

Calgary Counselling Centre: **commUNITY Tile Campaign**

Mental health impacts all of us in some way. Chances are, someone you know – a friend, a neighbour, a co-worker, a family member or perhaps even yourself is experiencing a mental health issue or has experienced one in the past. **But what can you do to help?**

Calgary Counselling Centre is committed to providing mental health counselling, barrier-free to everyone who needs the help. We operate with no wait list and on a sliding fee scale providing financial subsidies to those who would otherwise not be able to afford services. Due to the growing need for mental health services, Calgary Counselling Centre moved to the Kahanoff Centre for Charitable Activities in Fall 2016.

Your support is extremely important! By making a donation of \$125 to our commUNITY Tile Campaign you will support expanding mental health services to our community. A vinyl tile with your name on it will be displayed on our commUNITY Tile wall, located in the Centre and a charitable tax receipt for \$100.00 will be issued.

example:

Together, with your commitment we will ensure children, youth, individuals, couples and families receive the mental health services they need.
