

CVS/Caremark provides plan specific websites to review your pharmacy plan, find a pharmacy and compare prices before your plan is effective. Once your plan is effective, please register at [Caremark.com](http://Caremark.com) to download the mobile app. Benefits of the mobile app include copies of ID card, pharmacy locator and cost comparison at your fingertips.

**CVS/Caremark Pharmacy Links for Questions During Open Enrollment or Call 888-964-0090.**

All of the links listed are also available on the MPR Website at [mprisk.org](http://mprisk.org) under Health Benefits and at MPRBenefits.com under the Resources Tab.

Remember to register for [Caremark.com](http://Caremark.com) once you get your new ID card.

You will be able to use [Caremark.com](http://Caremark.com) for all your pharmacy needs after July 1, 2020.
