SDGBI (Sustainable Development Goals Business Index SDGBI) is the world's first SDGs-based management evaluation index, a socially credible global ESG management evaluation indicator, which was also introduced as a 'SDGs Best Practice' on the United Nations Economic and Social Commission for Asia and the Pacific (UN ESCAP) 'SDG HELP DESK'. In addition, this is a sustainable management business evaluation index adopted by the United Nations High-level Political Forum on Sustainable Development (HLPF) 2019 as official statement (E/2019/NGO/91).
