Apply to Vote By Mail
In Pennsylvania, you now have two options for mail ballots. You may either choose a mail-in ballot or an absentee ballot to request, complete, and return to your county election office.

Voting Made Easier in 2020
Most voters in Pennsylvania go to a polling place near where they live to vote. There are also ways to vote for people who will be away from home on Election Day. Visit www.votespa.com/Voting-in-PA/Pages/default.aspx for more information.
