What is Blueprint 15?
Blueprint 15 is a not-for-profit organization with a bold vision for the East Adams Street neighborhood. We want to create an environment where individuals and families (especially children) can thrive, have hope for a successful future, and better the world around them.

Community Initiatives

Quality Mixed Income Housing
Cradle-to-College Education
Enriching Health & Wellness Programs

Our Mission
The mission of Blueprint 15 is to work with community residents, local leaders and other partners to revitalize the East Adams Street neighborhood and create the conditions necessary so that every person has a genuine opportunity to achieve their highest potential.
Purpose Built Communities

Blueprint 15 follows the Purpose Built Communities model, which has been put into effect in 22 communities across the country. This model is driven by a committed local organization known as the “Community Quarterback.”

In this role, Blueprint 15 will:

- Lead the revitalization initiative to make sure the housing, education, and community wellness components have long-term success
- Ensure neighborhood residents are heard, included, and assisted
- Serve as a point of accountability for all partners and funders

Our Partners Include:
