

LENT 2021

"Giving up Lent for Lent"

"You hate nothing you have made
and forgive the sins of all who are penitent."

"Remember that you are dust,
and to dust you shall return."

"It is right to praise you, Almighty God,
for the acts of love by which you have redeemed us
through your Son Jesus Christ our Lord."

"I give you a new commandment:
Love one another as I have loved you."

"Blessed be our God. Amen."

"By this shall the world know that you are my disciples: That you have love for one another."

Why are we giving up Lent for Lent?

Over the past year we have been forced to give up much. The losses experienced during the pandemic have impacted nearly every aspect of our lives. Therefore, this Lent we are, "Giving up Lent for Lent." Instead of inviting you to give something up for Lent, you are encouraged to add something into your life that will help you grow closer to God and others. Join us this Lent as we seek to continue to enhance our worship experiences and engage in meaningful formation and fellowship opportunities. You are also encouraged to seek out new ways to serve those in need. As we are reminded in Matthew's Gospel, "Seek first the Kingdom of God."

Ash Wednesday Service

February 17, 6:00 PM

Ash Wednesday marks the beginning of Lent, a 40 day season (not counting Sundays) marked by repentance, fasting, and reflection. The 40-day period represents the time of temptation Jesus experienced in the wilderness before his ministry began.

This Ash Wednesday, following Diocesan guidelines and physical distancing measures, a member of the clergy is unable to impose ashes on your forehead. However, in the Lent-to-Go bag you will find a small

container of blessed ashes that can be used to mark your own forehead and others in your home. Included in your Lent-to-Go bag are also prayers that you can say before, during, and after you place ashes on the forehead. *During the 6:00 PM online Ash Wednesday Service there will be a time that you can impose ashes on yourself.* Links to watch the online service and download the bulletin will be on the our homepage www.stmikeschurch.com.

United Thank Offering (UTO) Boxes are Back!

The United Thank Offering (UTO) is a ministry of the Episcopal Church for the mission of the whole church.

Through UTO, individuals are invited to embrace and deepen a personal daily spiritual discipline of gratitude. UTO encourages people to notice the good things that happen each day, give thanks to God for those blessings, and make an offering for each blessing using a UTO Blue Box.

Some of the things that UTO funds include: kitchen equipment for homeless shelters, handicap access in church and service buildings, a school in the Dominican Republic, family counseling, a dental clinic for the poor, after-school programs, a library for a seminary in Africa, and playgrounds for child-care centers. Put some coins or dollars into a UTO Blue Box with thanksgiving, prayer, and generosity, or set aside an offering reminder for later so we can take blessings out to expand the church's faithfulness to God's mission. If adding a check to your UTO Blue Box, please make it out to St. Michael's putting UTO in the memo line. More information can be found on their website at www.unitedthankoffering.com.

UTO Boxes were included in your Lent-to-Go Bag. They can be filled with coins and/or bills. Collection Date: Pentecost, May 23.

Ministry Updates

New Ministry: Newcomer Shepherds Needed

Even with the pandemic, St. Michael's is growing. We are a warm and welcoming community and we want to share that with others that are seeking a spiritual home. Since we are meeting online, it is more difficult to recognize a new person. We are building an intentional system to help people connect to each other and the parish. We are in need volunteers to help Linda Kean connect newcomers to each other and our parish. The Shepherd Program will help with this need. We are looking for a group of people with special gifts of hospitality. Each "Shepherd" will be assigned to new individuals or families. The shepherds' duties will be welcoming and getting to know their assigned newcomers through phone calls, emails, and when it is allowed, coffee or lunch dates. This gives an extra level of welcome beyond the first welcoming email. If you are interested in becoming a Shepherd, please contact Linda Kean, Newcomer Ministry Coordinator, at linda@stmikeschurch.com.

St. Michael's Daughters of the King (DOK)

St. Catherine of Sienna Chapter

The St. Catherine of Siena Order of the Daughters of the King, church of St. Michael the Archangel, is part of an International Lay Order of women who dedicate themselves to living a life of prayer and service to their church and the community. We pray daily for our church, our leaders, those ill in body or spirit, those travelling, and all concerns that are shared with us. In addition to our prayer ministry, our members assist with several outreach ministries throughout the year including IHN (providing toiletries for our guests as well as providing one of the suppers), Lord's Dinner, a blanket ministry, and a card ministry where we send monthly handwritten cards to the homebound of our parish. We meet at 9:00 AM on the third Saturday of the month (virtually while under COVID19 restrictions).

Daughters of the King St. Michael's is warm and welcoming organization. We would love to talk with you about your interest in DOK.

Please contact Cindy Carr 713-449-2657 or Gael Phaneuf 719-433-4353.

For strictly confidential prayer needs, please go to St Michael's website

www.stmikeschurch.com and click on the link MINISTRIES found at the top. Scroll down and click on DAUGHTERS OF THE KING. You will be taken to an online prayer request form. Please complete the form describing your need. Your St. Michael's Daughters of the King members will receive your request and pray confidentially for your need for one month.

Candles for the Lord's Dinner

Mabel Turner makes amazing things happen for those living outside. She takes pieces of candles, all sorts of new, used, or broken candles you can think of, and turns them into new and incredibly valuable candles for the homeless and those living outside. These candles are given out at the The Lord's Dinner every month. With the invasion of Covid, St. Michael's is meeting new needs and is now preparing and serving both the meal and Give-Away for all 12 months of the year (up from our normal 8 months out of the year). To make these candles, Mabel needs 2 important supplies - coffee cans in the 13 oz size and candle wax. The large size metal vegetable cans that you can buy at the Dollar Store will work too. We have a tub outside the church office door where you can drop your donations of these items any time. Our guests are so excited to receive a candle that you would think they just won a prize. We just can't let Mabel and these people down, so please drop off your donations! P.S. You didn't hear it from me, but Mabel is gearing up to go dumpster diving at Bath and Body Works if we don't get enough wax!

The Lord's Dinner In the park-ing lot!

We are so thankful for the financial and spiritual support of our parish as we "pivoted" into still serving those on the West Side of Colorado Springs with a full and healthy "Dinner in a Bag" and Give-Away Bag on the 2nd Sunday of every month! We are thankful to now be back at Sacred Heart although we are continuing to pivot by staying outside in the parking lot. In addition to a warm meal St. Michael's provides essentials; toiletries, socks, gloves, masks, and candles to provide warmth and hope. The guests that

come are often amazed that anyone is still thinking about them, much less sharing with them and coming to them with love and joy. If you would like to help prepare meals or are able to donate your time, contact Diane Verlinde via email: dverlinde_2006@gmail.com.

40 Days of Giving This Lent at St. Michael's

St. Michael's Outreach Committee has prepared a list of 40 items our partners need to help serve those in

need. To help out you will need an empty box. Each day of Lent we encourage you to add one item from the list to your box. At the end of the 40 days of Lent, you can drop off your box to St. Michael's and we will deliver them to our Outreach Partners. For the 40 Days of Giving list to our website to download and print: www.stmikeschurch.com/lent

Around the Church ...

Welcome Elise Jenkins

We are delighted to welcome our new full-time Office Manager, Elise Jenkins. After an extensive search with candidates applying from as far away as California, Elise comes to St. Michael's with many gifts that will be an asset to our parish. Her extensive background in administration, project management, and production will be put to good use as we continue to live, learn, and love beyond our walls. Welcome Elise!

Welcome back Fr. Paul Lautenschlager

As we enter a season of transition and begin the search process for a new Associate Rector, Rev. Matt is excited to welcome Fr. Paul Lautenschlager back to St. Michael's. Paul has served churches in Pennsylvania, Missouri, Illinois, and Colorado. Before retiring Paul was the Rector of St. Michael's from 2001 to 2012. Since his retirement Paul has been serving as a supply priest and short term interim in 12 churches across the region and through the Diocese of Colorado. Paul will be helping on Sundays periodically over the coming months.

A Musical Note or Two

Our deepest thanks to Joe Galema who has so ably served us as substitute organist since the beginning of January. His musical skills are beyond compare, and he has made a powerful contribution to our Sunday worship services! In this season of reflection and penitence, the musicians at St. Michael's will lead us through the forty days of Lent and into Holy Week through music. You will experience the journey through the Virtual Choir, as well as with small ensemble groups of singers and instrumentalists. We are fortunate to have so many talented people at St.

Michael's. Stay tuned for some meaningful surprises from them! Please contact Linda Page for any further information at lindajpage@comcast.net or 719-651-5199

Thank you Linda Page

During this season of transition Linda Page has stepped in as our Interim Music Coordinator and has skillfully juggled a lot of moving pieces. Next time you see Linda, please thank her for the countless hours she has been contributing to help our music program continue to thrive during this time.

Around the Church ...

Welcome Canon Greg Foraker Sunday, February 14, 10:00 AM

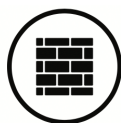

Join us for Virtual Coffee Hour on Sunday, February 14 as we welcome The Rev. Canon Greg Foraker to St. Michael's. Greg is the Canon of Formation for the Diocese of Colorado. He is responsible for providing resources and implementing ministries and programs that effectively equip church leaders for the work of evangelism, faith formation, and discipleship for people of all ages. Join us for this special Coffee Hour as Canon Greg helps St. Michael's prepare for Lent.

New AVL (Audio-Video-Lighting) System is installed!

During the summer of 2020 St. Michael's embarked on an ambitious project to install a new state-of-the-art AVL System inside the church. In less than a month we raised over \$75,000 from over 120 families. It was amazing to see how quickly our community came together to fund this critical project to help us stay connected beyond our walls. Unfortunately, the pandemic slowed the production of several necessary pieces of equipment and the waiting game began. After months of waiting, the new system was finally installed and on January 10, 2021 we used the new AVL system for the first time. The results were stunning and the feedback was tremendous. Over the past several weeks we've been training new volunteers to operate the equipment and we've been working hard to enhance your worship experience. Thank you to all who have helped to make this project a success and come to fruition. You are appreciated! See you online.

Clergy Corner

From Deacon Gary Darress

It's hard to believe I've arrived St. Michael's almost six months ago. I can honestly say that I have been blessed by God for leading me to St. Michael's. This is a community that is open, welcoming, and loving. It's clear to me that as a community of sisters and brothers, St. Michael's has not been afraid to listen to God's call during a global pandemic. It's been inspiring to see how we've moved forward in faith even when it hasn't been easy.

Like Matt, I did not think or envision that my new ministry would start during a global pandemic. My thought for 2020 was that I would have a clear vision of what God was calling me to do when I retired from the police department and became ordained in June to the diaconate. I mean, I was starting a new chapter in my life in 2020, right 20/20 vision, perfect vision moving forward. It was clear to me I would have a clear vision and smooth sailing from here on out. That was not the case, and the same for everyone with the individual plans and goals we each had for 2020. And if I'm honest, 2021 hasn't really started out that great either.

I know in 2021, we will also face challenges and even loss. I know that we will also have many great and rewarding times as we experienced in 2020. I know this because I saw, as all of you did, what this community of sisters and brothers did in 2020 to bring glory and praise to God beyond the physical wall of St. Michael's. I also know this because we will continue to support each other; hold each other up in prayer during tough times and in good times. I know we will continue to listen to and follow God. We will follow God, where he leads us for his glory and praise, to a broken world. We are a community of sisters and brothers shining a bright light for others to follow.

Peace and Good,
Deacon Gary

From The Rev. Judi Sato

Dear St. Michael's,
Thank you so much for a fabulous retirement send-off. It was overwhelming!! From the altar flowers, the powerful music, the lovely compliments, to the generous gifts - I will never forget that day. I have already dug into those hiking books and Rod and I took **2Sticks** on our first hike to Ute Valley Park (see pic) the other day - it was a perfect start to retirement! Continue making St. Mike's the best place to worship in Colorado Springs (if not Colorado)! See you in a few...

God Bless,

Judi

Thank you

Christmas Light Festival Volunteers

St. Michael's inaugural Christmas Light Festival welcomed over 900 guests to enjoy over 60,000 Christmas lights. It was a massive undertaking that we couldn't have done with our dedicated volunteers and all the donations of lights. We also managed to collect over 300 stuffed animals and hundreds of pounds of food for those in our community. We are currently organizing a planning team for next Christmas. If you are interested contact Elise at elise@stmikeschurch.com

Electronic Recycling

Thank you Joe Hattick for organizing the e-cycling event at St. Michael's in January. As a community we kept a full truckload of electronics out of a landfill. Thank you for all those who dropped off old, broken, and very outdated electronics.

Meal Trains

Over the last several months we have created several meals trains for families in our community. Thank you to all our volunteers who have lovingly prepared a meal. If you find yourself in need of a short-term meal train please contact the church office contact@stmikeschurch.com. Remember, when you ask for help - it is a sign of strength not weakness. We have many in our community who are able and eager to help in times of need.

Children & Family Ministry

SundaySchool@Home

Five Minute Lessons for Life

Each week, we release a new short video on a faith topic that supports parents and children having a conversation about some aspect of faith. Parents, this is a help because you have nothing to prepare and can watch the videos at any time. There are questions at the end for kids and adults. The goal is to make it as easy as possible in our locked down time to provide you support in continuing your children's faith journey.

Parent Social Gatherings

As the weather starts to get nicer, keep an eye out for in-person physical distanced gatherings for parents at St. Michael's. We've been meeting on Zoom for the past several months and are grateful to our organizers, Ruth Morrison and Liz Valko. Interested in getting involved? Email support@stmikeschurch.com and we will get you in touch with Ruth & Liz. See you soon!

Invite friends and we will see you online!

During Lent we will be using the "Journey Bag" for Children's Chapel. Make sure your family picks up a Lent-to-Go Bag and we will see you on Sunday mornings!

Parish Thank You Note

Losing your child is a traumatic event. Thanks to you, our St. Michael's family, we will make it through this life changing circumstance, our loss of Kylie. Your support for us through cards, letters, and most of all, prayers, have comforted us. We have seen God in your compassion. A friend sent me a poem of Kylie's First Christmas in Heaven. I'd like to share a stanza of it:

*Please love and keep each other, as my
Father said to do,
I can't count the blessings or love He has for
each of you,
So have a Merry Christmas and wipe away
that tear.
Remember, I'm spending Christmas with
Jesus Christ this year.*

God Bless All of You,
