence is considered an unexcused absence.

Note: A student with an excused absence from school will be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit. The teacher of the class from which a student is absent will determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. If the work is not completed within a reasonable time, the student will receive no credit.

Tardies

When a student is tardy three (3) times within one month, the teacher will contact the parent/guardian to discuss the problem and try to resolve it. If the problem persists, the parent/guardian will receive a letter from the school outlining the dates the student was tardy, the problems associated with tardiness, and a request to remedy the problem. If the problem continues to persist, the parent/guardian will be asked to attend a meeting with an administrator to determine what steps might be necessary to resolve the problem. If tardiness continues after meeting with an administrator, the parent/guardian may be referred to a Student Success Team meeting for resolution.

Truancy

Students shall be classified as truant if absent from school three (3) full days in one school year, without a valid excuse. Such students shall be reported to your supervisor.

Each of the first two (2) unexcused absences will result in a call home to the parent/guardian by the Office.

Upon reaching three (3) unexcused absences parent/guardian will receive the first “Truancy Notification” letter from the School and be referred to the Student Attendance Review Committee (SARC). This letter must be signed by the parent/guardian and returned to the school.

Upon reaching four (4) unexcused absences, the parent/guardian will receive a second Truancy Notification letter and will be required to attend a meeting with their supervisor and classroom teacher to consider a plan for correcting the problem.

Upon reaching five (5) or more unexcused absences, the parent/guardian will receive a third Truancy Notification letter and will be required to meet with the Student Attendance Review Board (SARB). The SARB may include an administrator, Board member, classroom teacher, and support staff such as psychologist and or counselor. It is the School’s intent to identify and remove all barriers to the student’s success and will explore every possible option to address student attendance issues with the family. The SARB will discuss the absence problem with the parent/guardian to work on solutions, develop strategies, discuss appropriate support services for the student and his/her family, and establish a plan to resolve the attendance issue.

Attendance Reports

If a student attends school on a given school day with the intention of participating in regularly scheduled instruction, he or she is considered present and should be marked “in attendance,” regardless of the length of time the student attends school on that day. If a student is absent from school for the entire day, he or she must be marked as absent on attendance reports. Students must appear in their classroom(s) to be counted present.

If a student is absent from school for the entire day and comes for the sole purpose of collecting homework and/or dropping off completed homework, but with no intention of participating in regularly scheduled instruction, he or she should be marked absent. If you are unsure of how to appropriately complete the attendance sheet, please see your Head of School for assistance.

Attendance and Saturday School

Any student who misses a full day or a substantial amount of instructional minutes in any given day (and for any reason) must attend Saturday school. The definition of “substantial amount” will be interpreted by your supervisor on a case-by-case basis but will include any student who misses more than two hours of school.

Students who have behavioral challenges or who have a C- or below will also be required to attend Saturday school.

Attendance Procedure

1. Attendance is the most important aspect of success at AIMS.
2. You should record attendance (including the number of consecutive days of perfect attendance) in four places every day:
 - a. Bulletin board display
 - b. Classroom board
 - c. Grade book
 - d. Monthly attendance grid
3. Notify the office about all student absences within 15 minutes of the start of the school day. Make sure to update the office if a student initially reported absent shows up tardy.
4. Prepare homework for students who are absent so they can pick it up from the office to limit interruptions in your classroom.
5. Emphasize the importance of attendance to your students; tell them to come to school to get their homework even when they feel ill.
6. If the students cannot get to school due to transportation issues, they should let the school know so we can try to provide a solution.
7. Assign Saturday school to all students who are absent.

8. Report class list/attendance grid discrepancies immediately.

TRUANCY LETTER TO PARENTS

Date:

Dear Parent/Guardian:

Our records indicate that your child, [insert child's name], was absent for more than 30 minutes on [insert dates of unexcused absences] without valid excuse. Therefore, **your child is considered truant** according to the California Education Code.

Education Code Section 48260—Any pupil subject to compulsory full-time education who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.

Upon a pupil's initial classification as a truant, AIM Schools are required to notify you, the pupil's parent/guardian, of the following: (EC §48260.5)

1. That the pupil is truant.
2. That the parent/guardian is obligated to compel the attendance of the pupil at school.
3. That parents/guardians who fail to meet this obligation may be guilty of an infraction and subject to prosecution pursuant to California Education Code.
4. Alternative educational programs are available in the district of residence.
5. You have the right to meet with appropriate school personnel to discuss solutions to the pupil's truancy.
6. The pupil may be subject to prosecution under Education Code Section 48264.
7. The pupil may be subject to suspension, restriction, or delay of his/her driving privilege pursuant to Vehicle Code Section 13202.7.
8. Parents or guardians of students who are misbehaving may be required to spend a day on in the classroom with that student.

You have 10 days to respond to this notice in writing, by phone, or in-person. Please contact the school at [insert school phone number] to schedule a meeting with the site administrator, and [insert student's name]'s teacher to discuss the solutions to [insert student's name]'s truancy. Failure to respond within 10 days will result in immediate referral to the Student Attendance Review Board (SARB).

STUDENT SAFETY AND LIABILITY

1. Safety is one of our first concerns. Students must NEVER be left unsupervised. This includes times when teachers have students in their classroom and need to make copies, use the restroom, check their mailbox, use cell phones/telephones, check their e-mails, etc. or lunchtime.
2. Staff members must monitor students during pick-up and drop-off.
3. Injuries during the school day must be reported, and an Accident Report Form must be obtained from the office and completed. A copy of the report must be placed in the student's file, administrator's mailbox, administrative assistant's mailbox, and teacher's mailbox.
4. Students should not be asked to move furniture or any other heavy object.
5. Teachers must not use their cell phones inside their classrooms when students are present, walking through the hallways, escorting students, or during lunch. In case of an emergency, families and friends should call the office and the administrative assistant will forward the message to you without disrupting instructional time.
6. Teachers must ESCORT THEIR OWN CLASS to lunch and physical education.
7. Teachers should not go through students' personal items without prior administrative approval and a witness observing.
8. Teachers should not dispose of any student's lunch without office approval.
9. Teachers must not put their hands on any students in an inappropriate manner.
10. Teachers should not be in a classroom with a student alone when the doors are shut at any time.
11. Teacher should not share inappropriate personal stories with students.
12. Teachers should remain calm and remember not to lose control under any circumstances that may arise.
13. Teachers should not "friend" or interact with any students on Facebook, Instagram, SnapChat, or any other social network site.
14. Teachers should use caution and professional judgment when interacting with students outside of school.

15. Be alert and cautious at all times when escorting students off campus (including field trips, outings to the park, and when running the students around the block during PE).
16. Memos and letters to parents or family members must be approved by the Head of Schools or designee before being distributed. Let the office know ahead of time about any disciplinary or concerning phone calls you plan to make to parents.
17. If you schedule a meeting with parents or students after school hours or off campus, please let your division's administrative assistant know.
18. Keep the building secure. Keep all exterior doors closed. Lock windows and doors, and turn off the lights when leaving.

STUDENTS LEAVING CAMPUS

1. Students who are legitimately sick may call home to be picked up. Any student with a fever (temperature of 100 degrees or higher) should go home. A student complaining only of mild discomfort should be encouraged to stay for language arts and math. Oftentimes, students will feel better after they use the restroom or eat lunch.
2. Students who need to leave school for a medical, dental, optometric, or chiropractic appointment must have a parent letter and must give it to the teacher no later than the morning of the appointment. Students must have a note from the doctor upon return from the appointment.
3. Any other reason for leaving the campus must be presented to the office by the parent, either in person or in writing.
4. Students may only leave campus accompanied by a parent/guardian.

2. Send a written report of the incident to the same agency within 36 hours. Although the Penal Code obligation to report applies to the aforementioned employees only, it is the policy of AIMS that all employees shall comply with the law's reporting procedure whenever they have knowledge of or observe a child in the course of their employment whom they know or reasonably suspect to have been the victim of child abuse.

Additionally, teachers and counselors are legally bound to inform a parent and/or authority in the following instances: (1) when a student indicates he or she is going to physically harm himself or herself or jeopardize his or her life; (2) when a student indicates he or she is going to physically harm another person or jeopardize another person's life or has knowledge that another person's well-being is threatened; (3) when a student indicates he or she is being physically and/or emotionally abused; (4) when a student indicates he or she has committed a felony.

STAFF ATTENDANCE POLICY

The contribution of each AIMS employee is critical and the efforts of each and every one are needed to help AIMS to reach its goals. Unnecessary absenteeism results in reduced productivity, loss of service, and significant costs to AIMS. It is AIMS' responsibility to ensure that employees clearly understand the expectations for performing their job duties and how their attendance impacts their performance, and that they are given a fair opportunity to succeed. Specifically:

- Employees are expected to work the number of hours they are assigned.
- Employees are expected to be at work on time.
- Employees are expected to comply with state law and AIMS' rules regarding reporting of absences and providing appropriate documentation.
- Supervisors are expected to provide feedback, monitor attendance, and maintain attendance records.

Illness leave benefits are provided to ease the financial burden on employees who are required to be absent from duty due to legitimate illness, injury, or personal necessity. Employees who use illness and personal necessity leave for unauthorized reasons are in violation of policy. Failure to comply with this policy can result in appropriate disciplinary action, up to and including termination. This policy ensures that our fellow employees do not unfairly bear the burden of the workload of those who inappropriately use illness or personal necessity leave.

NOTIFICATION OF STAFF ABSENCES

An absent employee must report his/her absence to their Head of School or designee as far in advance as possible before the start of the employee's workday or as soon as practical given the nature of the absence. It is not sufficient for an employee to notify a co-worker, secretary, or receptionist, unless the supervisor as the appropriate contact has designated such person for this purpose. You should also call your supervisor by noon of the day before you expect to return to work so that your substitute, if any, can be released. If both you and your substitute report for work on the same day, the substitute will have to be retained and you may not be permitted to work that day. When an employee is absent for medical reasons for more than three (3) working days, the employee must, upon return, provide the Head of School or designee with a physician's statement certifying the medical basis for the absence and stating that the employee is able to return to work.

It is extremely important that you notify your supervisor as soon as possible of any anticipated long-term absences so that, if necessary, alternate arrangements can be made. You can obtain a Certification/Request of Absence from your time reporter.

In Case You Are Absent

In the rare case that you are absent, please ensure the following:

1. If you know you will be absent well ahead of time, tell your supervisor. The site administrator will make the necessary arrangements. (See the Employee Policy for acceptable absences.)
2. If you become ill or some other emergency comes up, please notify an administrator as soon as possible (even if it is late at night) via e-mail AND cell phone. Please contact each administrator at your campus until you finally reach one and get a confirmation that you will be covered.
3. If you are running late, please contact the administration as soon as possible. This means speaking with an administrator, not just leaving a message on the school's voicemail.
4. Please provide the office with a substitute teacher lesson plan.
5. Ultimately, you are responsible for your students, so please be very thorough with your lesson plans and be sure to contact administration.

SECTION 3: A CULTURE OF HIGH EXPECTATIONS

THE BASICS

1. At AIMS we maximize learning in the classroom. This is accomplished through a no-nonsense approach to education that allows teachers to focus their energy on their job-teaching.
2. Teachers at AIMS provide students in grades 5-12 with a minimum of 90 instructional minutes in language arts and 90 instructional minutes in mathematics each day.
3. To capitalize on our institutional knowledge, we implement professional development in which administrators and teachers train their colleagues and students train incoming students on the culture and expectations of AIMS.
4. At AIMS we set forth a rigorous academic program aligned with standards-based textbooks and a uniform grading scale that all administrators and teachers must follow.
5. After-school detention and Saturday School serve as consequences for students who violate AIMS' rules.
6. We follow an extended school year with 194 instructional school days. Summer programs include: AIMS Extended School, Johns Hopkins Center for Talented Youth (CTY), and University of California at Berkeley's Academic Talent Development Program (ATDP).
7. Teachers finish instruction in core academic curriculum textbooks before spring break each year. After state testing and AP testing, teachers work with their students on the next grade level's core curriculum of mathematics and language arts.
8. Employees must attend all professional development and staff meetings during the year. Absences must be arranged ahead of time with your supervisor. In the event of an absence from a staff meeting, it is the employee's responsibility to obtain the information from the meeting.
9. Teachers are required to participate in all AIMS activities, which may be held within or outside school hours including: school sponsored functions, open house, field trips, and other such events as directed by the Head of School or designee.
10. Employees are required to adhere to the requirements for employment described in the Charter, this Staff Handbook, and applicable employment contract, and any applicable state and federal laws.

CLASSROOM JOBS

Save time and strategically promote classroom efficiency through use of classroom jobs for students and/or volunteers. Below are sample classroom jobs with brief descriptions. Have the duties displayed in your classroom or prepare a handout for adult volunteers.

1. Homework organizer for absent students: A volunteer or present student collects handouts for the absent student, notes everything that is covered during the day and makes an extra copy of that night's homework assignment list. S/he submits the assignment to the teacher at the end of the day for the teacher to modify (if needed) and submit to administration.
2. Classroom Cleaners: Students/volunteers clean white boards, sweep, dust, organize, etc.
3. Stapler/Packet Organizers: Students/volunteers staple handouts. Be cautious of having your own students stapling a future test. Some teachers avoid this by using students from a different grade level in detention.
4. Student tutors: Academically unprepared students are paired with academically prepared students for tutoring.
5. Graders: Students/volunteers grade non-subjective student work, such as multiple choice assessments.
6. Lunch Duty: Students/volunteers are assigned to clean tables after lunch.
7. Filers: Volunteers only may collect and file memos, doctor's notes, and/or detentions.
8. Boards: Students/volunteers clean boards and displays every day.
9. Countdowns: Students keep track of the classroom countdowns.
10. Handouts: Students/volunteers pass out homework and other documents to the class.
11. Office Runner: Students/volunteers run notes to and from the office, including attendance in the morning.

INSTRUCTIONAL PRACTICES

1. Notify your supervisor as soon as possible when you anticipate needing a substitute. Call him/her in person. Do not rely on email.
2. By 8:00 a.m. and students are expected to be in their seats at that time. The dismissal bell rings at 4:30 p.m.
3. Teachers are expected to be at school thirty (30) minutes before school starts. All full-time teachers have approximately a nine-hour work day Monday-Thursday (including a 30-min. unpaid lunch), and a six hour work day on Friday, unless additional professional

development is scheduled or you have made arrangements with your supervisor to leave early.

4. Start class on time. Students should learn to be ready to start class at the scheduled time. Encourage students to anticipate daily directions; when class starts, homework should be out on their desks, and students should be silent without teacher directive. A self-sufficient student with minimal teacher direction is the ultimate goal.
5. Encourage students to use the restroom before and after class, before and after PE, and during lunch.
6. Over-planning instruction is always better than not planning enough.
7. Teach students good note-taking skills and study habits. Take time to answer relevant student questions.
8. Stay on task. Avoid letting unrelated class questions eat up valuable instructional minutes.
9. When visitors enter your classroom, continue teaching, and your students should continue working. Students should not turn around every time the door opens.
10. When a student is misbehaving and you want to remove him or her from your classroom for a brief period of time, please initially send the child to a different classroom-not to the office. Please consult your supervisor of School regarding site specific disciplinary procedures and office referrals.
11. Do not assume students understand content. Monitor understanding by using a variety of checks for understanding, such as calling on students for answers, having students hold up whiteboards with responses, using exit tickets, etc.
12. A variety of instructional methods are encouraged; however, plan for a limited amount of group work in class. Individual work is emphasized at AIMS.

STUDENT FILES

1. Teachers must maintain their own student files in the classrooms that include:
 - a. Detention slips and any other discipline related document
 - b. Progress reports and report cards
 - c. Any other document related to the student for the school year
2. Cumulative files are kept in the office and should consist of residence and family information, immunization and health data, all courses taken, standardized test scores, Progress Reports, Report Cards, suspension records, court orders, parent prohibition of children from certain programs, referrals to counselor, commendations, and attendance records.

3. Special education records are kept in a separate file and include the student's IEPs, meeting invitations, prior written notice letters, medical records, and assessment reports.
4. Doctor's and parent's notes go to the office.

HOMEWORK POLICY

1. Teachers should assign homework on a daily basis. The following is the average amount of time that students should spend for daily homework completion at each grade level:
 - a. 30 minutes for K – 2nd
 - b. 45 minutes for 3rd
 - c. 1 hour for 4th and 5th
 - d. 1 hour and 15 minutes for 6th
 - e. 1 hour and 30 minutes for 7th
 - f. 1 hour and 45 minutes for 8th
 - g. 2 hours for 9th
 - h. 2 hours and 30 minutes for 10th, 11th, and 12th grades.
2. Students need to be held accountable for completing daily assignments, and assessment is necessary to measure student progress.
3. Instructional time should not be used to have students call out numbers for teachers to record in grade books.
4. Students in grades K-6 should not take home more than two large textbooks a night. Plan your homework accordingly.
5. Survey your students periodically to determine how much time they are spending on their homework. Make adjustments as needed.
6. Always fall back on the AIMS Model and common sense when making classroom decisions about homework.
7. Homework shall not be done during the regular class day.

STUDENT BEHAVIOR MANAGEMENT

Acceptable Forms of Behavior Management

1. Warning
2. Behavior Contract
3. Parent Conference
4. Counseling
5. Loss of privileges (extracurricular activities, etc.)
6. Sending a student to another classroom for a limited period of time.
7. Additional required hours at school: detention or Saturday School.
8. Additional school work: extra homework, writing lines or copying materials, additional study/review.
9. Community Service: Clean, organize; take out trash, sweep, etc. AIMS will provide gloves and necessary cleaning supplies as appropriate.
10. Communication tools: Students write letters of apology or to their families to discuss poor behavior/performance.
11. Confiscation of prohibited items
12. Suspension or Expulsion in extreme cases and with leadership approval
13. Any other form of discipline must be approved by the Head of Schools or designee.

CONFISCATED ITEMS

1. Obtain a Confiscated Items Form from the office and fill it out (signed by you and the student). Give the form and item to an administrator.
2. The administrator will also sign the form and file it in a binder.
3. The item will be placed in a bag with the student's name inside the bag. The bag will be placed in a locked box.
4. Items will be returned to students at the end of the week, or in the case of repeated violations or dangerous items, the student's parent will be required to come to school to pick up the item. Illegal items may be turned over to law enforcement.

Confiscated Items Form

Student's name: _____ Grade: _____

Student's teacher: _____

Name of faculty or staff who confiscated the item: _____

Date confiscated: _____

Item confiscated: _____

Faculty or staff signature: _____ Date: _____

Student signature: _____ Date: _____

Administrator signature: _____ Date: _____

*Place a copy of this form in the Ziploc bag with the confiscated item.

DETENTION

1. Detention is held for one hour after school Monday through Friday.
2. Obtain a Detention Slip from the detention binder in the office. Fill in the student's first and last name, check the reason for the detention (if necessary, include notes and details), and schedule the detention for the next available day. The student must have the slip signed and return it to you. A student should receive an additional detention if s/he does not return the signed detention slip the next day.
3. Students must report on time to the area where detention is being held. Any student who reports late will attend for the remainder of the detention that day and also serve an additional detention.
4. Students must sit quietly and remain quiet for the duration of the detention period. They are not permitted to talk and must complete work. If students talk or misbehave, they should be assigned another detention.
5. Obtain a sign-in sheet from the office. Make sure students complete the form neatly and accurately (first and last name, grade level, etc.). Make one copy of the sign-in sheet for your records, and place the original in the detention binder located in the office. Do not remove the binder from the office. Do not misplace the sign-in sheets or the binder. (Alternatively, a standard electronic sign-in form is also acceptable.)
6. Teachers alternate detention duty. (Please see the Progress Report, Report Card, and Detention Duty schedule.)
7. During detention duty, teachers must be in the room and monitoring the students. You may do your own work at that time. Teachers are not to make copies, surf the internet, use their cell phones, or perform other tasks when they have detention duty.
8. Keep track of your students' detention dates. For example, if a student receives two detentions on Monday, they would serve detention on both Tuesday and Wednesday. If they receive another detention on Tuesday, they would serve it on Thursday. Tracking detentions can get confusing, so make sure you have an effective record-keeping system. Set aside a section of your calendar or grade book or use a student grid to track detentions. Do not give a student more than two detentions a day.
9. Students must attend detention on the assigned date. Do not accept excuses or schedule detentions at a student's convenience. That defeats the purpose of detention.
10. Teachers can have students serve morning detention, but must be present with the student(s).

SATURDAY SCHOOL

1. Saturday School is issued in the following circumstances:
 - a. Two detentions in one week= Restorative Justice Saturday School
 - b. Absence= Academic Saturday School
 - c. Absence from Saturday School=Two Saturday Schools (or a combination of one Saturday School and four [60 Minute] Detentions.)
2. Saturday School is held twice a month from 8:00 a.m. to 12:00 p.m.
3. Saturday School is run by administrators, but teachers are encouraged to attend to help their own students.
4. Teachers may hold their own Academic Saturday School with supervisor approval.
5. Teachers must submit to the office a list of students attending Saturday school along with packet of 4 hours of work for attending students by the Friday before Saturday School.
6. Packets should be student-specific, organized, have clear directions, and keep students occupied from 8:00 a.m. to 12:00 p.m.
7. Students may only work on homework after they have completed their assigned Saturday School work.
8. Teachers will receive a memo to distribute to students on the Wednesday before Saturday School.

SUSPENSION & EXPULSION POLICY

All schools within the AIMS family (AIPCS, AIPCS II, and AIPHS) adhere to the following procedures with regard to student suspension and expulsion. Though the AIMS administration is permitted a certain level of discretion in determining the appropriate disciplinary actions on a case-by-case basis, all schools operate within certain parameters. Those parameters are outlined in this policy and are aligned with Section 48900 and 48915 of the California Education Code.

A pupil may be suspended or expelled for acts that are enumerated herein and related to a school activity or school attendance that occur at any time, including, but not limited to, any of the following:

1. While on school grounds.
2. While going to or coming from school.
3. During the lunch period whether on or off the campus.
4. During, or while going to or coming from, a school-sponsored activity.

Suspension/Discretionary Expulsion Conduct

- (N) Sexual Assault/Battery: Committed or attempted to commit a sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code.

For purposes of this subdivision, “hazing” does not include athletic events or school-sanctioned events.
- (R) Bullying/Electronic: Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined herein, directed specifically toward a pupil or school personnel.
 - 1) “Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils directed toward one or more pupils or school personnel that has or can be reasonably predicted to have the effect of one or more of the following:

- a. Placing a reasonable pupil or school personnel in fear of harm to that pupil's or school personnel's person or property.
 - b. Causing a reasonable pupil or school personnel to experience a substantially detrimental effect on his or her physical or mental health.
 - c. Causing a reasonable pupil to experience substantial interference with his or her academic performance, or school personnel with his or her job performance.
 - d. Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.
- 2) "Electronic act" means the creation and transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:
- a. A message, text, sound, or image.
 - b. A post on a social network Internet Web site, including, but not limited to:
 - i. Posting to or creating a burn page. "Burn page" means an Internet Web site created for the purpose of bullying.
 - ii. Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in paragraph (1). "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.
 - iii. Creating a false profile for the purpose of having one or more of the effects listed in paragraph (1). "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
- 3) "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

- (S.) Sexual Harassment. The pupil has committed sexual harassment. The harassing conduct must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment.
- (T.) Hate Violence. The pupil has caused, attempted to cause, threatened to cause, or participated in a "hate crime." "Hate crime" means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim: disability, gender, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics.

- (V.) Terroristic Threats: The pupil has made terroristic threats against school officials or school property, or both. For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

II. Parent/Guardian will be notified in all cases of violations.

III. Administration will determine punishment based upon the following criteria:

- A. Seriousness of offense
- B. Circumstances of situation
- C. Student's prior disciplinary records
- D. Any other extenuating circumstances

Suspension Procedures

1. The site leaders are afforded a great deal of discretion by the AIMS Governance Board and the Superintendent in determining appropriate punishments, unless a mandatory expulsion offense is identified. Even if suspension is deemed appropriate, the site administrator may opt for supervised in-school suspension.
2. If the Head or designee determines that suspension is appropriate, a school employee shall make a reasonable effort to contact the pupil's parent or guardian in person or by telephone. Whenever a pupil is suspended from school, the parent or guardian shall be notified in writing of the suspension.
3. The Head or designee shall report the suspension of the pupil, including the cause therefore, to the Superintendent and AIMS governing board.
4. A parent conference will be scheduled to discuss the matter with the Head of Schools or designee. Whenever practical, the teacher or staff member who witnessed the offense will also be present. At this conference, the administration and the parent or guardian will discuss the causes, duration, school policy involved, and any other matters pertinent to the suspension.

Any pupil who is suspended for five days or fewer must complete all assignments and tests missed during the suspension within three school days of their return. Any pupil who is suspended for more than five days will have five school days after their return to complete all assignments and tests missed during suspension. **Administration has the authority to lengthen the amount of time a pupil has to make-up his or her work, as appropriate in a given situation.** Assignments submitted late will receive **no credit**.

Recommended Expulsion

The Head will recommend the expulsion of any pupil who commits any of the following acts at school or at a school activity off school grounds, unless he or she determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:

1. Causing serious physical injury to another person, except in self-defense.
2. Possession of any knife or other dangerous object of no reasonable use to the pupil.
3. Unlawful possession of any controlled substance, except for either of the following:
 - a. The first offense for the possession of not more than one ounce of marijuana.
 - b. The possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil by a physician.
4. Robbery or extortion.
5. Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

Mandatory Expulsion

The Head or designee must immediately suspend and recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:

1. Possessing, selling, or otherwise furnishing a firearm. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of the school. The act of possessing an imitation firearm is not an offense for which suspension or expulsion is mandatory but it is an offense for which suspension, or expulsion may be imposed.
2. Brandishing a knife at another person.
3. Unlawfully selling a controlled substance.

4. Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.
5. Possession of an explosive.

The governing board shall order a pupil expelled upon finding that the pupil committed an act requiring mandatory expulsion.

Recommended vs. Mandatory Expulsion

<i>Recommendation for expulsion</i>	<i>Mandatory Expulsion</i>
Causing serious physical injury to another person, except in self-defense.	Possessing, selling, or otherwise furnishing a firearm.
Possession of any knife or other dangerous object of no reasonable use to the pupil.	Brandishing a knife at another person.
Unlawful possession of a controlled substance.	Unlawfully selling a controlled substance.
Robbery or extortion.	Committing or attempting to commit a sexual Assault.
Assault or battery upon any school employee.	Possession of an explosive.

Administrative Procedures and Investigation of Pupil Offenses

1. Students who commit offenses that result in a recommendation for expulsion or mandatory expulsion, or whose conduct falls under “Suspension/Discretionary Expulsion” (excluding disruption or defiance) will be referred to the Head of Schools or designee. If a teacher observes disruptive or defiant conduct, the teacher will make a determination as to whether or not administrative intervention is required. Otherwise, they may follow the school’s discipline policies to ensure proper student conduct.
2. To determine whether or not an offense meets the guidelines for suspension or expulsion, the Superintendent and the Head of School will meet with the pupil and school employee who referred the pupil for discipline. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to respond. If an “emergency situation” exists, the pupil may be excluded from this meeting. “Emergency situation” means a situation determined by the Head of School or designee to constitute a clear and present danger to the life, safety, or health of pupils or school personnel. If a pupil is suspended without a conference before suspension, both the parent and the pupil shall be notified of the pupil’s right to a conference.

3. Unless an offense results in a recommendation for expulsion or mandatory expulsion, as a matter of policy, American Indian Model Schools consider suspension and discretionary expulsion a punishment of last resort. Suspension and discretionary expulsion shall be imposed only when other means of correction fail to bring about proper conduct. Therefore, our schools will first consider the appropriateness of other disciplinary avenues before suspending or expelling a student.
4. If a pupil has committed a suspension-eligible offense, then the Head s has the authority to recommend expulsion. Expulsion will be used as a tool of last resort for students whose conduct is so egregious that it is unlikely to be changed by any other means and whose behavior poses a threat to the safety of a member of the school community or significantly limits the ability of other students to effectively learn.
5. In addition to any school action, suspected criminal activity will be reported to the police and appropriate legal consequences may result.
6. For purposes of notification to parents, and for the reporting of expulsion or suspension offenses to the CDE, American Indian Model Schools will identify, by offense committed, in all appropriate records of a pupil each suspension or expulsion of that pupil.
7. AIMS will notify the District of Residence within 30 days of all transfers, disciplinary or not. For all students who are expelled, the school will contact the District of Residence to notify them of the terms of the expulsion.

Expulsion Hearings and Process

1. The Superintendent decides whether or not to recommend expulsion to the Board.
2. Within 30 school days of a recommendation for expulsion, the Board will hold a hearing to determine if it is appropriate to expel the pupil. The pupil may request, in writing, a postponement of no more than 30 calendar days. Any additional postponement may only be granted at the discretion of the Board.
3. Within 10 school days after the conclusion of the hearing, the Board shall decide whether to expel the pupil.
4. If compliance by the Board with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable, the Superintendent may, for good cause,

extend the time period for the holding of the expulsion hearing for an additional 5 school days.

5. Written notice of the hearing shall be forwarded to the pupil at least 10 calendar days prior to the date of the hearing and shall include:
 - a. The date and place of the hearing.
 - b. A statement of the specific facts and charges upon which the proposed expulsion is based.
 - c. A copy of the disciplinary rules of the school district that relate to the alleged violation.
 - d. A notice of the parent, guardian, or pupil's obligation upon enrollment in another school district to inform the receiving school district of his or her status with the previous school.
 - e. Notice of the opportunity for the pupil or the pupil's parent or guardian to appear in person or to be represented by legal counsel or by a non-attorney adviser, to inspect and obtain copies of all documents to be used at the hearing, to confront and question all witnesses who testify at the hearing, to question all other evidence presented, and to present oral and documentary evidence on the pupil's behalf, including witnesses.
6. The Board shall conduct a hearing to consider the expulsion of a pupil in a session closed to the public, unless the pupil requests, in writing, at least five days before the date of the hearing, that the hearing be conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in a closed or public session, the Board may meet in closed session for the purpose of deliberating and determining whether the pupil should be expelled.
7. A record of the hearing shall be made. The record may be maintained by any means, including electronic recording, so long as a reasonably accurate and complete written transcription of the proceedings can be made.
8. Technical rules of evidence shall not apply to the hearing, but relevant evidence may be admitted and given probative effect if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. A decision of the Board to expel must be supported by substantial evidence showing that the pupil committed the act(s) of which he or she is accused.
9. The final action to expel a pupil shall be taken only by the Board in a public session. Written notice of any decision to expel or to suspend the enforcement of an expulsion order during a period of probation must be sent by the superintendent or his or her designee to the pupil or the pupil's parent or guardian.

10. The Board shall maintain a record of each expulsion, including the cause therefore. Records of expulsions shall be a non-privileged, disclosable public record. The expulsion order and the causes therefore shall be recorded in the pupil's mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil's school records.

Suspending an Expulsion Order

- The Board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to a school, class, or program that is deemed appropriate for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil's parent or guardian in his or her child's education in ways that are specified in the rehabilitation program. A parent or guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the pupil has satisfactorily completed the rehabilitation program.
- During the period of the suspension of the expulsion order, the pupil is deemed to be on probationary status. The Board may revoke the suspension of an expulsion order under this section if the pupil commits any of the acts designated as Suspension/Discretionary Expulsion Conduct or violates any of the school's rules and regulations governing pupil conduct. When the Board revokes the suspension of an expulsion order, a pupil may be expelled under the terms of the original expulsion order.
- Upon satisfactory completion of the rehabilitation assignment of a pupil, the Board shall reinstate the pupil and may also order the expungement of any or all records of the expulsion proceedings.

Readmission to the Charter

- An expulsion order shall remain in effect until the Board orders the readmission of a pupil. At the time an expulsion of a pupil is ordered for an act other than Mandatory Expulsion Conduct, the Board shall set a date, not later than the last day of the semester following the semester in which the expulsion occurred, when the pupil shall be reviewed for readmission. For a pupil who has been expelled for an act of Mandatory Expulsion Conduct, the Board shall set a date of one year from the date the expulsion occurred, when the pupil shall be reviewed for readmission, except that the Board may set an earlier date for readmission on a case-by-case basis.
- The Board shall recommend a plan of rehabilitation for the pupil at the time of the expulsion order, which may include, but not be limited to, periodic review as well as assessment at the time of review for readmission. The plan may also include recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs.
- Any pupil who has been expelled and who seeks readmission, must submit a request to the Superintendent in writing no more than 21 (but no less than 7) calendar days before the end of the term of the expulsion. In addition, the pupil must provide documentation that all conditions for rehabilitation set by the Board have been met.
- Upon completion of the readmission process, the Board shall readmit the pupil, unless the Board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety or to other pupils or employees of the school. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered.
- If the Board denies the pupil's request for readmission, the Board shall provide written notice to the expelled pupil and the pupil's parent or guardian describing the reasons for denying the pupil readmittance into the school.

SECTION 4: A CULTURE OF FREE-MARKET CAPITALISM

FREEDOM OF CHOICE IN A COMPETITIVE MARKET

1. Families choose to enroll their children in an American Indian Model Schools. State and federal funding follow the student to the family's school of choice. This is the same funding model of vocational schools, community colleges, and public universities in the United States.
2. There are clear, consistent, and high expectations in the student contract that are enforced by all employees. Student consequences (detention, Saturday School, community service, etc.) are given for not following school rules.
3. We focus on excellent student attendance (98.5%). Students and staff are given rewards for hard work, academic performance, and reinforcing the AIMS mission statement and credo.
4. Job descriptions are posted that reflect our mission and encourage applicants to self-select out or in when applying for a job with AIMS.
5. Financial incentives are provided to employees and students for increased student achievement on standardized tests combined with high levels of student enrollment from the beginning of the year until the end.
6. All classes and AIMS School sites are encouraged to compete with each other to improve performance and instill in students the values of a free-market capitalistic society.
7. The administrative leadership focuses on fiscal responsibility and a superior business model. The school pays for student trips, the SAT, the ACT, the PSAT, and other costs related to students.

INCENTIVIZING SUCCESS

1. Motivate your students to compete with each other, other classes, and other schools.
2. Set personal, classroom, and individual student goals.
3. When competing, focus on pace, scores, cleanliness, behavior, attendance, etc.
4. Determine how your students are doing in attendance, core academic subjects, etc.
5. Focus on beating our previous performance levels, and encourage the students to work toward the school's goal for improvement.
6. Be aware of the progress of the other schools of AIMS.
7. Students will have high self-esteem when they are academically successful. It feels good to excel in academics, physical fitness and life.
8. We believe in an "all-is-earned" culture and provide incentives for students and staff who produce results.
 - a. AP incentive (students): Students who score a 3 or higher on AP exams will be paid for their performance upon graduation. (Students who do not finish their high school education at AIPHS will not be compensated.) Each AP exam score carries the following financial reward: a score of 3 earns \$50; a score of 4 earns \$100; a score of 5 earns \$150.
 - b. AP incentive (teachers): When 50% or more of the students in an AP teacher's class pass the AP exam with a score of 3 or higher, the teacher will be awarded \$500.
 - c. Increased Test Score incentive (staff): When a teacher reaches a state test score improvement goal and maintains at least 90% of his/her original students from the beginning of the year until the end, the teacher will receive a bonus. Since each class is different, a test score improvement goal will be set for each teacher before the school year begins. In order to qualify for this bonus, the teacher can have no more than a 10% drop in enrollment of his/her students throughout the course of the year. For example, if a teacher started the school year with 30 students, he/she would have to maintain at least 27 of those original students to qualify for the reward. Administrators will also be given bonuses based on academic performance and student enrollment/retention. Those goals will be set before the beginning of the school year.

- d. AIPHS enrollment incentive (teachers): When 85% or more of an 8th grade AIMS teacher's students enroll in AIPHS, the teacher will receive a financial reward.
- e. Other performance bonuses may be rewarded as determined by site administrators.

FIELD TRIPS

1. Study Trips must be based on our mission statement and be tied to a specific learning goal.
2. Teachers must submit a proposal to the Head of School or designee before January 15th.
 - a. Where will your class be going?
 - b. How many students will attend?
 - c. When do you plan to go (date and time)?
 - d. What public transportation do you plan to take?
 - e. The total cost of field trip plus transportation?
 - f. Do you need to purchase BART/bus and admission tickets in advance?
 - g. What do you need the school to pay for before the field trip?
3. You should complete all paperwork at least four (4) weeks in advance. Do not ask the site administrator or administrative assistant for cash on the day of the field trip. We do not have cash on hand.
4. Once the field trip is approved, send home a notice and permission memo to parents.
5. If a student will not be permitted to attend, notify the parent(s) in advance.
6. DO NOT restrict a special education student from attending a field trip without first meeting with the special education teacher and an administrator to determine if this is permissible.
7. Do not allow students to attend a field trip without merit.
8. Students who stay behind must have enough assignments to complete for the school day. Do not leave a student behind without any work; this will create problems for the office and other teachers. You should have a packet ready and make arrangements with another teacher.
9. You are responsible for arranging chaperones. Please check with the office prior to making final arrangements. Chaperones should be people who know and understand our expectations.
10. You must not leave your students unsupervised or unattended at any time while on the field trip. If you break into groups, an adult chaperone must be present with each group.
11. If students need to use the restroom, they should go in groups and not by themselves.
12. In case of an emergency, please call the office immediately and we will contact the parents. If it is a life-threatening situation and cannot wait for parent approval, please call 911.
13. Your students represent our school; make sure they are on their best behavior.

SUMMER PROGRAMS

AIMS' students participate in various academic programs during the summer.

- I. **Extended Year.** Students attend extended year for three weeks in the beginning of August. This is the beginning of the school year. This extended school year provides each student with a better chance for academic success.
- II. **Johns Hopkins Center for Talented Youth (CTY).** We believe strongly that the focus of the summer program at Johns Hopkins University's Center for Talented Youth (CTY) meshes perfectly with AIMS' own emphasis: rigorous academics. In order to gain admission to the program, students must take the SAT beginning in the 7th grade and score high enough to meet CTY's challenging standards.
- III. **UC Berkeley's Academic Talent Development Program (ATDP).** Students in this rigorous program are able to experience the challenges of college academia while gaining access to a diverse group of professors, mentors, and other students. In order to earn admission to the program, students must demonstrate high academic achievement and meet ATDP's high standards.

SOCIAL MEDIA POLICY

In light of the explosive growth and popularity of social media technology in today's society, AIMS has developed the following policy to establish rules and guidelines regarding the appropriate use of social media by employees. This policy applies to situations when you: (1) make a post to a social media platform that is related to the Charter; (2) engage in social media activities during working hours; (3) use AIMS equipment or resources while engaging in social media activities; (4) use your AIMS e-mail address to make a post to a social media platform; (5) post in a manner that reveals your affiliation with AIMS.

For the purposes of this policy, the phrase "social media" refers to the use of a website or other electronic application to connect with other people, including, but not limited to, Facebook, Twitter, Instagram, SnapChat, Pinterest, LinkedIn, YouTube, and MySpace, as well as related web-based media, such as blogs, wikis, and any other form of user-generated media or web-based discussion forums. Social media may be accessed through a variety of electronic devices, including computers, cell phones, smart phones, PDAs, tablets, and other similar devices.

This policy is intended to supplement, not replace, the Charter's other policies, rules, and standards of conduct. For example, AIMS policies on confidentiality, use of AIMS equipment, professionalism, employee references and background checks, workplace violence, unlawful harassment, and other rules of conduct are not affected by this policy.

You are required to comply with all AIMS policies whenever your social media activities may involve or implicate AIMS in any way, including, but not limited to, the policies contained in this Handbook.

STANDARDS OF CONDUCT

You are required to comply with the following rules and guidelines when participating in social media activities that are governed by this policy:

- Comply with the law at all times. Do not post any information or engage in any social media activity that may violate applicable local, state, or federal laws or regulations.
- Do not engage in any discriminatory, harassing, or retaliatory behavior in violation of AIMS policy.
- Respect copyright, fair use, and financial disclosure rules and regulations. Identify all copyrighted or borrowed material with proper citations and/or links.
- Maintain the confidentiality of AIMS' trade secrets and private or confidential information. Trade secrets may include information regarding the development of systems, processes, products, know-how, and technology. Do not post internal reports, policies, procedures, or other internal business-related confidential communications. This prohibition applies both during and after your employment with AIMS.
- You may not engage in social media activities during working hours. Do not use your AIMS e-mail address to register on social media websites, blogs, or other online tools utilized for personal use.
- Always be fair and courteous to fellow employees, students, parents, or other people who work on behalf of AIMS. Avoid posting statements, photographs, video, or audio that could be reasonably viewed as malicious, obscene, threatening, or intimidating, that disparage employees, students, parents, or other people who work on behalf of AIMS, or that might constitute harassment or bullying.
- Make sure you are always honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Never post any information or rumors that you know to be false about AIMS, fellow employees, students, parents, people working on behalf of AIMS, or other schools.
- Express only your personal opinions. Never represent yourself as a spokesperson for AIMS unless authorized to do so. If you publish social media content that may be related to your work or subjects associated with AIMS, make it clear that you are not speaking on behalf of AIMS and that your views do not represent those of AIMS, fellow employees, students,

parents, or other people working on behalf of AIMS. It is best to use a disclaimer such as, “The postings on this site are my own and do not necessarily reflect the views of AIMS.”

- Never be false or misleading with respect to your professional credentials.

In the event you have any questions about whether a particular social media activity may involve or implicate AIMS, or may violate this policy, please contact Human Resources and your direct supervisor.

Social media is in a state of constant evolution, and AIMS recognizes that there will likely be events or issues that are not addressed in these guidelines. Thus, each AIMS employee is responsible for using good judgment and seeking guidance, clarification, or authorization before engaging in social media activities that may implicate this policy.

SECTION 5: EMPLOYMENT POLICIES AND PRACTICES

EQUAL EMPLOYMENT OPPORTUNITY

American Indian Model School District is an equal employment opportunity employer and makes employment decisions, including, but not limited to, hiring, firing, promotion, demotion, training, and/or compensation, on the basis of merit. Employment decisions are based on an individual's qualifications as they relate to the job under consideration. The AIMS' policy prohibits unlawful discrimination based on race, religious creed (which includes religious dress and grooming practices), color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state or local laws, ordinances, or regulations. All such discrimination is unlawful.

AIMS is committed to complying with all applicable laws providing equal employment opportunities. This commitment applies to all persons involved in the operations of AIMS and prohibits unlawful discrimination by any employee of AIMS, including supervisors and co-workers.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, AIMS will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to AIMS. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation he or she needs to perform the job. AIMS will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request.

AT-WILL EMPLOYMENT

Unless an Employee enters into a Fixed Term Employment Agreement that provides for "Termination for Cause" (as defined therein), all employment at AIMS is "at will." This means that both the Employee and AIMS have the right to terminate the Employee's employment at any time, with or without advanced notice, and with or without cause. The Employee also may be demoted or disciplined and the terms of his or her employment may be altered at any time, with or without cause, and with or without advance notice, at the discretion of AIMS.

Subject to this Employment At-Will provision, Employee shall be employed during the school year beginning no earlier than July 1, 2017 and concluding no later than June 30, 2018 ("School Year"). Pursuant to the Employee At-Will provision of this Handbook, either party has the right to terminate the Employee's employment at any time, with or without advance notice, and with or without cause whether effective before or after the expiration of the stated School Year. By

signing the Handbook Acknowledgement, the Employee acknowledges and understands that he or she has entered into this employment relationship with AIMS voluntarily and acknowledges and understands that there is no specific length or agreed upon period of employment.

UNLAWFUL HARASSMENT AND DISCRIMINATION

AIMS is committed to providing a work environment free of unlawful harassment and discrimination. AIMS' policy prohibits harassment and discrimination based on race, religious creed (which includes religious dress and grooming practices), color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state or local laws, ordinances, or regulations. All such harassment is unlawful.

AIMS' unlawful harassment and discrimination policy applies to all persons involved in the operation of AIMS and prohibits unlawful harassment and discrimination by any employee of AIMS, including supervisors and co-workers. AIMS will take all reasonable steps to prevent or eliminate harassment and discrimination by non-employees, including customers, clients, and suppliers, who have workplace contact with our employees.

Prohibited unlawful discrimination includes, but is not limited to, the following behaviors:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted comments.
- Visual conduct such as derogatory posters, photography, cartoons, drawings, or gestures.
- Physical conduct such as assault, unwanted touching, blocking normal movement, or interfering with work because of sex, race, or any other protected basis.
- Retaliation for having reported or threatened to report harassment or discrimination. California Education Code Section 212.5 defines sexual harassment as any unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under the following conditions:
 - Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.
 - Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.

- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

Sexual harassment may include, but is not limited to:

- Unwelcome verbal conduct such as suggestive or derogatory comments, sexual innuendos, slurs; unwanted sexual advances, invitations, or comments; pestering for dates; making threats; or spreading rumors about or rating others as to sexual activity or performance.
- Unwelcome visual conduct such as displays of sexually suggestive objects, pictures, posters, written material, cartoons, or drawings; graffiti of a sexual nature; or use of obscene gestures.
- Unwelcome physical conduct such as unwanted touching, pinching, kissing, patting, hugging, blocking of normal movement, or assault; or interference with work or study directed at an individual because of the individual's sex, sexual orientation, or gender.
- Threats, demands, or pressure to submit to sexual requests in order to keep a job or academic standing or to avoid other losses, and offers of benefits in return for sexual favors.

This policy applies to all phases of employment, including, but not limited to, recruiting, testing, hiring, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, benefits, and selection for training.

If you believe you have been subjected to unlawful harassment or discrimination, please follow the complaint procedure outlined below. Employees must report conduct prohibited by this policy whether or not they are personally involved.

UNLAWFUL RETALIATION

AIMS prohibits retaliation against any employee because of the employee's opposition to a practice or conduct the employee reasonably believes to be unlawful or because of the employee's lawfully protected participation in an investigation or proceeding. Any retaliatory adverse action because of such opposition or participation may be unlawful and will not be tolerated. All such retaliation is unlawful.

If you believe you have been subjected to unlawful retaliation, please follow the complaint procedure outlined below.

COMPLAINT PROCEDURE—DISCRIMINATION, HARASSMENT, RETALIATION

Employees must report all incidents believed to be unlawful discrimination, harassment, or retaliation. If you believe you have been subjected to any form of such unlawful conduct, submit a complaint, preferably in writing, to your supervisor or Human Resources. If these individuals are not available, or in the event that you believe that one of these individuals has engaged in inappropriate behavior in violation of these policies, submit a complaint to any other supervisor as soon as possible. Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding unlawful discrimination, harassment, or retaliation to the Superintendent of AIMS or other upper-level managers, as appropriate. Your complaint should be specific and should include the names of the individuals involved and the names of any witnesses.

AIMS encourages all employees to immediately report any incidents of unlawful discrimination, harassment, and/or retaliation so that complaints can be quickly and fairly resolved. If you receive such a complaint from a fellow employee, report it immediately to your supervisor or the Superintendent of AIMS. If these individuals are not available, report it to any other supervisor. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

Upon notice of such a complaint, AIMS will promptly undertake an effective, thorough, and objective investigation and attempt to resolve the situation. If AIMS determines that unlawful conduct or a violation of applicable policies has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee determined by AIMS to be responsible for unlawful discrimination, harassment, and/or retaliation will be subject to appropriate disciplinary action, up to and including termination. Appropriate action will also be taken to deter future conduct.

There will be no retaliation against any employee who brings a complaint in good faith or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven.

ANTI-VIOLENCE POLICY

AIMS is committed to providing a workplace that is free from acts of violence or threats of violence. In keeping with this commitment, AIMS has established a strict policy that prohibits any employee from threatening or committing any act of violence in the workplace, while on duty, while on school-related business, or while operating any vehicle or equipment owned or leased by AIMS. This policy applies to all employees.

In order to achieve our goal of providing a workplace that is secure and free from violence, AIMS must enlist the support of all employees. Compliance with this policy and our commitment to a zero-tolerance policy with respect to workplace violence is every employee's responsibility.

Compliance with this anti-violence policy is a condition of employment. Due to the importance of this policy, employees who violate any of its terms, who engage in or contribute to violent behavior, or who threaten others with violence may be subject to disciplinary action, up to and including immediate termination.

Employees are required to report any incident involving a threat of violence or act of violence immediately to their supervisor, Head of Schools, or Superintendent. If these individuals are not available, report the incident to any other supervisor and report the incident to the Superintendent as soon as he or she is available. All reports will be investigated by AIMS and appropriate corrective action will be taken.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to the Superintendent.

Employees should immediately inform their supervisor or the Head of School about any workplace security hazards. If these individuals are not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

There will be no retaliation against any employee who brings a complaint in good faith under the Workplace Anti-Violence Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

DRUG AND ALCOHOL ABUSE POLICY

Our employees are our most valuable resource, and their own health and safety are therefore serious concerns. We will not tolerate any drug or alcohol related conduct that imperils the health and well-being of our employees. Further, the use of illegal drugs and abuse of controlled substances is inconsistent with law abiding behavior expected of all citizens. Employees who use illegal drugs or abuse other controlled substances or alcohol tend to be less productive, less reliable, and prone to greater absenteeism resulting in the potential for increased cost and risk.

We believe our employees have the right to work in an alcohol and drug-free environment and to work with persons free from the effects of alcohol and drugs. Employees who abuse alcohol or drugs are a danger to themselves, students, and to other employees. We are therefore committed to maintaining a safe and healthy workplace free from the influence of alcohol and drugs. We hope all employees will join with us in achieving our goal of a safe and productive drug-free workplace.

For purposes of this policy, “illegal drugs” includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). “Drug paraphernalia” means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. “Under the influence” means that the employee is affected by alcohol and/or illegal drugs in any detectable manner.

Prohibited Use

AIMS prohibits the following:

- Use, possession, manufacture, distribution, dispensation, purchase, or sale of alcohol (if unauthorized), illegal drugs, or drug paraphernalia on AIMS premises or AIMS business or during working hours.
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on AIMS premises.
- Being under the influence of alcohol (if unauthorized) or illegal drugs on AIMS premises or AIMS business or during working hours.
- Refusing to submit to an inspection when requested by management.
- Failure to keep all prescribed medicine in its original container, which identifies the drug, date of prescription, and the prescribing doctor.
- Smoking and the use of any tobacco products on AIMS property including AIMS-owned, leased, or contracted buildings, and in AIMS vehicles at all times, by all persons, including employees, students, and visitors at any school or AIMS site or attending any school-sponsored events.

Employees are required to notify administration of any criminal drug and alcohol statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Within thirty (30) days of receiving the notice, AIMS shall take appropriate administrative or disciplinary action.

In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your job performance, you are required to report this to your supervisor. Your supervisor will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect the safety of you, other employees, and students.

Searches

AIMS may at times conduct unannounced searches of AIMS property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with this or any other policy. This includes desks, storage areas, and rooms normally used to store employees' personal property. As a result, **employees do not have an expectation of privacy in this regard.**

Additionally, whenever AIMS suspects that an employee has sold, purchased, used, or possessed alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances on AIMS premises, AIMS may inspect the employee's personal effects (including parcels, purses, bags, and briefcases) or automobile on AIMS property. As a result, employees do not have an expectation of privacy in this regard.

Violations

Compliance with this policy is a condition of employment at AIMS. Failure or refusal of an employee to cooperate fully, sign any required document, or submit to any inspection will result in discipline, up to and including termination. Furthermore, any violations of this policy may result in disciplinary action, up to and including termination, at AIMS' sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, AIMS may report such illegal drug activities to an appropriate law enforcement agency.

IMMIGRATION COMPLIANCE

AIMS is committed to full compliance with federal and state immigration laws. These laws require that all individuals pass an employment verification procedure before they are permitted to work. This procedure has been established by law and requires that every individual provide satisfactory evidence of his or her identity and legal authority to work in the United States no later than three business days after he begins work. Accordingly, all new hires must go through this procedure.

EMPLOYEE CLASSIFICATIONS

Upon hiring, all employees are classified as exempt or nonexempt, full-time or part-time, and regular or temporary. All employees are either exempt or nonexempt according to provisions of

applicable wage and hour laws. These classifications do not guarantee employment for any specific length of time. Employment is at the mutual consent of the employee and AIMS.

Exempt Employees

Pursuant to the federal Fair Labor Standards Act and applicable state laws, exempt employees are those who exercise the requisite degree of discretion and independent judgment and perform certain administrative, professional, and/or executive duties, or those who are considered outside/inside sales personnel under the law. Exempt employees are not entitled to overtime pay.

Non-Exempt Employees

Pursuant to the Fair Labor Standards Act and applicable state laws, non-exempt employees are entitled to overtime pay. Non-exempt employees may have to work hours beyond their normal schedules as work demands require. If this results in working more than 8 hours in one day or 40 hours in one week, non-exempt employees will receive overtime compensation in accordance with state and federal law. Non-exempt employees are required to take meal and rest periods in the manner described in this Handbook.

Regular Employees

Regular employees are those who are hired to work on a regular schedule. Regular employees may be classified as full-time or part-time.

Full-Time Employees

An employee who is regularly scheduled to work and regularly works at least 40 hours per week is considered a regular full-time employee.

Part-Time Employees

An employee who is regularly scheduled to work and regularly works fewer than 40 hours but more than 30 hours per week is considered a regular part-time employee with benefits. An employee who is regularly scheduled to work and regularly works fewer than 30 hours per week is considered a regular part-time employee WITHOUT benefits. A regular part-time employee WITHOUT benefits is not eligible to earn, accrue, or participate in any AIMS benefits program, except as otherwise required by law, such as Paid Sick Leave.

Temporary Employees

An employee who is hired for a particular project or job of limited or definite duration (short-term) is considered a temporary employee. A temporary employee is not eligible to earn, accrue, or participate in any AIMS benefits program, except as otherwise required by law.

An employee will not change from one status to any other status or classification simply because of the number of hours that the employee is scheduled to work or the length of time spent as an employee. The status of a temporary employee may change only if the employee is notified of the change in status, in writing, by the Head of School or Superintendent.

JOB DUTIES

You will receive a job description and your supervisor will explain your job responsibilities and the performance standards expected of you. Be aware that your job responsibilities may change at any time during your employment. From time to time, you may be asked to work on special projects or to assist with other work necessary or important to the operation of AIMS. Your cooperation and assistance in performing such additional work is expected.

AIMS reserves the right, at any time, with or without notice, to transfer, demote, suspend, administer discipline, change job responsibilities, and change the terms and conditions of employment at its sole discretion.

PAYMENT OF WAGES

Employees are paid semi-monthly (twice per month). If a payday falls on a weekend or holiday, employees will be paid on the preceding workday. Employees are required to report any overpayment of wages to the Office. Any discrepancies or shortages in the calculation of wages should be reported as soon as possible after payday.

EXPENSE REIMBURSEMENTS

Employees shall be reimbursed for approved out-of-pocket expenditures for materials and supplies. All expenses claimed must be recorded on a reimbursement form and submitted with the original receipts for pre-approval of the Head of Schools or designee. If permission for the expenditure is not requested and approved before the purchase, reimbursement is not guaranteed.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime. Failure to obtain such approval may subject an employee to discipline, up to and including termination. Overtime compensation will be paid in accordance with all state and federal laws.

EXTRA DUTY PAY

American Indian Model Schools compensates its teachers and other certificated/salaried staff who assume extracurricular assignments performed outside of the regular work day. Some examples of extracurricular assignments include, but are not limited to, tutoring (as authorized and

specifically directed by the Principal), supplemental Professional Development and/or site-specific training (as authorized and specifically directed by the Principal) and use of a teacher's preparation period to substitute for an absent teacher. Extracurricular duties that earn additional compensation do not include: attendance of faculty/staff meetings, parent-teacher conferences, supervising field trips, or supervising playground or lunch periods, as those activities are part of employee's regular work day.

Employee compensation for extracurricular assignments shall be paid hourly. The employee's hourly rate for any extracurricular assignments shall be one-eighth (1/8) of the employee's pro rata daily salary, which shall be calculated based on the employee's annual salary and a 190-day annual work year. For example, if a teacher's salary is \$56,000 annually (for 190 days of work), then the pro rata daily amount to be paid, if s/he must work an entire day above the required 190 days each year, is $(\$56,000/190 \text{ days}) = \$294.74/\text{day}$.

If s/he is required to take on an extracurricular assignment, the pro rata daily amount is divided by eight to calculate the employee's hourly rate. $\$294.74/8 \text{ hours} = \36.84 .

Employees must keep accurate time records of all time worked in fulfillment of extracurricular assignments and submit such time records to AIMS on a weekly basis for payment in the next regular payroll. Extracurricular assignment hours will be listed separately on the employee's pay stub, noting the hourly rate and total hours worked at that rate.

WORKDAY AND WORKWEEK

The work schedule for employees shall be in accordance with the 2017-2018 school year calendar, and each employee's employment agreement, should one exist. For purposes of calculating overtime, AIMS' standard workweek begins on Sunday at 12:01 a.m. and ends on Saturday at 12:00 a.m. (midnight). The standard workday is 12:01 a.m. to 12:00 a.m. (midnight) each day.

MEAL AND REST PERIODS

Meal Periods: All non-exempt employees must take an uninterrupted meal period of at least 30 minutes each day they work more than 5 hours. You must commence the meal period before you complete your fifth hour of work. Thus, if you begin working at 8:30 a.m., for example, you must take your meal period prior to 1:30 p.m. In addition, you must record the actual times that you stop and start work to take a meal period. All non-exempt employees must take an uninterrupted meal period of at least 30 minutes each day they work more than 10 hours. You must commence the meal period before you complete your tenth hour of work. Meal periods are unpaid.

Rest Periods: All non-exempt employees are authorized, permitted, and strongly encouraged to take a 10-minute rest period every 4 hours worked or major fraction thereof. Ordinarily, this amounts to two 10-minute rest periods per 8-hour workday. The first rest period should be taken roughly in the middle of the 4-hour work period prior to lunch, and the second rest period should be taken roughly in the middle of the 4-hour work period following lunch. You do not need to record the times of these rest periods. You will be paid for the time spent on your rest periods.

During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not join together required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier.

In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to AIMS policy, you must notify your supervisor in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the AIMS' policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

TIMEKEEPING

To ensure compliance with all applicable laws, non-exempt employees must accurately record all hours worked. This means they must clock in and out whenever they begin, cease, or resume working during the course of a workday. While you need not clock out and in during your rest periods, you must clock out and in during your meal periods. Under no circumstances may one employee clock in or out for another employee.

Exempt employees may also be expected to record their time worked and report absences from work due to personal needs or illness.

Recording inaccurate time on your timesheet or recording time on another employee's timecard is a violation of AIMS policy and may result in discipline, including immediate termination. Employees are strictly prohibited from working "off the clock" or failing to record all time worked. Falsification of any timecard may result in disciplinary action, up to and including termination.

PERSONNEL FILES AND RECORD KEEPING PROTOCOLS

The Head of School or his or her designee shall maintain a confidential personnel file for each employee. All information in personnel files is strictly confidential, as is all payroll information. Any employee who violates this confidentiality is subject to discipline including discharge.

To keep our personnel records accurate and to comply with state and federal laws, you must notify your supervisor immediately of any change(s) in the following personnel information:

- Your name (whether by marriage or otherwise).
- Your home address and telephone number.
- Who to inform in case of an emergency, including names and home and work telephone numbers and addresses.
- Withholding tax information (your marital status and correct number of dependents).
- Completion of education.
- Change of beneficiary on group life insurance.

PERFORMANCE APPRAISALS

At regular intervals, your immediate supervisor will provide you with a written evaluation of your work performance. The purpose of these reviews is to identify strengths, recognize areas for improvement and skill development, encourage growth, and develop strategies within a supportive team. This evaluation typically includes ratings in the following areas: quantity and quality of work, work habits and attitudes, interpersonal skills, dependability, and attendance. For new employees, there will be an interim performance review after the first ninety (90) days of employment, which will include an employee self-evaluation. For returning employees, performance evaluations will be completed annually. Your supervisor will discuss the evaluation with you and a copy of the completed form will be given to you. If you do not receive your evaluation, ask your supervisor about it. The performance appraisal form also offers you an opportunity to indicate if you believe you are working out of class, i.e. whether you are performing duties different from the ones listed in your class description. It is important for you to provide this information so that your position is classified and compensated appropriately.

All employees shall have the right to make their own written comments in response to the observations or review findings. This response will be attached to the observation and/or evaluation and kept in the employee's confidential personnel file.

EMPLOYEE DISCIPLINARY ACTION: CAUSES FOR SUSPENSION, DEMOTION, AND DISMISSAL

The following conduct is prohibited and will not be tolerated by AIMS. This list of prohibited conduct is illustrative only; other types of conduct injurious to security, personal safety, employee welfare, and AIMS' operations also may be prohibited. Violation of the following standards may result in disciplinary action, up to and including immediate termination.

- Falsification of employment records, employment information, or other AIMS records. This includes making false statements or omitting material information in the application procedure for employment.

USE OF AIMS TELEPHONES, INTERNET, AND E-MAIL SYSTEM

Telephones in AIMS schools and offices are to be used only for official business with the exception of a personal emergency in which conversations must be kept as brief as possible. Outgoing personal calls should be made on your personal cell phone only during lunch and break periods so that they will not interfere with work. Personal business, including the handling of personal mail, e-mail, text messages, and telephone calls should be completed outside of your working hours. Remember that your AIMS’ email account is reserved for AIMS’ business purposes only.

Employees are reminded that AIMS various electronic communications systems, including, but not limited to, its electronic devices, computers, telephones, e-mail accounts, video conferencing, voice mail, facsimiles, internal and external networks, computers, PDAs, tablets, and AIMS-issued cell phones, are the property of AIMS. As a result, employees do not have a reasonable expectation of privacy in their use of or access to AIMS' various electronic communications systems.

Your use of the AIMS' e-mail, internet, and computer systems has **no guarantee of privacy**

CHANGE OF CONTACT INFORMATION

Promptly report any change of home address or telephone number by completing a name and address card with the current information and submitting it to your time reporter.

PERSONAL PROPERTY

It is your responsibility to ensure that your handbag, wallet, and other personal property are kept locked in a safe place while at work. The school is not responsible for damage to, or theft of, private property, unless the school has been negligent. We recommend that employees not bring expensive items to school which may be stolen, such as iPads, mobile phones, and jewelry. The school does not accept responsibility for these items and is therefore not obliged to pay compensation for lost or stolen items.

SOLICITATION & DISTRIBUTION

AIMS feels very strongly that work time is for work. Therefore, in the interests of our students, there will be no solicitation of any kind by any employee during the working time of the employee soliciting or the employee being solicited. Solicitation is permitted only during non-working time, such as break times, meal periods, and before checking in for work or after checking out of work. In addition, distribution of literature is prohibited during working time and in working areas. Exceptions to this rule for charitable organizations or charitable purposes require the advance approval of the Head of School.

Non-employees are prohibited from solicitation and distribution for any purpose on AIMS premises at any time.

Employees are not to utilize AIMS facilities or return to the work site outside of regular working hours unless prior approval from the Head of School has been granted. Employees may be on AIMS premises only when they are on duty, scheduled to work, or have received advance approval from the Head of School.

HEALTH AND SAFETY POLICY

The safety of students and staff is among the highest of priorities for AIMS. Injuries and illnesses create personal loss to employees, students, and their families, and reduce the AIMS' ability to provide quality education. It is AIMS' position that all accidents are preventable. Each employee is expected to obey safety rules and to exercise caution in work activities. Site administrators have primary responsibility for providing a safe working and learning environment and are accountable for ensuring strict compliance with applicable health and safety requirements. All supervisory employees, from executives to first line supervisors, share responsibility for ensuring the safety of students and staff. Employees should immediately inform their supervisor about any workplace accidents or security hazards. If this individual is not available, the employee should immediately inform any other supervisor so that appropriate action can be taken.

Employees should not transport students unless it relates to a school function and has been approved by AIM Schools.

When an accident or injury occurs on school property, it should be reported immediately to the Site Administrator. An Incident Report form should be completed as soon as possible. This form is available at the front office.

FINGERPRINT POLICY

All employees of the AIMS are fingerprinted and the prints are transmitted to the California Department of Justice and the Federal Bureau of Investigation for a criminal conviction records check. AIMS will bear the cost of DOJ background checks. No employee will be permitted to perform any of the duties of his/her position until this processing has been completed and it is determined that there is no criminal conviction that would prohibit the employee from working with students and staff.

INFORMATION PROTECTION POLICY

It is the policy of AIMS to protect sensitive and confidential information. Every employee of the school district must ensure the proper protection of information, either in paper or electronic form. Employees are not to take sensitive records home nor leave them lying unprotected in the open, such as on a desk, where they can be accessed. Employees are not to convert sensitive information into an electronic format and send it unprotected through email or over the internet. Whenever requests for access to information are made, employees should check with the data owner (specified individuals who collect or use the information on behalf of AIMS). It is best to err on the side of protecting information.

All information relating to students including names, addresses, contact numbers, and progress information is confidential information and may not be shared with unauthorized parties. All records concerning pupils shall be kept strictly confidential and be maintained in separate files.

Please note: The release of unauthorized confidential information may result in immediate dismissal and the filing of criminal charges. When in doubt, check with the supervisor and Head of School.

NEW HIRES

Classroom teachers must submit all required paperwork listed below to the Human Resources Office within 10 work days of the date of the written offer of employment.

2.	TB Test Result (must be administered within the last 4 years).

EMPLOYEE DISPUTE RESOLUTION PROCESS

AIMS offers dispute resolution procedures to provide employees who have a complaint concerning conditions of employment with an internal avenue for resolution. The concern or complaint will heard by the Site Administrator. He or she, or any designee, will be accessible and ready to hear suggestions and complaints. The school cannot act on any problem unless it is

aware of it, so complaints must be put in writing as soon as possible. The Site Administrator will provide a written response within five (5) business days. If the response is not satisfactory to the complainant, then the complaint may be submitted in writing to the Board and will be placed on the agenda for the next regular Board meeting. The Complainant may address the Board and make a suggestion for resolution. The Board will issue a written response within five (5) business days. The Board's decision shall be final.

STAFF DRESS CODE POLICY

AIMS employees are here to serve as role models for our students. We are to set the standard for professionalism and proper dress and should always project a professional image when on campus. The Staff Dress Code applies to all AIMS employees on all campuses with the exception of the P.E. aides and athletic coaches.

2. Jeans are only permitted on Fridays with a professional top (blazer, dress-shirt, blouse).
3. Low-cut blouses, see-through clothing, off the shoulder, halter style, or clothing which reveals the midriff are not permitted.
4. Shoes and sandals without a back strap are not permitted. Flip-flops are not allowed.

6. Tattoos that are considered offensive, racist, vulgar, show scenes of violence, drug-related, contain strong sexual imagery, gang related or contain obscene phrases may not be visible.

The following clothing items are not permitted:

1. Jeans (except on Fridays)
2. Carpenter or cargo pants
3. Shorts
4. T-shirts
5. Hooded sweatshirts
6. Tank tops/ halter tops
7. Flip-flops

There may be occasions when an employee may need to wear certain clothing for medical or religious reasons. In this case, the employee must request an exception from the Head of School and may be asked to provide medical documentation that clearly describes the deviation from this dress code policy.

If you have any questions, please ask your Supervisor.

SECTION 6: LEAVES AND VACATION

VACATION/PERSONAL LEAVE

Vacation time is granted to employees as defined in the current year school calendar (holidays and school breaks) and in each employee's employment agreement, if one exists.

In addition to the paid school holidays listed on the school calendar, classified employees (not Teachers) will accrue paid personal/vacation time per month beginning immediately upon hire,

as defined in their employment agreement. There is a cap on personal/vacation day accrual. Once the classified employee's personal/vacation time reaches the maximum stated in his or her employment agreement, further accrual is suspended until the employee has reduced the balance below this limit. In such a case, no personal/vacation time will be earned for the period in which the classified employee's personal/vacation time was at the maximum. Accrued but unused personal/vacation will carry over from year to year, subject to this maximum accrual. Accrued but unused personal/vacation time will be paid out upon termination. Classified employees may use personal/vacation time beginning on the 30th day of employment. Personal/vacation time may be taken in minimum increments of two hours. Employee must provide his/her supervisor with reasonable advance notification, in writing, of the need to use personal/vacation days, if foreseeable. Requests for personal/vacation time may be denied based on the needs of the Charter School, or if adequate notice is not provided by the Employee.

PAID SICK LEAVE (PSL)

In satisfaction of the California Healthy Workplaces, Healthy Families Act, employees will be allotted PSL beginning immediately upon the effective date of employment as specifically

provided in each employee's employment agreement. For employees with no employment agreement, PSL will be granted according to law. Employees with no employment contract should contact Human Resources for a statement of your PSL allotment.

PSL days are not accrued on an as-worked basis but rather are allotted to eligible employees on the first day of work each contract year for use in the current year. Employees may use PSL beginning on the 30th day after the effective date of employment. Employees may use their accrued PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventative care for) the employee or the employee's family member. Employee may also use PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault. For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. "Child" means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. "Spouse" means a legal spouse, as defined by California law.

Accrued but unused PSL in excess of 72 hours may not be carried over from year to year and will not be paid out upon termination.

PSL may be taken in minimum increments of two hours. Employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, Employee must provide notice as soon as practicable.

Bereavement Leave

In the event of a death in the immediate family of a regular AIMS employee, the employee shall, upon request, be granted time off with pay not to exceed three (3) work days or a maximum of five (5) workdays if out-of-state travel is required.

- a. The employee shall provide proof of death (obituary notice, funeral notice, death certificate or other proof of death).
- b. If out-of-state travel is required, the employee shall provide proof of travel.
- c. Immediate family, for purposes of this provision, is defined as mother, father, grandmother, grandfather, grandchild of the employee or spouse of the employee, spouse, son, son-in-law, daughter, daughter-in-law, brother or sister.
- d. Bereavement Leave shall not be cumulative.

Personal Leave

A regular AIMS employee may use up to 4 days of accumulated paid sick leave (PSL) annually in cases of personal necessity listed below. Whenever possible a request for this leave shall be made

in writing to the immediate supervisor prior to taking the leave or in any event no later than twenty-four (24) hours following the start of the personal leave.

- Appointments to see a lawyer
- Wedding in the family
- Religious observance
- To attend professional conferences
- 54
- To attend an educational event for a minor child or dependent
- Emergencies
- Death of a member of the teacher's immediate family
- Serious or critical illness of a member of the immediate family
- Appearance in court as a litigant
- An occurrence of an accident involving the teacher's person or property or the person or property of a member of the immediate family
- In the case of death of a member of the teacher's immediate family, such leave may be in addition to normal bereavement leave.

It is understood that Personal Leave is for instances of personal need, not for recreational purposes, vacation, travel, or that which is related to activity for which the teacher may receive additional remuneration. The District may request the reason for Personal Leave days if there is reasonable doubt regarding this use.

FAMILY AND MEDICAL LEAVE

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the AIMS for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the AIMS within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the AIMS' request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
3. The "serious health condition" of the employee;
4. The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
5. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the AIMS with a medical certification from your healthcare provider establishing eligibility for the leave, and you must provide the AIMS with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the AIMS in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

Family and medical leave may be taken for up to 12 work-weeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12 month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any vacation/personal leave during unpaid family and medical leave. You will also be required to use any accrued paid sick leave during unpaid family and medical leave that is due to your own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as

California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and AIMS may mutually agree to supplement such benefit payments with available vacation and/or paid sick leave.

During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. AIMS will provide written notice to any "key" employee who is not eligible for reinstatement.

If you have any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.

PREGNANCY DISABILITY LEAVE

AIMS provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to the AIMS. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

AIMS will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, AIMS may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any accrued paid sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any accrued vacation time during any unpaid portion of

pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and AIMS may mutually agree to supplement such benefit payments with available vacation and/or paid sick leave.

Benefit accrual, such as vacation, paid sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the AIMS with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact the Human Resources Department.

UNPAID LEAVE OF ABSENCE (MEDICAL)

In an effort to comply with its duty to accommodate employees with qualifying disabilities, AIMS will provide leaves of absence without pay when an employee is temporarily unable to work due to a mental or physical disability, certified in writing by his or her health care provider, unless such leave would cause an undue hardship to AIMS. Approved absences of less than two weeks are not treated as medical leaves of absences but rather as excused absences without pay. Employees granted unpaid medical leave have no right to guaranteed reinstatement.

Benefit accrual, such as vacation, paid sick leave, and holiday benefits, will be suspended during an unpaid medical leave period and will resume upon return to active employment. Unless otherwise required by law, AIMS does not continue to pay premiums for health insurance coverage for employees on unpaid medical leave. However, if eligible, you may self-pay the premiums under the provisions of COBRA.

DISCRETIONARY UNPAID LEAVE OF ABSENCE (NON-MEDICAL)

AIMS may grant a discretionary leave of absence to employees in certain unusual circumstances. It is important to request any leave in writing as far in advance as possible, to keep in touch with your supervisor during your leave, and to give prompt notice if there is any change in your return date. If your leave expires and you have not contacted your supervisor or AIMS, AIMS will assume that you do not plan to return and that you have voluntarily terminated your employment. Employees do not continue to accrue vacation, paid sick leave, or holiday benefits while they are on unpaid discretionary leaves of absence.

Unless otherwise required by law, AIMS does not continue to pay premiums for health insurance coverage for employees on discretionary unpaid leaves of absence. However, if eligible, you may self-pay the premiums under the provisions of COBRA.

MILITARY LEAVE

All employees who leave AIMS for active military service or military reserve duty will be placed on an unpaid military leave of absence. Employees are entitled to reinstatement upon completion of such military service or duty, provided an application for reinstatement is made within 90 days of discharge, or as otherwise provided by law.

You may use accrued vacation time during military leave. Time spent on military leave counts for purposes of determining "length of service." However, you will not accrue vacation or paid sick leave or receive holiday pay during military leave.

JURY DUTY/WITNESS DUTY

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their manager. Employees must report for work whenever the court schedule permits. Either AIMS or the employee may request an excuse from jury/witness duty if, in AIMS' judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any accrued vacation during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with AIMS, AIMS will provide time off with pay.

TIME OFF FOR VOTING

AIMS encourages its employees to fulfill their civic responsibilities by participating in elections. Because polls are open from 7:00 a.m. until 8:00 p.m., employees generally are able to find time to vote either before or after their regular work schedule. If employees are unable to vote in an election during their non-working hours and have not requested an absentee ballot, then AIMS will grant up to two hours of paid time off to vote.

Employees must request time off to vote from their supervisor at least two working days prior to the election day. Advance notice is required so that the necessary time off can be scheduled at the beginning or end of the work shift, whichever provides the least disruption to the normal work schedule.

Employees must submit a voter's receipt on the first working day following the election to qualify for paid time off.

EMERGENCY DUTY/TRAINING LEAVE

In California, no employee shall receive discipline for taking time off to perform emergency duty/training as a volunteer firefighter, reserve peace officer, or emergency rescue personnel. If you are participating in this kind of emergency duty/training, please alert your supervisor so that he or she may be aware of the fact that you may have to take unpaid time off for emergency duty/training. In the event that you need to take time off for emergency duty/training, please alert your supervisor before doing so whenever possible. Time off for emergency training may not exceed 14 days per calendar year.

Emergency Duty/Training Leave is unpaid. You may choose to use your accrued vacation if you wish to receive compensation for this time off, but you are not required to do so.

If you feel you have been treated unfairly as a result of taking or requesting Emergency Duty/Training Leave, you should contact your supervisor or any other manager, as appropriate.

SUSPENDED PUPIL/CHILD LEAVE

California law requires employers to provide time off for parents required to visit a child's school when the child has served a period of suspension from school. To be eligible for time off to attend a child's school, the employee must be the parent of a child in kindergarten or in grades 1-12 and must present the school's letter, which requests the employee's appearance at the school, to his or her supervisor at least two days before the requested time off. Employees may use accrued vacation while attending a child's school under these circumstances. If not, suspended pupil/child leave will be unpaid.

LEAVE FOR CRIME VICTIMS AND THEIR FAMILY MEMBERS

If you are the victim-or an immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, stepparent, or the child of a registered domestic partner) of the victim-of a violent felony, serious felony (as defined by the California Penal Code), or felonies related to theft or embezzlement, you are permitted to be absent from work to attend judicial proceedings related to the crime.

You must provide your supervisor with written notification for each scheduled proceeding, unless advance notice is not possible. This time off is unpaid. You may choose to use your accrued vacation, but this is not required.

MILITARY SPOUSE LEAVE

Qualified employees are eligible for up to 10 days of unpaid leave when their spouse or registered domestic partner is on leave from military deployment. A qualified employee is one who regularly works more than 20 hours per week and whose spouse or registered domestic partner is a member of the Armed Forces, National Guard, or Reserves and is on leave from deployment during a period of military conflict.

If you are eligible for such leave, please submit a written request for leave to the Human Resources Department within two business days of receiving official notice that your spouse or registered domestic partner will be on leave from deployment. You will also be required to provide written documentation certifying that your spouse or registered domestic partner will be on leave from deployment.

Non-exempt employees must use accrued vacation time in order to receive compensation for this time off. If no vacation time is available, the employee may take this time off without pay. An exempt employee is required to charge any absence of four or more hours under this policy to his or her vacation bank, if any. Otherwise, exempt employees will be compensated to the extent required by applicable law.

SCHOOL AND DAYCARE LEAVE

If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed day care facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility. You may take no more than eight hours off for this purpose in any one calendar month. You should schedule this time off with your supervisor in advance. You may be asked to provide documentation from the school or daycare facility that you participated in the activity on the specific date and at the specific time that you took the leave. This time off is unpaid. You may choose to use your accrued vacation, but this is not required.

LEAVE FOR DOMESTIC VIOLENCE, SEXUAL ASSAULT, AND STALKING VICTIMS

If you are a victim of domestic violence, sexual assault, or stalking, you may take unpaid time off to help ensure the health, safety, or welfare of you and/or that of your child. Specifically, you may take such leave for the following reasons:

1. To obtain a temporary or permanent restraining order or other court assistance;
2. To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking;
3. To obtain services from a shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking;
4. To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking; or
5. To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

If you need to take time off for any of the above reasons, you should notify your supervisor in advance, if possible. If your absence is unscheduled, you may be asked to provide documentation, such as a police report, court order, or other evidence that you appeared in court, or documentation from a counselor or domestic violence advocate. Although this leave is unpaid, you may use your accrued vacation or paid sick leave, as appropriate, if you wish to receive compensation for this time off.

You may also take unpaid time off to recover from domestic violence, sexual assault, or stalking pursuant to AIMS' family and medical leave policy.

AIMS does not tolerate any acts of discrimination, harassment, or retaliation against employees who are victims of domestic violence, sexual assault, or stalking. If you believe you have been the victim of any such act, please contact your supervisor, Human Resources, or any manager, as appropriate. AIMS will maintain the confidentiality of requests for time off due to domestic violence, sexual assault, or stalking to the extent possible and as allowed by law.

ADULT LITERACY LEAVE

Pursuant to California law, AIMS will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on AIMS. AIMS does not provide paid time off for participation in an adult literacy education. However, you may utilize accrued vacation if you want compensation

for this time off. If you do not have accrued vacation available, you will be permitted to take the time off without pay.

ALCOHOL AND DRUG REHABILITATION LEAVE

Pursuant to California law, AIMS will reasonably accommodate any eligible employee who wishes to voluntarily enter and participate in an alcohol or drug rehabilitation program, provided that the accommodation does not impose an undue hardship on AIMS. AIMS does not provide paid time off for participation in an alcohol or drug rehabilitation program. However, you may utilize accrued vacation if you want compensation for this time off. If you do not have accrued vacation available, you will be permitted to take the time off without pay.

This policy in no way restricts AIMS' right to discipline an employee, up to and including termination of employment, for violation of AIMS' Drug and Alcohol Abuse Policy.

CIVIL AIR PATROL LEAVE

Pursuant to California law, AIMS will provide unpaid leave to employees who are volunteer members of the California Wing of the Civil Air Patrol and who have been duly directed and authorized to respond to an emergency operational mission of the California Wing of the Civil Air Patrol. Employees must be employed for at least 90 days immediately preceding the commencement of leave in order to be eligible.

Employees are required to give AIMS as much notice as possible of the intended dates upon which the leave would begin and end. AIMS will restore the employee to the position he or she held when the leave began or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment, unless the employee is not restored because of conditions unrelated to the exercise of the leave rights by the employee. The time off is unpaid. However, an employee may utilize accrued vacation.

LEAVE FOR BONE MARROW AND ORGAN DONORS

Pursuant to California law, AIMS will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person; the AIMS will also provide up to 30 business days of paid leave within a one-year period to an employee who donates an organ to another person. The AIMS requires that bone marrow donors use up to five days of available accrued sick or vacation time during the course of the leave. Organ donors must use up to ten days of available accrued paid sick leave or vacation time during the course of the leave.

To qualify for this leave, an employee must have been employed for at least 90 days prior to the commencement of the leave and must provide the AIMS with written verification of his or her status as an organ or bone marrow donor and the medical necessity for the donation. During such

leave, the AIMS will continue coverage under its group medical insurance plan, if applicable. However, employees must continue to pay their portion of the applicable premiums. Employees should give the AIMS as much notice as possible of the intended dates upon which the leave would begin and end.

SECTION 7: BENEFITS

STATE DISABILITY INSURANCE

AIMS contributes to the State of California to provide you with State Disability Insurance (“SDI”) pursuant to the California Unemployment Insurance Code. Contributions are made through a payroll deduction. SDI is payable when you cannot work because of illness or injury not caused by employment with AIMS or when you are entitled to temporary workers’ compensation at a rate less than the daily disability benefit amount. Specific rules and regulations governing disability are available from Human Resources.

PAID FAMILY LEAVE

Under California law, eligible employees may participate in the Paid Family Leave (“PFL”) program, which is part of the state’s unemployment compensation disability insurance program. The PFL program provides up to six weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child. The PFL program does not provide job protection or reinstatement rights.

AIMS will require you to take up to two weeks of accrued but unused vacation prior to your receipt of benefits under the PFL program.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

UNEMPLOYMENT COMPENSATION

AIMS contributes a significant amount of money each year to the California Unemployment Insurance Fund on behalf of its employees. Under certain circumstances, you may be eligible for unemployment insurance benefits.

SOCIAL SECURITY AND CALIFORNIA PUBLIC EMPLOYEES RETIREMENT SYSTEM

Social Security is an important part of every credentialed employee's retirement benefit. AIMS pays a matching contribution to each employee's Social Security taxes. (Employees who have participated in STRS elsewhere do not lose credits previously earned, but will not earn added service credit while at AIMS.) In addition, non-credentialed employees are enrolled in CalPERS in lieu of social security. AIMS makes matching contributions to each eligible employee's account with PERS.

WORKERS' COMPENSATION INSURANCE AND LEAVE

At no cost to you, you are protected by the AIMS workers' compensation insurance policy while employed by AIMS. This policy covers you in case of occupational injury or illness.

The workers' compensation benefits provided to injured employees may include: (1) medical care, (2) cash benefits tax free to replace lost wages, (3) vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure that the employee receives all workers' compensation benefits to which he or she may be entitled, you will need to: (1) immediately report any work-related injury to the Site Administrator, (2) seek medical treatment and follow-up care if required, (3) complete a written Employee's Claim form and return it to the Site Administrator, and (4) provide the school with medical certification from your health care provider regarding the need for workers' compensation disability leave and your ability to return to work from the leave.

Under most circumstances, upon submission of a medical certification that an employee is able to return to work from workers' compensation leave; the employee will be reinstated to his or her same position held at the time the leave began or to an equivalent position if available. An employee returning from a workers' compensation leave has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. If the employee's same position is not available upon the employee's return to work, an employee's returning to work will depend on job openings existing at the time of his or her scheduled return.

Any person who makes or causes to be made any knowingly false or fraudulent material statement or material misrepresentation for the purpose of obtaining or denying workers' compensation benefits or payments is guilty of a felony. The law requires that AIM Schools notify its workers' compensation carrier of any concerns of false or fraudulent claims.

HEALTH BENEFITS

AIM Schools will provide access to health, life insurance, dental, and vision benefits for full-time employees. The employee benefits cost will be deducted from their payroll if applicable.

The health insurance anniversary date is set by the insurance carrier; please contact the office for the enrollment and anniversary dates. Current employees will only be able to receive benefits on this anniversary date if they do not have them already. For employees who decide not to receive health benefits, the next time the employee will be able to apply for health benefits will be on the anniversary date.

Spouses or dependents of the employee may be eligible to enroll in the health insurance plan pursuant to the specific terms and conditions of the plan, which ultimately govern all aspects of the employee's eligibility for and participation in the plan.

PAYMENT IN LIEU OF HEALTH BENEFITS

An employee may voluntarily elect to waive participations in the American Indian Model School's health benefit program. In order to elect to waive health benefits, an employee must be enrolled in alternate employment-based health coverage elsewhere, provided this coverage is not a pre-existing condition plan, high risk pool or insurance exchange. Those electing to waive medical benefits will receive a payment in lieu of these benefits.

An employee has only one opportunity per calendar year to voluntarily change his/her health benefit status. That is, if an employee chooses to waive his/her benefits for a school year, he/she may only re-enter the program, during the open enrollment period, for the following school year unless there is a change in status (e.g. marriage, divorce, birth of child, etc.). Health benefits refer to medical coverage and all riders attached to the policy, e.g., dental, vision and prescription plans. There is no payment in lieu of separately offered life, vision, dental programs.

Our insurance company requires us to provide proof of eligibility beyond the "employee only" level of coverage for new enrollees. Acceptable documents are copies of birth certificates, marriage licenses, adoption papers, and divorce decrees.

In lieu reimbursement equals \$1,000, paid in 10 disbursements of \$100 for 10-month employees or quarterly disbursements of \$250 for 12-month employees.

Statement Acknowledging Requirement to Report Suspected Child Abuse

Students are interested in their education and helping keep the focus on that main goal. With the instructions of their teacher, they choose to behave appropriately in those situations and others. The following is a list of consequences for poor behavior
