

Visitor Nondisclosure Agreement

During the course of your visit to this Amazon.com facility, you may receive information that is not known to the general public (“Confidential Information”) relating to Amazon.com, Inc. and/or an entity that controls, is controlled by or is under common control with such company (collectively, “Amazon.com”). Confidential Information may concern, among other things, Amazon.com’s technology, facilities, assets, systems, customers, vendors, business plans, finances and other information, which should be reasonably considered as confidential. Confidential Information may be contained in tangible materials such as drawings, data, specifications, reports and computer programs, or may be in the nature of unwritten knowledge. As a growing, high technology company, Amazon.com must protect Confidential Information against unauthorized use and disclosure.

In consideration of Amazon.com’s willingness to allow you to visit its facilities, you agree (i) all Confidential Information will remain Amazon.com’s exclusive property, (ii) you will not use Confidential Information for any purpose whatsoever, (iii) you will not disclose Confidential Information to any individual, company or other third party, (iv) you will restrict the possession, knowledge and use of Confidential Information to those employees and subcontractors who have a need to know the specific Confidential Information and you will ensure compliance on the part of these parties with this agreement, (v) you will notify Amazon.com immediately upon discovery of any unauthorized use or disclosure of Confidential Information or any other breach of this agreement, and (vi) upon Amazon.com’s request, you will deliver to Amazon.com all materials containing Confidential Information and, at our option, provide Amazon.com with a written certification of compliance. You also agree that you will not disclose any information to Amazon.com that is confidential or proprietary to you or any other person or company. Your obligation to comply with this agreement will continue for five (5) years from the execution date below.

If a provision of this agreement is held invalid under any applicable law, such invalidity will not affect any other provision of this agreement that can be given effect without the invalid provision. Further, all terms and conditions of this agreement will be deemed enforceable to the fullest extent permissible under applicable law, and, when necessary, the court is requested to reform any and all terms or conditions to give them such effect.

Amazon.com is relying upon your promise to comply strictly with this agreement. Any violation of this agreement may cause substantial and irreparable harm to Amazon.com. Accordingly, without limiting any other available remedies, this agreement is specifically enforceable by Amazon.com. This agreement will be construed in accordance with the internal laws of the State of Washington.

Any failure by Amazon.com to enforce your strict performance of any provision of this agreement will not constitute a waiver of the Amazon.com’s right to subsequently enforce such provision or any other provision of this agreement.
