INTRODUCTION

Effective July 1, 2019, Teachers Health Trust, hereinafter referred to as THT, reinstates the benefits, rights and privileges which will pertain to participating Employees, referred to as “Participants,” and the eligible Dependents of such Participants, as defined, and which benefits are provided through a fund established by THT and referred to as the “Plan.” This booklet describes the Plan in effect as of July 1, 2019.

Coverage provided under this Plan for Employees and their Dependents will be in accordance with the Eligibility, Effective Date, Qualified Medical Child Support Order, Termination, Family and Medical Leave Act and other applicable provisions as stated in this Plan.

Teachers Health Trust (the Plan Sponsor) has retained the services of an independent Plan Supervisor, experienced in claims processing, to handle health claims. The Plan Supervisor for the Plan is:

Allegiance Benefit Plan Management, Inc.
P.O. Box 3018
Missoula, MT 59806-3018

Please read this booklet carefully before incurring any medical expenses. For specific questions regarding coverage or benefits, please refer to the Plan Document which is available for review in the Personnel Office, at the office of the Plan Supervisor, or call or write to Allegiance Benefit Plan Management, Inc. regarding any detailed questions concerning the Plan.

This Plan is not intended to, and cannot be used as workers compensation coverage for any Employee or any covered Dependent of an Employee. Therefore, this Plan generally excludes claims related to any activity engaged in for wage or profit including, but not limited to, farming, ranching, part-time and seasonal activities. See Plan Exclusions for specific information. Please contact Human Resources if injury at work occurs for any Employee.

The information contained in this Plan Document/Summary Plan Description is only a general statement regarding FMLA, COBRA, USERRA, and QMCSO’s. It is not intended to be and should not be relied upon as complete legal information about those subjects. Covered Persons and Employers should consult their own legal counsel regarding these matters.

Pre-certification or Pre-treatment Review by the Plan is strongly recommended for certain services. If Pre-certification or Pre-treatment Review is not obtained, the charge could be denied if the service, treatment or supply is not found to be Medically Necessary or found to be otherwise excluded by the Plan when the claim is submitted. See Hospital Admission Certification and Pre-Treatment Review for further details.
NETWORK PROVIDER BENEFIT

This Plan provides benefits through a group of contracted providers (Network Provider). Tier 1 includes the THT Network (preferred network in Clark County) and Tier 2 includes the Cigna Open Access Plus (OAP) Network (preferred network outside Clark County). A “Network Provider” means a provider that agrees to provide services as part of an agreement. Using Network Providers offers cost-saving advantages because a Covered Person pays only a percentage of the scheduled fee for services provided.

Non-Network Provider means a provider who is not a Network Provider. There is no benefit for Non-Network Provider Services other than for Emergency Room Services which are payable the same as Tier 1.

To determine if a provider qualifies as a Network Provider under this Plan, please consult Allegiance’s website at www.askallegiance.com/THT to access links for directories of Network Providers.

NON-NETWORK BENEFIT EXCEPTION

When a covered service is rendered by a Non-Network Provider, charges will be paid as if the service were rendered by a Network Provider, according to the facility or clinic used, under any of the following circumstances:

1. Charges for an Emergency, as defined by this Plan, limited to only those emergency medical procedures necessary to treat and stabilize an eligible Injury or Illness and then only to the extent that the same are necessary in order for the Covered Person to be transported, at the earliest medically appropriate time to a Network Hospital, clinic or other facility, or discharged.

2. Charges which are incurred as a result of and related to confinement in or use of a Network Hospital, clinic or other facility only for Non-Network services and providers over whom or which the Covered Person does not have any choice in or ability to select. Benefits are payable according to the Network Hospital, clinic or other facility.

3. In the event there are no Tier 1 Providers in Clark County for Medically Necessary services and/or supplies, the Plan will pay a Tier 2 Provider at the Tier 1 benefit level.

TRANSITION OF CARE

Certain Eligible Expenses that would have been considered at the Network benefit level by the prior claims administrator but which are not considered at the Network benefit level by the current Plan Supervisor may be paid at the applicable Network benefit level if the Covered Person is currently under a treatment plan by a Physician who was a member of this Plan’s previous Network but who is not a member of the Plan’s current Network in the Employee or Dependent’s network area. In order to ensure continuity of care for certain medical conditions already under treatment, the Network medical plan benefit level may continue for ninety (90) days for conditions approved as transitional care. Examples of medical conditions appropriate for consideration for transitional care include, but are not limited to:

1. Cancer if under active treatment with chemotherapy and/or radiation therapy.

2. Organ transplant patients if under active treatment (seeing a Physician on a regular basis, on a transplant waiting list, ready at any time for transplant).

3. If the Covered Person is Inpatient in a Hospital on the effective date.

4. Post acute Injury or surgery with the past three (3) months.

5. Pregnancy in the second or third trimester and up to eight (8) weeks postpartum.
7. Receiving care for end-stage renal disease or dialysis.
8. Terminally ill, with anticipated life expectancy of six months or less.

To be eligible for this benefit, call the utilization management company at (855) 999-1050.

Routine procedures, treatment for stable chronic conditions, minor illnesses and elective surgical procedures will not be covered by transitional level benefits.

PHARMACY BENEFIT

Prescription drug charges are payable only through the Plan’s Pharmacy Benefit Manager (PBM) program, which program is sponsored in conjunction with and is an integral part of this Plan. Pharmacy Copayments do not serve to satisfy the Medical Benefits Annual Deductible. However, Pharmacy Copayments do apply toward the combined Out-of-Pocket Maximum for Medical Benefits and Pharmacy Benefits. The Pharmacy Benefit Manager (PBM) will provide separate information for details regarding Network pharmacies, Preferred drugs and Specialty Drugs upon enrollment for coverage under this Plan.

To determine coverage for medication, contact the PBM at (833) 360-5546.

2. They are Medically Necessary for the diagnosis and treatment of an Illness or Injury or they are specifically included as a benefit if not Medically Necessary; and

3. Charges do not exceed the Eligible Expense of the Plan; and

4. They are not excluded under any provision or section of this Plan.

Treatments, services or supplies excluded by this Plan may be reimbursable if such charges are approved by the Plan Administrator prior to beginning such treatment. DEDUCTIBLE

The Deductible is stated in the Schedule of Medical Benefits and applies to Eligible Expenses Incurred during each Benefit Period, unless specifically waived, but it applies only once for each Covered Person within a Benefit Period. Also, if members of a Family have satisfied individual Deductible amounts that collectively equal the Deductible per Family, as stated in the Schedule of Medical Benefits, during the same Benefit Period, no further Deductible will apply to any member of that Family during that Benefit Period. An individual Covered Person cannot receive credit toward the Family Deductible for more than the Individual Annual Deductible as stated in the Schedule of Medical Benefits.

BENEFIT PERCENTAGE

The Benefit Percentage is stated in the Schedule of Medical Benefits. The Plan will pay the Benefit Percentage of the Eligible Expense indicated.

COPAYMENT

These Copayments do not apply towards the Medical Benefits Deductible but do apply towards the Medical Benefits Out-of-Pocket Maximum and after the Out-of-Pocket Maximum is satisfied, Copayments will no longer apply for the remainder of the Benefit Period.
MAXIMUM BENEFIT

The amount payable by the Plan will not exceed any Maximum Benefit or Maximum Lifetime Benefit as stated in the Schedule of Medical Benefits, for any reason.

APPLICATION OF DEDUCTIBLE AND ORDER OF BENEFIT PAYMENT

Deductibles will be applied to Eligible Expenses Incurred in the chronological order in which they are adjudicated by the Plan. Pre-certification, Plan notification and case management are designed to:

1. Provide information regarding coverage before receiving treatment, services, or supplies;
2. Provide information about benefits regarding proposed procedures or alternate treatment plans;
3. Assist in determining out-of-pocket expenses and identify possible ways to reduce them;
4. Help avoid reductions in benefits which may occur if the services are not Medically Necessary or the setting is not appropriate; and
5. If appropriate, assign a case manager to work with the Covered Person and the Covered Person’s providers to design a treatment plan.

A benefit determination on a claim will be rendered only after the claim has been submitted to adjudicate whether it is eligible for coverage under the terms and conditions of the Plan. If it is determined not to be eligible, the Covered Person will be responsible to pay for all charges that are determined to be ineligible.

Therefore, although not required, pre-certification and Plan notification of Emergency admissions is strongly recommended to obtain coverage information prior to incurring the charges.

**PRE-ADMISSION CERTIFICATION REVIEW**

The Plan recommends that prior to admission for any non-emergency Illness or Injury, and within seventy-two (72) hours after admission for any Emergency Illness or Injury, the Covered Person or the Covered Person’s attending Physician call the designated utilization management company, retained by the Plan Sponsor in connection with this Plan, for a pre-admission certification review.

Most certifications occur over the phone. Once a final decision is made regarding the request for certification, a notice of pre-certification will be sent to the Physician, to the Covered Person, to the Plan Supervisor and to the hospital.

Charges for Inpatient hospital services for days in excess of any days previously certified by the cost containment company are subject to all terms, conditions and exclusions of the Plan, and should be certified by the Plan’s utilization management company.

Certification for additional days should be obtained in the same manner as the pre-admission certification.

EMERGENCY NOTIFICATION/CERTIFICATION

The Covered Person, or his or her representative, should notify the utilization management company for the Plan regarding any Emergency Hospital Admission within seventy-two (72) hours immediately following admission.

29. Fees charged by a provider to sterilize equipment or devices used in rendering services to a Covered Person.

COORDINATION OF BENEFITS

The Coordination of Benefits provision prevents the payment of benefits which exceed the Allowable Expense. It applies when the Participant or Dependent who is covered by this Plan is or may also be covered by any other plan(s). This Plan will always pay either its benefits in full or a reduced amount which, when added to the benefits payable by the other plan(s), will not exceed 100% of the Allowable Expense. Only the amount paid by this Plan will be charged against the Plan maximums.

In the event of a motor vehicle or premises accident; or an act of violence with the intent to disrupt electronic, communications, or any other business system, this Plan will be secondary to any auto “no fault” and traditional auto “fault” type contracts, homeowners, commercial general liability insurance and any other medical benefits coverage.

The Coordination of Benefits provision applies whether or not a claim is filed under the other plan or plans. If needed, authorization is hereby given this Plan to obtain information as to benefits or services available from the other plan or plans, or to recover overpayments.

All benefits contained in the Plan Document are subject to this provision.

DEFINITIONS

“Allowable Expense” as used herein means:

1. If the claim as applied to the primary plan is subject to a contracted or negotiated rate, Allowable Expense will be equal to that contracted or negotiated amount.

2. If the claim as applied to the primary plan is not subject to a contracted or negotiated rate, but the claim as applied to the secondary plan is subject to a contracted or negotiated rate, the Allowable Expense will be equal to that contracted or negotiated amount of the secondary plan.

3. If the claim as applied to the primary plan and the secondary plan is not subject to a contracted or negotiated rate, then the Allowable Expense will be equal to the secondary plan’s chosen limits for non-contracted providers.

“Plan” as used herein means any plan providing benefits or services for or by reason of medical, dental or vision treatment, and such benefits or services are provided by:

1. Group insurance or any other arrangement for coverage for Covered Persons in a group whether on an insured or uninsured basis including, but not limited to:
   A. Hospital indemnity benefits; and
   B. Hospital reimbursement-type plans which permit the Covered Person to elect indemnity at the time of claims; or

2. Hospital or medical service organizations on a group basis, group practice and other group pre-payment plans; or

3. Hospital or medical service organizations on an individual basis having a provision similar in effect to this provision; or

4. A licensed Health Maintenance Organization (HMO); or

5. Any coverage for students which is sponsored by, or provided through a school or other educational institution; or
6. Any coverage under a governmental program, and any coverage required or provided by any statute; or

7. Automobile insurance; or

8. Individual automobile insurance coverage on an automobile leased or owned by THT or any responsible third-party tortfeasor; or

9. Individual automobile insurance coverage based upon the principles of "No-Fault" coverage; or

10. Homeowner or premise liability insurance, individual or commercial.

“Plan” will be construed separately with respect to each policy, contract, or other arrangement for benefits or services, and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other plans into consideration in determining its benefits and that portion which does not.

ORDER OF BENEFIT DETERMINATION

1. **Non-Dependent/Dependent:**

   The plan that covers the person as other than a dependent, (e.g., as an employee, member, subscriber, retiree) is primary and the plan that covers the person as a dependent is secondary.

2. **Dependent Child Covered Under More Than One Plan:**

   Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:

   A. For a dependent child whose parents are married or are living together, whether or not they have ever been married:

      1) The plan of the parent whose birthday falls earlier in the calendar year is the primary plan; or
      2) If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.

   B. For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:

      1) If a court decree states that one of the parents is responsible for the dependent child’s health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s plan is the primary plan. This item shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision;
      2) If a court decree states that both parents are responsible for the dependent child’s health care expenses or health care coverage, the provisions of subparagraph A of this paragraph shall determine the order of benefit;
      3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph A of this paragraph shall determine the order of benefit;
4) If there is no court decree allocating responsibility for the child’s health care expenses or health care coverage, the order of benefits for the child are as follows:

a) The plan covering the custodial parent;
b) The plan covering the custodial parent’s spouse;
c) The plan covering the non-custodial parent; and then
d) The plan covering the non-custodial parent’s spouse.

C. For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under subparagraph a or b of this paragraph as if those individuals were parents of the child.

D. For a dependent child who has coverage under either or both parents’ plans and also has his or her own coverage as a dependent under a spouse’s plan, the rule in paragraph 5 applies.

E. In the event the dependent child’s coverage under the spouse’s plan began on the same date as the dependent child’s coverage under either or both parent’s plans, the order of benefits shall be determined by applying the birthday rule in subparagraph A to the dependent child’s parent(s) and the dependent’s spouse.

3. Active Employee or Retired or Laid-Off Employee

A. The plan that covers a person as an active employee that is an employee who is neither laid-off nor retired or as a dependent of an active employee is the primary plan. The plan covering that same person as a retired or laid-off employee or as a dependent of a retired or laid-off employee is the secondary plan.

B. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored.

C. This rule does not apply if the rule in paragraph 1 can determine the order of benefits.

4. COBRA or State Continuation Coverage:

A. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the primary plan and the plan covering the same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.

B. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.

C. This rule does not apply if the rule in paragraph 1 can determine the order of benefits.

5. Longer or Shorter Length of Coverage

A. If the preceding rules do not determine the order of benefits, the plan that covered the person for the longer period of time is the primary plan and the plan that covered person for the shorter period of time is the secondary plan.

B. To determine the length of time a person has been covered under a plan, two successive plans shall be treated as one if the covered person was eligible under the second plan within twenty-four (24) hours after coverage under the first plan ended.
C. The start of a new plan does not include:

1) A change in the amount or scope of a plan’s benefits;
2) A change in the entity that pays, provides or administers the plan’s benefits; or
3) A change from one type of plan to another, such as, from a single employer plan to a multiple employer plan.

D. The person’s length of time covered under a plan is measured from the person’s first date of coverage under that plan. If that date is not readily available for a group plan, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person’s coverage under the present plan has been in force.

6. If none of the preceding rules determines the order of benefits, the Allowable Expense shall be shared equally between the plans.

COORDINATION WITH MEDICARE

Medicare Part A, Part B and Part D will be considered a plan for the purposes of coordination of benefits. This Plan will coordinate benefits with Medicare whether or not the Covered Person is actually receiving Medicare Benefits. This means that this Plan will only pay the amount that Medicare would not have covered, even if the Covered Person does not elect to be covered under Medicare. Also, failure to enroll in Medicare Part B or Part D when a person is initially eligible may result in the person being assessed a significant surcharge by Medicare for late enrollment in Part B or Part D.

1. For Working Aged

A covered Employee who is eligible for Medicare Part A, Part B or Part D as a result of age may be covered under this Plan and be covered under Medicare, in which case this Plan will pay primary. A covered Employee, eligible for Medicare Part A, Part B or Part D as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

A covered Dependent, eligible for Medicare Part A, Part B or Part D as a result of age, of a covered Employee may also be covered under this Plan and be covered under Medicare, in which case this Plan again will pay primary. A covered Dependent, eligible for Medicare Part A, Part B or Part D as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

2. For Retired Persons

Medicare is primary and this Plan will be secondary for the covered Retiree if he/she is an individual who is enrolled in Medicare Part A, Part B or Part D as a result of age and retired.

Medicare is primary and this Plan will be secondary for the covered Retiree's Dependent spouse who is enrolled in Medicare Part A, B or D if both the covered Retiree and his/her covered Dependent spouse are enrolled in Medicare Part A, Part B or Part D as a result of age and retired.

Medicare is primary for the Retiree’s Dependent spouse when the Retiree is not enrolled for Medicare Part A, Part B or Part D as a result of age and the Retiree’s Dependent spouse is enrolled in Medicare Part A, Part B or Part D as a result of age.
3. **For Covered Persons who are Disabled**

For plans with fewer than 100 Employees, Medicare is primary and this Plan will be secondary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability.

For plans with 100 Employees or more, this Plan is primary and Medicare will be secondary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability, if the Employee is actively employed by THT.

For plans with 100 Employees or more, this Plan is secondary and Medicare will be primary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability if the Employee is retired or otherwise not actively working THT.

4. **For Covered Persons with End Stage Renal Disease**

Except as stated below*, for Employees or Retirees and their Dependents, if Medicare eligibility is due solely to End Stage Renal Disease (ESRD), this Plan will be primary only during the first thirty (30) months of Medicare coverage. Thereafter, this Plan will be secondary with respect to Medicare coverage, unless after the thirty-month period described above, the Covered Person has no dialysis for a period of twelve (12) consecutive months and:

- A. Then resumes dialysis, at which time this Plan will again become primary for a period of thirty (30) months; or
- B. The Covered Person undergoes a kidney transplant, at which time this Plan will again become primary for a period of thirty (30) months.

*If a Covered Person is covered by Medicare as a result of disability, and Medicare is primary for that reason on the date the Covered Person becomes eligible for Medicare as a result of End Stage Renal Disease, Medicare will continue to be primary and this Plan will be secondary.

**COORDINATION WITH MEDICAID**

If a Covered Person is also entitled to and covered by Medicaid, this Plan will always be primary and Medicaid will always be secondary coverage.

**COORDINATION WITH TRICARE/CHAMPVA**

If a Covered Person is also entitled to and covered under TRICARE/CHAMPVA, this Plan will always be primary and TRICARE/CHAMPVA will always be secondary coverage. TRICARE coverage will include programs established under its authority, known as TRICARE Standard, TRICARE Extra and TRICARE Prime.

If the Covered Person is eligible for Medicare and entitled to veterans benefits through the Department of Veterans Affairs (VA), this Plan will always be primary and the VA will always be secondary for non-service connected medical claims. For these claims, this Plan will make payment to the VA as though this Plan was making payment secondary to Medicare.
PROCEDURES FOR CLAIMING BENEFITS

Claims must be submitted to the Plan within twelve (12) months after the date services or treatments are received or completed. Non-electronic claims may be submitted on any approved claim form, available from the provider. The claim must be completed in full with all the requested information. A complete claim must include the following information:

- Date of service;
- Name of the Participant;
- Name and date of birth of the patient receiving the treatment or service and his/her relationship to the Participant;
- Diagnosis [code] of the condition being treated;
- Treatment or service [code] performed;
- Amount charged by the provider for the treatment or service; and
- Sufficient documentation, in the sole determination of the Plan Administrator, to support the Medical Necessity of the treatment or service being provided and sufficient to enable the Plan Supervisor to adjudicate the claim pursuant to the terms and conditions of the Plan.

When completed, the claim must be sent to the Plan Supervisor, Allegiance Benefit Plan Management, Inc., at P.O. Box 3018, Missoula, Montana 59806-3018, (855) 999-1050 or through any electronic claims submission system or clearinghouse to which Allegiance Benefit Plan Management, Inc. has access.

A claim will not, under any circumstances, be considered for payment of benefits if initially submitted to the Plan more than twelve (12) months from the date that services were incurred.

Upon termination of the Plan, final claims must be received within three (3) months of the date of termination, unless otherwise established by the Plan Administrator.

CLAIMS WILL NOT BE DEEMED SUBMITTED UNTIL RECEIVED BY THE PLAN SUPERVISOR.

The Plan will have the right, in its sole discretion and at its own expense, to require a claimant to undergo a medical examination, when and as often as may be reasonable, and to require the claimant to submit, or cause to be submitted, any and all medical and other relevant records it deems necessary to properly adjudicate the claim.

CLAIM DECISIONS ON CLAIMS AND ELIGIBILITY

Claims will be considered for payment according to the Plan’s terms and conditions, industry-standard claims processing guidelines and administrative practices not inconsistent with the terms of the Plan. The Plan may, when appropriate or when required by law, consult with relevant health care professionals and access professional industry resources in making decisions about claims that involve specialized medical knowledge or judgment. Initial eligibility and claims decisions will be made within the time periods stated below. For purposes of this section, “Covered Person” will include the claimant and the claimant’s Authorized Representative; “Covered Person” does not include a health care provider or other assignee, and said health care provider or assignee does not have an independent right to appeal an Adverse Benefit Determination simply by virtue of the assignment of benefits.

“Authorized Representative” means a representative authorized by the claimant to act on their behalf in pursuing a benefit claim or appeal of an Adverse Benefit Determination. The claimant must authorize the representative in writing, and this written authorization must be provided to the Plan. The Plan will recognize this Authorized Representative when the Plan receives the written authorization.
INFORMATION REGARDING URGENT CARE CLAIMS IS PROVIDED UNDER THE DISCLOSURE REQUIREMENTS OF APPLICABLE LAW; THE PLAN DOES NOT MAKE TREATMENT DECISIONS. ANY DECISION TO RECEIVE TREATMENT MUST BE MADE BETWEEN THE PATIENT AND HIS OR HER HEALTHCARE PROVIDER; HOWEVER, THE PLAN WILL ONLY PAY BENEFITS ACCORDING TO THE TERMS, CONDITIONS, LIMITATIONS AND EXCLUSIONS OF THIS PLAN.

1. **Urgent Care Claims** - An Urgent Care Claim is any claim for medical care or treatment with respect to which:

   A. In the judgment of a prudent layperson possessing an average knowledge of health and medicine could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function; or

   B. In the opinion of a Physician with knowledge of the claimant’s medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

   There are no Urgent Care requirements under this Plan and therefore, there are no rights to appeal a pre-service Urgent Care Claim denial.

2. **Pre-Service Claims** - Pre-Service Claims must be submitted to the Plan before the Covered Person receives medical treatment or service. A Pre-Service Claim is any claim for a medical benefit which the Plan terms condition the Covered Person’s receipt of the benefit, in whole or in part, on approval of the benefit before obtaining treatment. Pre-Service Claims are procedures stated in the Plan Document which, the Plan recommends be utilized before a Covered Person obtains medical care.

3. **Post-Service Claims** - A Post-Service Claim is any claim for a medical benefit under the Plan with respect to which the terms of the Plan do not condition the Covered Person’s receipt of the benefit, or any part thereof, on approval of the benefit prior to obtaining medical care, and for which medical treatment has been obtained prior to submission of the claim(s).

   In most cases, initial claims decisions on Post-Service Claims will be made within thirty (30) days of the Plan’s receipt of the claim. The Plan will provide timely notice of the initial determination once sufficient information is received to make an initial determination, but no later than thirty (30) days after receiving the claim.

4. **Concurrent Care Review** - For patients who face early termination or reduction of benefits for a course of treatment previously certified by the Plan, a decision by the Plan to reduce or terminate benefits for ongoing care is considered an Adverse Benefit Determination. (Note: Exhaustion of the Plan’s benefit maximums is not an Adverse Benefit Determination.) The Plan will notify the Covered Person sufficiently in advance to allow an appeal for uninterrupted continuing care before the benefit is reduced or terminated. Any request to extend an Urgent Care course of treatment beyond the initially prescribed period of time must be decided within twenty-four (24) hours of the Plan’s receipt of the request. The appeal for ongoing care or treatment must be made to the Plan at least twenty-four (24) hours prior to the expiration of the initially-prescribed period.

**APPEALING AN UN-REIMBURSED PRE-SERVICE CLAIM**

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim denial will be provided by the Plan showing:

1. The reason the claim was denied;

2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;

3. Any additional information needed to perfect the claim and why such information is needed; and
4. An explanation of the Covered Person’s right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the claim denial.

**The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.**

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

**Appeals or requests for review of Adverse Benefit Determinations must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).**

1. **First Level of Benefit Determination Review**

   The first level of benefit determination review is done by the Plan Supervisor. The Plan Supervisor will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within fifteen (15) days following the date the Plan Supervisor receives the request for reconsideration.

   If, based on the Plan Supervisor’s review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to the Plan Supervisor, not later than sixty (60) days after receipt of the Plan Supervisor’s decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. **Second Level of Benefit Determination Review**

   The THT Clinical Review Committee will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the THT Clinical Review Committee who is neither the original decisionmaker nor the decisionmaker’s subordinate. The THT Clinical Review Committee cannot give deference to the initial benefit determination. The THT Clinical Review Committee may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the THT Clinical Review Committee will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

   After a full and fair review of the Covered Person’s appeal, the Plan will provide a written or electronic notice of the final benefit determination, which contains the same information as notices for the initial determination, within fifteen (15) days.
If more time or information is needed to make a determination for a pre-service or post-service appeal, the Plan Supervisor will provide notice in writing to request an extension of up to fifteen (15) days and to specify any additional information needed to complete the review.

In the event any new or additional information is considered, relied upon or generated in connection with the appeal, the Plan will provide this information to the Covered Person as soon as possible, free of charge and sufficiently in advance of the decision, so that the Covered Person will have an opportunity to respond. Also, if any new or additional rationale is considered for a denial it will be provided to the Covered Person as soon as possible and sufficiently in advance of the decision to allow a reasonable opportunity to respond.

If an appeal decision is not made and issued within the time period described above, or if the Plan fails to meet any of the requirements of this appeal process, the Covered Person may deem the appeal to be exhausted and proceed to the external review or bring a civil action. The Covered Person should contact the Plan Administrator to ask for confirmation that the Covered Person’s appeal has been denied, or to request an External Review.

**INDEPENDENT EXTERNAL REVIEW FOR A PRE-SERVICE CLAIM**

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

**APPEALING AN UN-REIMBURSED POST-SERVICE CLAIM**

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim Explanation of Benefits (EOB) will be provided by the Plan showing:

1. The reason the claim was denied;

2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;

3. Any additional information needed to perfect the claim and why such information is needed; and

4. An explanation of the Covered Person’s right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the EOB form.
The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

Appeals or requests for review of Adverse Benefit Determinations must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).

1. **First Level of Benefit Determination Review**

   The first level of benefit determination review is done by the Plan Supervisor. The Plan Supervisor will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within thirty (30) days following the date the Plan Supervisor receives the request for reconsideration.

   If, based on the Plan Supervisor’s review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to the Plan Supervisor, not later than sixty (60) days after receipt of the Plan Supervisor’s decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. **Second Level of Benefit Determination Review**

   The THT Clinical Review Committee will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the THT Clinical Review Committee who is neither the original decisionmaker nor the decisionmaker’s subordinate. The THT Clinical Review Committee cannot give deference to the initial benefit determination. The THT Clinical Review Committee may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the THT Clinical Review Committee will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

   After a full and fair review of the Covered Person’s appeal, the Plan will provide a written or electronic notice of the final benefit determination within a reasonable time, but no later than thirty (30) days from the date the appeal is received by the Plan at each level of review.

All claim payments are based upon the terms contained in the Plan Document, on file with the Plan Administrator and the Plan Supervisor. The Covered Person may request, free of charge, more detailed information, names of any medical professionals consulted and copies of relevant documents, as defined in and required by law, which were used by the Plan to adjudicate the claim.

If more time or information is needed to make a determination for a pre-service or post-service appeal, the Plan Supervisor will provide notice in writing to request an extension of up to fifteen (15) days and to specify any additional information needed to complete the review.
In the event any new or additional information is considered, relied upon or generated in connection with the appeal, the Plan will provide this information to the Covered Person as soon as possible, free of charge and sufficiently in advance of the decision, so that the Covered Person will have an opportunity to respond. Also, if any new or additional rationale is considered for a denial it will be provided to the Covered Person as soon as possible and sufficiently in advance of the decision to allow a reasonable opportunity to respond.

If an appeal decision is not made and issued within the time period described above, or if the Plan fails to meet any of the requirements of this appeal process, the Covered Person may deem the appeal to be exhausted and proceed to the external review or bring a civil action. The Covered Person should contact the Plan Administrator to ask for confirmation that the Covered Person’s appeal has been denied, or to request an External Review.

INDEPENDENT EXTERNAL REVIEW FOR A POST-SERVICE CLAIM

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

2. Any Employee covered under another health insurance plan sponsored by the CCSD.

WAITING PERIOD

With respect to an eligible Employee, coverage under the Plan will not start until the Employee completes a Waiting Period. “Waiting Period” means the time between the date the Employee meets the eligibility requirements (Enrollment Date/date of hire) and the date coverage begins. The Waiting Period commences with the date the Employee meets the eligibility requirements stated above (Enrollment Date/date of hire) and ends on the last day of the month following the Enrollment Date.

DEPENDENT ELIGIBILITY

An eligible Dependent includes any person who is a citizen, resident alien, or is otherwise legally present in the United States or in any other jurisdiction that the related Participant has been assigned by THT, and who is either:

1. The Participant’s legal spouse according to the marriage laws of the state where the marriage was first solemnized or established. Proof of common-law marriage must be furnished to the Plan Administrator upon request, including a copy of the Participant’s most recent Federal tax return and signed Affidavit.

An eligible Dependent does not include a spouse who is legally separated or divorced from the Participant and has a court order or decree stating such from a court of competent jurisdiction.
2. The Participant’s domestic partner when a domestic partner relationship exists and the domestic partners have registered with the Office of the Secretary of State of Nevada and have obtained a Certificate of Registered Domestic Partnership.

Documentation required to enroll Domestic Partner:

A. A Certificate of Registered Domestic Partnership through the state of Nevada; and

B. A completed, signed Enrollment form (or Change form).

An Employee is not eligible to participate in the Section 125 Premium-Only Plan if enrolling a Domestic Partner for coverage. Payment for premiums may not be separated.

3. The Participant's, or domestic partner’s, Dependent child who meets all of the following “Required Eligibility Conditions”:

A. Is a natural child; step-child; legally adopted child; a child who has been Placed for Adoption with the Participant and for whom as part of such placement the Participant or domestic partner has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement; a person for whom the Participant or domestic partner has been appointed the legal guardian by a court of competent jurisdiction prior to the person attaining nineteen (19) years of age; and

B. Is less than twenty-six (26) years of age. This requirement is waived if the Participant’s child is mentally handicapped/challenged or physically handicapped/challenged, provided that the child is incapable of self-supporting employment and is chiefly dependent upon the Participant for support and maintenance. Proof of incapacity must be furnished to the Plan Administrator upon request, and additional proof may be required from time to time.

Documentation to enroll a child of a domestic partner:

A. A copy of the child’s birth certificate.

B. In addition, if the child is aged nineteen (19) up to twenty-six (26), a completed Dependent Certification Form.

C. A completed, signed enrollment form (or Change Form).

D. A copy of the Divorce or Court Decree.

An eligible Dependent does not include a spouse of the Dependent child or a child of the Dependent child. A domestic partner must be enrolled in a Trust plan for his/her children to be eligible for enrollment in a Trust plan.

PARTICIPANT ELIGIBILITY FOR DEPENDENT COVERAGE

Each Employee will become eligible for Dependent Coverage on the latest of:

1. The date the Employee becomes eligible for Participant coverage; or

2. The date on which the Employee first acquires a Dependent.

DECLINING COVERAGE

If an eligible person declines coverage under this Plan, he/she will state his/her reason(s) for declining, in writing. Failure to provide those reasons in writing may result in the Plan refusing enrollment at a later date.
RETIREES ELIGIBLE FOR ENROLLMENT

1. Retire from Active Service with Clark County School District on or after January 1, 2009 with a minimum of five (5) years of service as a licensed employee*; and

2. Be at least fifty-two (52) years of age; and

3. Be eligible to receive retirement benefits under CCSD’s retirement plan, Public Employees Retirement Service (PERS), at the date Active Service ceases with CCSD; and

4. Be enrolled in a Teachers Health Trust Plan for a minimum of five (5) continuous years immediately prior to the date of retirement from the CCSD. Employees who have breaks in their service may satisfy the five (5) year continuous coverage requirement in an alternate manner. A break in service of less than five (5) years will not be counted once the Employee has returned to work for a period of time equal to the break in service. For instance, an Employee who has ten (10) years of service terminates to care for a family member. The Employee returns to work two (2) years later. After this Employee has worked for two (2) additional years the Employee’s break in service would be canceled and treated as though the Employee had twelve (12) continuous years of service; and

5. Enroll in the Retiree Health Plan within thirty-one (31) days of retiring from Active Service as a licensed employee with CCSD OR within the five (5) year period following the date of retirement, during which the Employee had continuous coverage as an Employee under another CCSD sponsored plan (excluding COBRA plans). During the five (5) year period following the retirement date, the Employee may only enroll in the Trust plan during an annual Open Enrollment period OR within thirty-one (31) days after terminating coverage under another CCSD plan.

Dependents of Retirees eligible for enrollment as described above may also enroll and be covered under the Retiree Health Plan at the date of retirement, provided the Dependent meets the Required Eligibility Conditions of this Plan.

If the Retiree declines coverage under the Retiree Health Plan, eligibility for the Retiree and his/her Dependents is forever barred. Additionally, if COBRA Continuation Coverage is elected instead of Retiree coverage, eligibility for the Retiree and his/her Dependents is forever barred.

*Only actual time worked as a licensed Employee will be used to determine subsidy amount for premiums or eligibility. Years of service purchased by the Employee or CCSD will not be counted. Coverage available for Retirees: Medical (including prescriptions) dental, vision.

RETIREES NOT ELIGIBLE FOR ENROLLMENT

1. Any person in active military service; and/or

2. Any Retiree covered under another health insurance plan sponsored by the CCSD.

3. Any Retiree who does not enroll in the Retiree Health Plan within thirty-one (31) days of retiring from Active Service as a licensed Employee with CCSD OR within the five (5) year period following the date of retirement, during which the Employee had continuous coverage as an Employee under another CCSD sponsored plan (excluding COBRA plans). During the five (5) year period following the retirement date, the Employee may only enroll in the Retiree Health Plan during an annual Open Enrollment period OR within thirty-one (31) days after terminating coverage under another CCSD plan.

4. Anyone age sixty-five (65) or older.
EFFECTIVE DATE OF COVERAGE

All coverage under the Plan will commence at 12:01 A.M. in the time zone in which the Covered Person permanently resides, on the date such coverage becomes effective.

PARTICIPANT COVERAGE

Participant coverage under the Plan will become effective on the first day immediately after the Employee satisfies the applicable eligibility requirements and Waiting Period. Enrollment elections must be made and enrollment forms must be completed at the time of the Employee’s New Hire Orientation, or no later than thirty-one (31) days from the date of the Employee’s New Hire Orientation in which to make one Plan change. All required documentation, including any Dependent required documentation, must be submitted to the Trust no later than thirty-one (31) days following the date of the Employee’s New Hire Orientation.

If the Employee does not attend a New Hire Orientation within thirty-one (31) days of the Enrollment Date, the Employee (but not the Employee’s Dependents) will automatically be enrolled in THT’s Medical, Dental and Vision Plans unless the Employee is covered under another District-sponsored plan or the Employee specifically declines all coverage in writing.

If the Employee does not submit the required Dependent required documentation within thirty-one (31) days of the New Hire Orientation date, the Employee will not be able to enroll Dependents until the next Open Enrollment period, unless the Employee or the Employee’s Dependents experience a Life Event.

If these requirements are met, the Employee must be offered coverage or an opportunity to waive coverage even if the offer is after the date coverage should become effective, regardless of the time that has elapsed, provided that the reason coverage was not offered before the Enrollment Date was as a result of an administrative error on the part of the THT, Plan Administrator or Plan Supervisor.

An eligible Employee who declines Participant coverage under the Plan during the Initial Enrollment Period will be able to become covered later during Open Enrollment Period, Special Enrollment Period or as a result of a Life Event.

DEPENDENT COVERAGE

Each Participant who requests Dependent Coverage on the Plan’s enrollment form will become covered for Dependent Coverage as follows:

1. On the Participant’s effective date of coverage, if application for Dependent Coverage is made on the same enrollment form used by the Participant to enroll for coverage. This subsection applies only to Dependents who are eligible on the Participant’s effective date of coverage.

2. In the event a Dependent is acquired after the Participant’s effective date of coverage as a result of a legal guardianship or in the event that a Participant is required to provide coverage as a result of a valid court order, or if the Dependent is acquired as a result of operation of law, Dependent Coverage will begin on the first day of the month following the Plan’s receipt of an enrollment form and copy of said court order, if applicable.
**OPEN ENROLLMENT PERIOD**

The Open Enrollment Period will generally be during the month of October and November of each year, during which an Employee and the Employee’s eligible Dependents, who are not covered under this Plan, may request Participant or Dependent coverage. Coverage must be requested on the Plan’s enrollment form.

Coverage requested during any Open Enrollment Period will begin on the January 1st immediately following the Open Enrollment Period.

Dependents who waive coverage during Open Enrollment are not eligible for COBRA coverage.

**SPECIAL ENROLLMENT PERIOD**

In addition to other enrollment times allowed by this Plan, certain persons may enroll during the Special Enrollment Periods described below.

“Special Enrollment Period” means a period of time allowed under this Plan, other than the eligible person’s Initial Enrollment Period, an Open Enrollment Period or Life Event enrollment, during which an eligible person can request coverage under this Plan as a result of certain events that create special enrollment rights.

For birth, adoption or Placement for Adoption, coverage will become effective on the date of the event. For all other events, coverage will become effective on the first day of the month following the event. Application must be made on the Plan’s enrollment form within thirty-one (31) days of any special enrollment event.

   B. Birth of the Employee’s child; or
   
   C. Adoption of a child by the Employee, provided the child is under the age of 19; or

   E. Domestic partnership is established with the Office of the Secretary of State of Nevada and have obtained a Certificate of Registered Domestic Partnership.

2. A Participant may enroll and cover eligible Dependents, including step children, who are acquired under the following specific events:
   
   A. Marriage to the Participant;
   
   B. Birth of the Participant’s child; or
   
   C. Adoption of a child by the Participant, provided the child is under the age of 19; or
   
   D. Placement for Adoption with the Employee, provided such Employee has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement and the child is under the age of 19; or
   
   E. Domestic partnership is established with the Office of the Secretary of State of Nevada and have obtained a Certificate of Registered Domestic Partnership.

E. Domestic partnership is established with the Office of the Secretary of State of Nevada and have obtained a Certificate of Registered Domestic Partnership.

4. A Retiree who is covered at the time of a special enrollment event may enroll and cover his/her eligible Dependents, including step children who are acquired under the circumstances below:

A. Marriage to the Retiree;
B. Birth of the Retiree’s child; or
C. Adoption of a child by the Retiree, provided the child is under the age of 19; or
D. Placement for Adoption with the Retiree, provided such Retiree has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement and the child is under the age of 19.

5. The following individuals may enroll and become covered when coverage under another health care plan or health insurance is terminated due to loss of eligibility or if employer contributions to the other coverage have been terminated (Loss of Coverage), subject to the following:

A. If the eligible Employee loses coverage, the eligible Employee who lost coverage and any eligible Dependents of the eligible Employee may enroll and become covered.
B. If an eligible Dependent loses coverage, the eligible Dependent who lost coverage and the eligible Employee may enroll and become covered.
C. If an eligible Dependent of a Retiree loses coverage, the eligible Dependent who lost coverage may enroll and become covered.

Further, Loss of Coverage means only one of the following:

A. COBRA Continuation Coverage under another plan and the maximum period of COBRA Continuation Coverage under that other plan has been exhausted; or
B. Group or insurance health coverage that has been terminated as a result of termination of employer contributions* towards that other coverage; or
C. Group or insurance health coverage (includes other coverage that is Medicare) that has been terminated only as a result of a loss of eligibility for coverage for any of the following:

1) Legal separation or divorce of the eligible Employee;
2) Cessation of Dependent status;

4) Termination of employment of the eligible Dependent;
5) Reduction in the number of hours of employment of the eligible Dependent;
6) Termination of the eligible Dependent’s employer’s plan; or
7) Any loss of eligibility after a period that is measured by reference to any of the foregoing; or
8) Any loss of eligibility for individual or group coverage because the eligible Employee or Dependent no longer resides, lives or works in the service area of the Health Maintenance Organization (HMO) or other such plan.

*Employer contributions include contributions by any current or former employer that was contributing to the other non-COBRA coverage.

A loss of eligibility for coverage does not occur if coverage was terminated due to a failure of the Employee or Dependent to pay premiums on a timely basis or coverage was terminated for cause.

6. Individuals may enroll and become covered when coverage under Medicaid or any state children’s insurance program recognized under the Children’s Health Insurance Program Reauthorization Act of 2009 is terminated due to loss of eligibility, subject to the following:

A. A request for enrollment must be made either verbally or in writing within sixty (60) days after this special enrollment event, and written application for such coverage must be made within ninety (90) days after such event.

B. If the eligible Employee loses coverage, the eligible Employee who lost coverage and any eligible Dependents of the eligible Employee may enroll and become covered.

C. If an eligible Dependent loses coverage, the eligible Dependent who lost coverage and the eligible Employee may enroll and become covered.

D. If an eligible Dependent of a Retiree loses coverage, the eligible Dependent who lost coverage may enroll and become covered.

7. Individuals who are eligible for coverage under this Plan may enroll and become covered on the date they become entitled to a Premium Assistance Subsidy authorized under the Children’s Health Insurance Program Reauthorization Act of 2009. The date of entitlement shall be the date stated in the Premium Assistance Authorization entitlement notice issued by the applicable state agency (CHIP or Medicaid). A request for enrollment, either verbal or in writing, must be made within sixty (60) days after this special enrollment event, and written application for such coverage must be made in writing within ninety (90) days after such event.

LIFE EVENT

A Participant’s Dependent spouse or child living in a foreign country arrives in the U.S. may enroll and become covered on the date of the Life Event, which is the date of the spouse and/or Dependent’s arrival in the U.S., provided all documentation is received within thirty-one (31) days of the Life Event.
CHANGE IN STATUS

If a Covered Dependent under this Plan becomes an eligible Employee of THT, he/she may continue his/her coverage as a Dependent and/or elect to be covered as a Participant.

If an eligible Employee who is covered as a Participant of this Plan ceases to be an Employee of THT, but is eligible to be covered as a Dependent under another Employee/Participant, he/she may elect to continue his/her coverage as a Dependent of such Employee/Participant.

Application for coverage due to a Change in Status must be made on the Plan’s enrollment form, within thirty-one (31) days immediately following the date the Employee becomes or ceases to be an eligible Employee. A Change in Status will not be deemed to be a break or termination of coverage and will not operate to reduce or increase any coverage or accumulations toward satisfaction of the deductible and Out-of-Pocket Maximum to which the Covered Person was entitled prior to the Change in Status.
QUALIFIED MEDICAL CHILD SUPPORT ORDER PROVISION

PURPOSE

Pursuant to Section 609(a) of ERISA, the Plan Administrator adopts the following procedures to determine whether Medical Child Support Orders are qualified in accordance with ERISA's requirements, to administer payments and other provisions under Qualified Medical Child Support Orders (QMCSOs), and to enforce these procedures as legally required. THT adopts ERISA standards to comply with child support enforcement obligation of Part D of Title IV of the Social Security Act of 1975 as amended.

DEFINITIONS

For QMCSO requirements, the following definitions apply:

1. “Alternate Recipient” means any child of a Participant who is recognized under a Medical Child Support Order as having a right to enroll in this Plan with respect to the Participant.

2. “Medical Child Support Order” means any state or court judgment, decree or order (including approval of settlement agreement) issued by a court of competent jurisdiction, or issued through an administrative process established under State law and which has the same force and effect of law under applicable State law and:
   A. Provides for child support for a child of a Participant under this Plan;
   B. Provides for health coverage for such a child under state domestic relations laws (including community property laws) and relates to benefits under this Plan; and
   C. Is made pursuant to a law relating to medical child support described in Section 1908 of the Social Security Act.

3. “Plan” means this self-funded Employee Health Benefit Plan, including all supplements and amendments in effect.

4. “Qualified Medical Child Support Order” means a Medical Child Support Order which creates (including assignment of rights) or recognizes an Alternate Recipient's right to receive benefits to which a Participant or Qualified Beneficiary is eligible under this Plan, and has been determined by the Plan Administrator to meet the qualification requirements as outlined under “Procedures” of this provision.

CRITERIA FOR A QUALIFIED MEDICAL CHILD SUPPORT ORDER

To be qualified, a Medical Child Support Order must clearly:

1. Specify the name and the last known mailing address (if any) of the Participant and the name and mailing address of each Alternate Recipient covered by the order, except that, to the extent provided in the order, the name and mailing address of an official of a State or a political subdivision thereof may be substituted for the mailing address of any such Alternate Recipient; and

2. Include a reasonable description of the type of coverage to be provided by the Plan to each Alternate Recipient, or the manner in which such type of coverage is to be determined; and

3. Specify each period to which such order applies.
In order to be qualified, a Medical Child Support Order must not require the Plan to provide any type or form of benefits, or any option, not otherwise provided under the Plan except to the extent necessary to meet the requirements of Section 1908 of the Social Security Act (relating to enforcement of state laws regarding child support and reimbursement of Medicaid).

PROCEDURES FOR NOTIFICATIONS AND DETERMINATIONS

In the case of any Medical Child Support Order received by this Plan:

1. The Plan Administrator will promptly notify the Participant and each Alternate Recipient of the receipt of such order and the plan's procedures for determining whether Medical Child Support Orders are qualified orders; and

2. Within a reasonable period after receipt of such order, the Plan Administrator will determine whether such order is a Qualified Medical Child Support Order and notify the Participant and each Alternate Recipient of such determination.

NATIONAL MEDICAL SUPPORT NOTICE

If the plan administrator of a group health plan which is maintained by the employer of a non-custodial parent of a child, or to which such an employer contributes, receives an appropriately completed National Medical Support Notice as described in Section 401(b) of the Child Support Performance and Incentive Act of 1998 in the case of such child, and the Notice meets the criteria shown above for a qualified order, the Notice will be deemed to be a Qualified Medical Child Support Order in the case of such child.
The Family and Medical Leave Act (FMLA) requires employers who are subject to FMLA to allow their “eligible” Employees to take unpaid, job-protected leave. The employer may also require or allow the Employee to substitute appropriate paid leave including, but not limited to, vacation and sick leave, if the Employee has earned or accrued it. The maximum leave required by FMLA is twelve (12) workweeks in any twelve (12) month period for certain family and medical reasons and a maximum combined total of twenty-six (26) workweeks during any twelve (12) month period for certain family and medical reasons and for a serious Injury or Illness of a member of the Armed Forces to allow the Employee, who is the spouse, son, daughter, parent, or next of kin to the member of the Armed Forces, to care for that member of the Armed Forces. In certain cases, this leave may be taken on an intermittent basis rather than all at once, or the Employee may work a part-time schedule.

DEFINITIONS

For these Family and Medical Leave Act of 1993 provisions only, the following definitions apply:

1. “Member of the Armed Forces” includes members of the National Guard or Reserves who are undergoing medical treatment, recuperation or therapy.

2. “Next of Kin” means the nearest blood relative to the service member.

3. “Parent” means Employee's biological parent or someone who has acted as Employee’s parent in place of Employee’s biological parent when Employee was a son or daughter.

4. “Serious health condition” means an Illness, Injury impairment, or physical or mental condition that involves:
   A. Inpatient care in a hospital, hospice, or residential medical facility; or
   B. Continuing treatment by a health care provider (a doctor of medicine or osteopathy who is authorized to practice medicine or surgery as appropriate, by the state in which the doctor practices or any other person determined by the Secretary of Labor to be capable of providing health care services).

5. “Serious Injury or Illness” means an Injury or Illness incurred in the line of duty that may render the member of the Armed Forces medically unfit to perform his or her military duties.

6. “Son or daughter” means Employee’s biological child, adopted child, stepchild, legal foster child, a child placed in Employee's legal custody, or a child for which Employee is acting as the parent in place of the child’s natural blood related parent. The child must be:
   A. Under the age of eighteen (18); or
   B. Over the age of eighteen (18), but incapable of self-care because of a mental or physical disability.

7. “Spouse” means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the Employee resides, including “common law” marriage and same-sex marriage.
EMPLOYERS SUBJECT TO FMLA

In general, FMLA applies to any employer engaged in interstate commerce or in any industry or activity affecting interstate commerce who employs 50 or more Employees for each working day during each of 20 or more calendar work weeks in the current or preceding Calendar Year. FMLA also applies to those persons described in Section 3(d) of the Fair Labor Standards Act, 29 U.S.C. 203(d). The FMLA applies to government entities, including branches of the United States government, state governments and political subdivisions thereof.

ELIGIBLE EMPLOYEES

Generally, an Employee is eligible for FMLA leave only if the Employee satisfies all of the following requirements as of the date on which any requested FMLA leave is to commence: (1) has been employed by THT for a total of at least twelve months (whether consecutive or not); (2) the Employee has worked (as defined under the Fair Labor Standards Act) at least 1,250 hours during the twelve-(12) month period immediately preceding the date the requested leave is to commence; (3) the Employee is employed in any state of the United States, the District of Columbia or any Territories or possession of the United States; and (4) at the time the leave is requested, the Employee is employed at a work site where 50 or more Employees are employed by THT within 75 surface miles of the work site.

REASONS FOR TAKING LEAVE

FMLA leave must be granted (1) to care for the Employee's newborn child; (2) to care for a child placed with the Employee for adoption or foster care; (3) to care for the Employee's spouse, son, daughter, or parent, who has a serious health condition; (4) because the Employee’s own serious health condition prevents the Employee from performing his or her job; or (5) because of a qualifying exigency, as determined by the Secretary of Labor, arising out of the fact that a spouse, son, daughter or parent of the Employee is on active duty or has been called to active duty in the Armed Forces in support of a contingency operation (e.g., a war or national emergency declared by the President or Congress).

ADVANCE NOTICE AND MEDICAL CERTIFICATION

Ordinarily, an Employee must provide thirty (30) days advance notice when the requested leave is “foreseeable.” If the leave is not foreseeable, the Employee must notify THT as soon as practicable, generally within one to two working days. An employer may require medical certification to substantiate a request for leave requested due to a serious health condition. If the leave is due to the Employee’s serious health condition, THT may require second or third opinions, at THT’s expense, and a certification of fitness to return to work prior to allowing the Employee to return to work.

PROTECTION OF JOB BENEFITS

For the duration of FMLA leave, THT must maintain the Employee’s health coverage under any “group health plan” on the same conditions as coverage would have been provided if the Employee had been in Active Service during FMLA leave period. Taking FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an Employee’s leave, unless the loss would have occurred even if the Employee had been in Active Service.

UNLAWFUL ACTS BY EMPLOYERS

Employers cannot interfere with, restrain or deny the exercise of any right provided under the FMLA or to manipulate circumstances to avoid responsibilities under the FMLA. Employers may not discharge, or discriminate against any person who opposes any practice made unlawful by the FMLA or who may be involved in a proceeding under or relating to the FMLA.
ENFORCEMENT

The U.S. Department of Labor is authorized to investigate and resolve complaints of FMLA violations. An eligible Employee may also bring a civil action against an employer for FMLA violations. The FMLA does not supersede any federal or state law prohibiting discrimination, and does not supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights. For additional information, contact the nearest office of Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor.
TERMINATION OF COVERAGE

PARTICIPANT TERMINATION

Participant coverage will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Participant's employment terminates; or
2. On the last day of the month in which the Participant ceases to be eligible for coverage; or
3. The date the Participant fails to make any required contribution for coverage; or
4. The date the Plan is terminated; or
5. The date THT terminates the Participant's coverage; or
6. The date the Participant dies; or
7. On the last day of the month in which the Plan receives the Plan's Health Coverage Waiver Form for the Participant.

LEAVE OF ABSENCE/LAYOFF

A Participant whose Active Service ceases because of Illness or Injury or as a result of any other approved leave of absence may remain covered as an Employee in Active Service for a period of twelve (12) weeks, or such other length of time that is consistent with and stated in school’s written leave policies or pursuant to the Family and Medical Leave Act. Coverage under this provision will be subject to all the provisions of FMLA if the leave is classified as FMLA leave.

A Participant whose Active Service ceases due to temporary layoff will be considered employed by THT for the purposes of his/her coverage under this Plan, and such coverage may continue until the end of the month in which the layoff began or such other length of time that is consistent with THT policies.

If a Participant's coverage is to be continued during disability, approved leave of absence or temporary lay off, the amount of his or her coverage will be the same as the Plan benefits in force for an active Employee, subject to the Plan’s right to amend coverage and benefits.

RETIREE TERMINATION

Retiree coverage will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Retiree ceases to be eligible for coverage; or
2. The date the Retiree fails to make any required contribution for coverage; or
3. The date the Plan is terminated; or
4. The date THT terminates the Retiree's coverage; or
5. The date the Retiree dies.
REINSTATEMENT OF COVERAGE

An Employee whose coverage terminates by reason of termination of employment and who again becomes eligible for coverage under the Plan within a thirteen (13) week period immediately following the date of such termination of employment will become eligible for reinstatement of coverage on the date of renewed eligibility. Coverage will be reinstated for the Employee and eligible Dependents on the date of renewed eligibility, if covered on the date of termination, provided that application for such coverage is made on the Plan’s enrollment form within thirty-one (31) days after the date of renewed eligibility. Reinstatement of Coverage is subject to the following:

1. Credit will be given for prior amounts applied toward the Deductible and Out-of-Pocket Maximum for the same Benefit Period during which renewed eligibility occurs.

2. All prior accumulations toward annual or lifetime benefit maximums will apply.

If renewed eligibility occurs under any circumstances other than as stated in this subsection, enrollment for coverage for the Employee and his/her Dependents will be treated as if initially hired for purposes of eligibility and coverage under this Plan.

DEPENDENT TERMINATION

Each Covered Person, whether Participant or Dependent, is responsible for notifying the Plan Administrator, within sixty (60) days after loss of Dependent status due to death, divorce, legal separation or ceasing to be an eligible Dependent child. Failure to provide this notice may result in loss of eligibility for COBRA Continuation Coverage After Termination.

Coverage for a Dependent will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Dependent ceases to be an eligible Dependent as defined in the Plan; or

2. On the last day of the month in which the Participant's coverage terminates under the Plan; or

3. On the last day of the month in which the Participant ceases to be eligible for Dependent Coverage; or

4. The date the Participant fails to make any required contribution for Dependent Coverage; or

5. The date the Plan is terminated; or

6. The date THT terminates the Dependent's coverage; or

7. On the last day of the month in which the Participant dies; or

8. On the last day of the month in which the Plan receives the Plan’s Health Coverage Waiver Form for the Dependent whose coverage is to be terminated.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation of a material fact in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.
CONTINUATION COVERAGE AFTER TERMINATION

Under the Public Health Service Act, as amended, Employees and their enrolled Dependents may have the right to continue coverage beyond the time coverage would ordinarily have ended. The law applies to employers who normally employ twenty (20) or more employees.

The Plan Administrator is Teachers Health Trust; P.O. Box 96238, Las Vegas, Nevada 89193-6238; (702) 794-0272. COBRA Continuation Coverage for the Plan is administered by Allegiance COBRA Services, Inc.; P.O. Box 2097, Missoula, MT 59806, (406) 721-2222; facsimile (406) 523-3131; email COBRAInquire@askallegiance.com.

COBRA Continuation Coverage is available to any Qualified Beneficiary whose coverage would otherwise terminate due to any Qualifying Event. COBRA Continuation Coverage under this provision will begin on the first day immediately following the date coverage terminates as a result of a Qualifying Event.

1. Qualifying Events for Participants, for purposes of this section, are the following events, if such event results in a loss of coverage under this Plan:
   A. The termination (other than by reason of gross misconduct) of the Participant's employment.
   B. The reduction in hours of the Participant's employment.

2. Qualifying Events for covered Dependents, for purposes of this section are the following events, if such event results in a loss of coverage under this Plan:
   A. Death of the Participant or Retiree.
   B. Termination of the Participant’s employment.
   C. Reduction in hours of the Participant’s employment.
   D. The divorce or legal separation of the Participant or Retiree from his or her spouse.
   E. A covered Dependent child ceases to be a Dependent as defined by the Plan.

NOTIFICATION RESPONSIBILITIES

The Covered Person must notify THT of the following Qualifying Events within sixty (60) days after the date the event occurs. THT must notify the Plan Supervisor of any of the following:

1. Death of the Participant or Retiree.
2. The divorce or legal separation of the Participant or Retiree from his or her spouse.
3. A covered Dependent child ceases to be a Dependent as defined by the Plan.

THT must notify the Plan Supervisor of the following Qualifying Events within thirty (30) days after the date of the event occurs:

1. Termination (other than by reason of gross misconduct) of the Participant’s employment.
2. Reduction in hours of the Participant’s employment.
ELECTION OF COVERAGE

When the Plan Administrator is notified of a Qualifying Event, the Plan Administrator will notify the Qualified Beneficiary of the right to elect continuation of coverage. Notice of the right to COBRA Continuation Coverage will be sent by the Plan no later than fourteen (14) days after the Plan Administrator is notified of the Qualifying Event.

A Qualified Beneficiary has sixty (60) days from the date coverage would otherwise be lost or sixty (60) days from the date of notification from the Plan Administrator, whichever is later, to notify the Plan Administrator that he or she elects to continue coverage under the Plan. Failure to elect continuation within that period will cause coverage to end.

MONTHLY PREMIUM PAYMENTS

A Qualified Beneficiary is responsible for the full cost of continuation coverage. Monthly premium for continuation of coverage must be paid in advance to the Plan Administrator. The premium required under the provisions of COBRA is as follows:

1. For a Qualified Beneficiary: The premium is the same as applicable to any other similarly situated non-COBRA Participant plus an additional administrative expense of up to a maximum of two percent (2%).

2. Social Security Disability: For a Qualified Beneficiary continuing coverage beyond eighteen (18) months due to a documented finding of disability by the Social Security Administration within 60 days after becoming covered under COBRA, the premium may be up to a maximum of 150% of the premium applicable to any other similarly situated non-COBRA Participant.

3. For a Qualified Beneficiary with a qualifying Social Security Disability who experiences a second Qualifying Event:
   A. If another Qualifying Event occurs during the initial eighteen (18) months of COBRA coverage, such as a death, divorce or legal separation, the monthly fee for qualified disabled person may be up to a maximum of one hundred and two percent (102%) of the applicable premium.
   B. If the second Qualifying Event occurs during the nineteenth (19th) through the twenty-ninth (29th) month (the Disability Extension Period), the premium for a Qualified Beneficiary may be up to a maximum of one hundred fifty percent (150%) of the applicable premium.

Payment of claims while covered under this COBRA Continuation Coverage Provision will be contingent upon the receipt by THT of the applicable monthly premium for such coverage. The monthly premium for continuation coverage under this provision is due the first of the month for each month of coverage. A grace period of thirty (30) days from the first of the month will be allowed for payment. Payment will be made in a manner prescribed by THT.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If the Qualified Beneficiary who is covered under the Plan is determined by the Social Security Administration to be disabled at any time before the qualifying event or within sixty (60) days after the qualifying event, and the Plan Administrator is notified in a timely fashion, the Qualified Beneficiary covered under the Plan can receive up to an additional 11 months of COBRA Continuation Coverage, for a total maximum of 29 months. The Plan Administrator must be provided with a copy of the Social Security Administration’s disability determination letter within sixty (60) days after the date of the determination and before the end of the original 18-month period of COBRA Continuation Coverage. This notice should be sent to: Allegiance COBRA Services, Inc.; P.O. Box 2097, Missoula, MT 59806; facsimile (406) 523-3131; email COBRAinquire@askallegiance.com.
SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If another qualifying event occurs while receiving COBRA Continuation Coverage, the spouse and Dependent children of the Employee can get additional months of COBRA Continuation Coverage, up to a maximum of thirty-six (36) months. This extension is available to the spouse and Dependent children if the former employee dies or becomes divorced or legally separated. The extension is also available to a Dependent child when that child stops being eligible under the Plan as a Dependent child. In all of these cases, the Plan Administrator must be notified of the second qualifying event within sixty (60) days of the second qualifying event. This notice must be sent to: Allegiance COBRA Services, Inc.; P.O. Box 2097, Missoula, MT 59806; facsimile (406) 523-3131; email COBRAinquire@askallegiance.com. Failure to provide notice within the time required will result in loss of eligibility for COBRA Continuation Coverage.

MEDICARE ENROLLMENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

The dependents of a former employee are eligible to elect COBRA Continuation Coverage if they lose coverage as a result of the former employee’s enrollment in Part A, Part B or Part D of Medicare, whichever occurs earlier.

When the former employee enrolls in Medicare before the Qualifying Event of termination, or reduction in hours, of employment occurs, the maximum period for COBRA Continuation Coverage for the spouse and dependent children ends on the later of:

1. Eighteen (18) months after the Qualifying Event of termination of employment or reduction in hours of employment; or
2. Thirty-six (36) months after the former employee’s enrollment in Medicare.

When the former employee enrolls in Medicare after the Qualifying Event of termination, or reduction in hours, of employment, the maximum period for COBRA Continuation Coverage for the spouse and dependent children ends eighteen (18) months after the Qualifying Event, unless a second Qualifying Event, as described above occurs within that eighteen (18) month period.

WHEN COBRA CONTINUATION COVERAGE ENDS

COBRA Continuation Coverage and any coverage under the Plan that has been elected with respect to any Qualified Beneficiary will cease on the earliest of the following:

1. On the date the Qualified Beneficiary becomes covered under another group health plan or health insurance.
2. On the date, after the date of election for COBRA Continuation Coverage, that the Qualified Beneficiary becomes enrolled in Medicare (either Part A, Part B or Part D).
3. On the first date that timely payment of any premium required under the Plan with respect to COBRA Continuation Coverage for a Qualified Beneficiary is not made to the Plan Administrator.
4. On the date THT ceases to provide any group health plan coverage to any Employee.
5. On the date of receipt of written notice that the Qualified Beneficiary wishes to terminate COBRA Continuation Coverage.
6. On the date that the maximum coverage period for COBRA Continuation Coverage ends, as follows:
   A. Eighteen (18) months for a former employee who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment;
B. Eighteen (18) months for a Dependent who is a Qualified Beneficiary unless a second Qualifying Event occurs within that eighteen month period entitling that Dependent to an additional eighteen (18) months;

C. For the Dependent who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment of the former employee if that former employee enrolled in Medicare before termination, or reduction in hours, of employment, the later of eighteen (18) months from the Qualifying Event, or thirty-six (36) months following the date of enrollment in Medicare.

D. On the first day of the month beginning thirty (30) days after a Qualified Beneficiary is determined to be no longer disabled by the Social Security Administration if the Qualified Beneficiary was found to be disabled on or within the first sixty (60) days of the date of the Qualifying Event and has received at least eighteen (18) months of COBRA Continuation Coverage. COBRA Continuation Coverage will also terminate on such date for all Dependents who are Qualified Beneficiaries as a result of the Qualifying Event unless that Dependent is entitled to a longer period of COBRA Continuation Coverage without regard to disability.

E. Twenty-nine (29) months for any Qualified Beneficiary if a Disability Extension Period of COBRA Continuation Coverage has been granted for such Qualified Beneficiary.

F. Thirty-six (36) months for all other Qualified Beneficiaries.

7. On the same basis that the Plan can terminate for cause the coverage of a similarly situated non-COBRA Participant.

QUESTIONS

Any questions about COBRA Continuation Coverage should be directed to Allegiance COBRA Services, Inc. or contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website at www.dol.gov/ebsa.

INFORM THE PLAN OF ADDRESS CHANGES

In order to protect the Employee's family's rights, the Employee should keep the Plan Administrator informed of any changes in the addresses of family members. The Employee should also keep a copy, for his/her records, of any notices sent to the Plan Administrator.
CONTINUATION COVERAGE FOR DOMESTIC PARTNERS

Continuation Coverage under this section does not confer any rights under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Domestic partners and their enrolled Dependent children may continue coverage beyond the time coverage would ordinarily have ended due to a Continuation Coverage Event. Continuation Coverage under this provision will begin on the first day following the date coverage terminates.

Continuation Coverage Events for covered domestic partners and their enrolled children, for purposes of this section, are the following events, if such event results in a loss of coverage under this Plan:

1. The termination (other than by reason of gross misconduct) of the Participant’s employment.
2. The reduction in hours of the Participant’s employment.
3. Death of the Participant.
4. Termination of domestic partnership.
5. A covered Dependent child of a domestic partner ceases to be a Dependent as defined by the Plan.

A Domestic Partner or enrolled child of a domestic partner has sixty (60) days from the date coverage would otherwise be lost to notify the Plan Administrator that he or she elects to Continue Coverage for Domestic Partners under the Plan. Failure to elect continuation within that period will cause coverage to end.

Continuation Coverage for Domestic Partners and their enrolled children will cease on the earliest of the following:

1. On the date the Domestic Partner or enrolled child of a domestic partner becomes covered under another group health plan or health insurance, unless the other group health plan contains a provision excluding or limiting coverage for a Pre-existing Condition applicable to a condition of the Domestic partner or enrolled child of a domestic partner under this Plan. However, if the exclusionary period does not apply due to prior Creditable Coverage, Continuation Coverage for Domestic Partners ends. Coverage will not be terminated as stated until the pre-existing exclusionary period of the other coverage is no longer applicable.
2. On the date, after the date of election for Continuation Coverage for Domestic Partners, that the Domestic Partner or enrolled child of domestic partner becomes enrolled in Medicare (either Part A, B or D);
3. On the first date that timely payment of any premium required under the Plan with respect to Continuation Coverage for Domestic Partners is not made to the Plan Administrator.
4. On the date the Employer ceases to provide any group health plan coverage to any Employee.
5. On the date of receipt of written notice that the Domestic Partner wishes to terminate Continuation Coverage for Domestic Partners.
6. On the date that the maximum coverage period for Continuation Coverage for Domestic Partners and their children ends, as follows:
   A. Eighteen (18) months following the date coverage is lost due to termination or reduction in hours of the Participant’s employment.
   B. Thirty-six (36) months following the date coverage is lost as a result of death of the Participant, termination of the domestic partnership, a child of the domestic partner ceasing to be eligible.
COVERAGE FOR A MILITARY RESERVIST

To the extent required by the Uniform Services Employment and Reemployment Rights Act (USERRA), the following provisions will apply:

1. If a Participant is absent from employment THT by reason of service in the uniformed services, the Participant may elect to continue coverage under this Plan for himself or herself and his or her eligible Dependents as provided in this subsection. The maximum period of coverage under such an election will be the lesser of:

   A. The twenty-four (24) month period beginning on the date on which the Participant’s absence begins; or

   B. The period beginning on the date on which the Participant’s absence begins and ending on the day after the date on which the Participant fails to apply for or return to a position of employment, as required by USERRA.

2. A Participant who elects to continue Plan coverage under this Section may be required to pay not more than one hundred two percent (102%) of the full premium under the Plan (determined in the same manner as the applicable premium under Section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for THT’s other Employees, except that in the case of a person who performs service in the uniformed services for less than thirty-one (31) days, such person may not be required to pay more than the regular Employee share, if any, for such coverage.

3. In the case of a Participant whose coverage under the Plan is terminated by reason of service in the uniformed services, an exclusion or Waiting Period may not be imposed in connection with the reinstatement of such coverage upon reemployment if an exclusion or Waiting Period would not have been imposed under the Plan had coverage of such person by the Plan not been terminated as a result of such service. This paragraph applies to the Employee who notifies THT of his or her intent to return to employment in a timely manner as defined by USERRA, and is reemployed and to any Dependent who is covered by the Plan by reason of the reinstatement of the coverage of such Employee. This provision will not apply to the coverage of any Illness or Injury determined by the Secretary of Veterans Affairs to have been caused by or aggravated during, performance of service in the uniformed services.

4. The requirements of this section shall not supersede any anti discrimination in coverage requirement promulgated by TriCare or Champus/VA related to eligibility for those coverages.
FRAUD AND ABUSE

THIS PLAN IS SUBJECT TO FEDERAL LAW WHICH PERMITS CRIMINAL PENALTIES FOR FRAUDULENT ACTS COMMITTED AGAINST THE PLAN. STATE LAW MAY ALSO APPLY.

Anyone who knowingly defrauds or tries to defraud the Plan, or obtains Plan funds through false statements or fraudulent schemes, may be subject to criminal prosecution and penalties. The following may be considered fraudulent:

1. Falsifying eligibility criteria for a Dependent to get or continue coverage for that Dependent when not otherwise eligible for coverage;
2. Falsifying or withholding medical history or information required to calculate benefits;
3. Falsifying or altering documents to get coverage or benefits;
4. Permitting a person not otherwise eligible for coverage to use a Plan ID card to get Plan benefits; or
5. Submitting a fraudulent claim or making untruthful statements to the Plan to get reimbursement from the Plan for services that may or may not have been provided to a Covered Person.

The Plan Administrator, in its sole discretion, may take additional action against the Participant or Covered Person including, but not limited to, terminating the Participant or Covered Person’s coverage under the Plan.

MISSTATEMENT OF AGE

If the Covered Person’s age was misstated on an enrollment form or claim, the Covered Person’s eligibility or amount of benefits, or both, will be adjusted to reflect the Covered Person’s true age. If the Covered Person was not eligible for coverage under the Plan or for the amount of benefits received, the Plan has a right to recover any benefits paid by the Plan. A misstatement of age will not continue coverage that was otherwise properly terminated or terminate coverage that is otherwise validly in force.

MISREPRESENTATION OF ELIGIBILITY

If a Participant misrepresents a Dependent’s marital status, age, Dependent child relationship or other eligibility criteria to get coverage for that Dependent, when he or she would not otherwise be eligible, coverage for that Dependent will terminate as though never effective.

MISUSE OF IDENTIFICATION CARD

If a Covered Person permits any person who is not otherwise eligible as a Covered Person to use an ID card, the Plan Sponsor may, at the Plan Sponsor’s sole discretion, terminate the Covered Person’s coverage.

REIMBURSEMENT TO PLAN

Payment of benefits by the Plan for any person who was not otherwise eligible for coverage under this Plan but for whom benefits were paid based upon fraud as defined in this section must be reimbursed to the Plan by the Participant. Failure to reimburse the Plan upon request may result in an interruption or a loss of benefits by the Participant and Dependents.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation of a material fact in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.
By enrollment in this Plan, Covered Persons agree to the provisions of this section as a condition precedent to receiving benefits under this Plan. Failure of a Covered Person to comply with the requirements of this section may result in the Plan pending the payment of benefits.

RIGHT TO RECOVER BENEFITS PAID IN ERROR

If the Plan makes a payment in error to or on behalf of a Covered Person or an assignee of a Covered Person to which that Covered Person is not entitled, or if the Plan pays a claim that is not covered, the Plan has the right to recover the payment from the person paid or anyone else who benefitted from the payment. The Plan can deduct the amount paid from the Covered Person’s future benefits, or from the benefits for any covered Family member even if the erroneous payment was not made on that Family member’s behalf.

Payment of benefits by the Plan for Participants’ spouses, ex-spouses, or children, who are not eligible for coverage under this Plan, but for whom benefits were paid based upon inaccurate, false information provided by, or information omitted by, the Employee will be reimbursed to the Plan by the Employee. The Employee’s failure to reimburse the Plan after demand is made, may result in an interruption in or loss of benefits to the Employee, and could be reported to the appropriate governmental authorities for investigation of criminal fraud.

The Plan may recover such amount by any appropriate method that the Plan Administrator, in its sole discretion, will determine.

The provisions of this section apply to any Physician or Licensed Health Care Provider who receives an assignment of benefits or payment of benefits under this Plan. If a Physician or Licensed Health Care Provider fails to refund a payment of benefits, the Plan may refuse to recognize future assignments of benefits to that provider.

REIMBURSEMENT

The Plan’s right to Reimbursement is separate from and in addition to the Plan’s right of Subrogation. If the Plan pays benefits for medical expenses on a Covered Person’s behalf, and another party was responsible or liable for payment of those medical expenses, the Plan has a right to be reimbursed by the Covered Person for the amounts the Plan paid.

Accordingly, if a Covered Person, or anyone on his or her behalf, settles, is reimbursed or recovers money from any person, corporation, entity, liability coverage, no-fault coverage, uninsured coverage, underinsured coverage, or other insurance policies or funds for any accident, Injuries, condition or Illness for which benefits were provided by the Plan, the Covered Person agrees to hold the money received in trust for the benefit of the Plan. The Covered Person agrees to reimburse the Plan, in first priority, from any money recovered from a liable third party, for the amount of all money paid by the Plan to the Covered Person or on his or her behalf or that will be paid as a result of said accident, Injury, condition or Illness. Reimbursement to the Plan will be paid first, in its entirety, even if the Covered Person is not paid for all of his or her claim for damages and regardless of whether the settlement, judgment or payment he or she receives is for or specifically designates the recovery, or a portion thereof, as including health care, medical, disability or other expenses or damages.

SUBROGATION

The Plan’s right to Subrogation is separate from and in addition to the Plan’s right to Reimbursement. Subrogation is the right of the Plan to exercise the Covered Person’s rights and remedies in order to recover from any third party who is liable to the Covered Person for a loss or benefits paid by the Plan. The Plan may proceed through litigation or settlement in the name of the Covered Person, with or without his or her consent, to recover benefits paid under the Plan.
The Covered Person agrees to subrogate to the Plan any and all claims, causes of action or rights that he or she has or that may arise against any entity who has or may have caused, contributed to or aggravated the accident, Injury, condition or Illness for which the Plan has paid benefits, and to subrogate any claims, causes of action or rights the Covered Person may have against any other coverage including, but not limited to, liability coverage, no-fault coverage, uninsured motorist coverage, underinsured motorist coverage, or other insurance policies, coverage or funds.

In the event that a Covered Person decides not to pursue a claim against any third party or insurer, the Covered Person will notify the Plan, and specifically authorize the Plan, in its sole discretion, to sue for, compromise or settle any such claims in the Covered Person’s name, to cooperate fully with the Plan in the prosecution of the claims, and to execute any and all documents necessary to pursue those claims.

The Following Paragraphs Apply to Both Reimbursement and Subrogation:

1. Under the terms of this Plan, the Plan Supervisor is not required to pay any claim where there is evidence of liability of a third party unless the Covered Person signs the Plan’s Third-Party Reimbursement Agreement and follows the requirements of this section. However, the Plan, in its discretion, may instruct the Plan Supervisor not to withhold payment of benefits while the liability of a party other than the Covered Person is being legally determined. If a repayment agreement is requested to be signed, the Plan’s right of recovery through Reimbursement and/or Subrogation remains in effect regardless of whether the repayment agreement is actually signed.

2. If the Plan makes a payment which the Covered Person, or any other party on the Covered Person’s behalf, is or may be entitled to recover against any liable third party, this Plan has a right of recovery, through reimbursement or subrogation or both, to the extent of its payment.

3. The Covered Person will cooperate fully with the Plan Administrator, its agents, attorneys and assigns, regarding the recovery of any benefits paid by the Plan from any liable third party. This cooperation includes, but is not limited to, make full and complete disclosure in a timely manner of all material facts regarding the accident, Injury, condition or Illness to the Plan Administrator; report all efforts by any person to recover any such monies; provide the Plan Administrator with any and all requested documents, reports and other information in a timely manner, regarding any demand, litigation or settlement involving the recovery of benefits paid by the Plan; and notify the Plan Administrator of the amount and source of funds received from third parties as compensation or damages for any event from which the Plan may have a reimbursement or subrogation claim.

4. Covered Persons will respond within ten (10) days to all inquiries of the Plan regarding the status of any claim they may have against any third parties or insurers including, but not limited to, liability, no-fault, uninsured and underinsured insurance coverage. The Covered Person will notify the Plan immediately of the name and address of any attorney whom the Covered Person engages to pursue any personal Injury claim on his or her behalf.

5. The Covered Person will not act, fail to act, or engage in any conduct directly, indirectly, personally or through third parties, either before or after payment by the Plan, the result of which may prejudice or interfere with the Plan’s rights to recovery hereunder. The Covered Person will not conceal or attempt to conceal the fact that recovery has occurred or will occur.

6. The Plan will not pay or be responsible, without its written consent, for any fees or costs associated with a Covered Person pursuing a claim against any third party or coverage including, but not limited to, attorney fees or costs of litigation. Monies paid by the Plan will be repaid in full, in first priority, notwithstanding any anti-subrogation, “made whole,” “common fund” or similar statute, regulation, prior court decision or common law theory unless a reduction or compromise settlement is agreed to in writing or required pursuant to a court order except as limited by any applicable state law.
RIGHT OF OFF-SET

The Plan has a right of off-set to satisfy reimbursement claims against Covered Persons for money received by the Covered Person from a third party, including any insurer. If the Covered Person fails or refuses to reimburse the Plan for funds paid for claims, the Plan may deny payment of future claims of the Covered Person, up to the full amount paid by the Plan and subject to reimbursement for such claims. This right of off-set applies to all reimbursement claims owing to the Plan whether or not formal demand is made by the Plan, and notwithstanding any anti-subrogation, “common fund,” “made whole” or similar statutes, regulations, prior court decisions or common law theories.

CONTRIBUTIONS TO THE PLAN

The amount of contributions to the Plan are to be made on the following basis:

THT will from time to time evaluate the costs of the Plan and determine the amount to be contributed by THT, if any, and the amount to be contributed, if any, by each Participant.
PLAN AMENDMENTS/MODIFICATION/TERMINATION

The Plan Document contains all the terms of the Plan and may be amended at any time by the Plan Administrator. Any changes will be binding on each Participant and on any other Covered Persons referred to in this Plan Document. The authority to amend the Plan is delegated by the Plan Administrator to the Chief Executive Officer of THT. Any such amendment, modification, revocation or termination of the Plan will be authorized and signed by the Chief Executive Officer of THT, pursuant to a resolution, granting that individual the authority to amend, modify, revoke or terminate this Plan. A copy of the executed resolution will be supplied to the Plan Supervisor. Written notification of any amendments, modifications, revocations or terminations will be given to Plan Participants at least sixty (60) days prior to the effective date, except for amendments effective on the first day of a new Plan Year, for which thirty (30) days advance notice is required.

TERMINATION OF PLAN

THT reserves the right at any time to terminate the Plan by a written notice. All previous contributions by THT will continue to be issued for the purpose of paying benefits and fixed costs under provisions of this Plan with respect to claims arising before such termination, or will be used for the purpose of providing similar health benefits to Participants, until all contributions are exhausted.
GENERAL PROVISIONS

EXAMINATION

The Plan will have the right and opportunity to have the Covered Person examined whenever Injury or Illness is the basis of a claim when and so often as it may reasonably require to adjudicate the claim. The Plan will also have the right to have an autopsy performed in case of death to the extent permitted by law.

PAYMENT OF CLAIMS

All Plan benefits are payable to a Participant, Qualified Beneficiary or Alternate Recipient, whichever is applicable. All or a portion of any benefits payable by the Plan may, at the Covered Person’s option and unless the Covered Person requests otherwise in writing not later than the time of filing the claim, be paid directly to the health care provider rendering the service, if proper written assignment is provided to the Plan. No payments will be made to any provider of services unless the Covered Person is liable for such expenses.

If any benefits remain unpaid at the time of the Covered Person’s death or if the Covered Person is a minor or is, in the opinion of the Plan, legally incapable of giving a valid receipt and discharge for any payment, the Plan may, at its option, pay such benefits to the Covered Person’s legal representative or estate. The Plan, in its sole option, may require that an estate, guardianship or conservatorship be established by a court of competent jurisdiction prior to the payment of any benefit. Any payment made under this subsection will constitute a complete discharge of the Plan’s obligation to the extent of such payment and the Plan will not be required to oversee the application of the money so paid.

LEGAL PROCEEDINGS

No action at law or equity will be brought to recover on the Plan prior to the expiration of sixty (60) days after proof of loss has been filed in accordance with the requirements of the Plan, nor will such action be brought at all unless brought within three (3) years from the expiration of the time within which proof of loss is required by the Plan.

NO WAIVER OR ESTOPPEL

No term, condition or provision of this Plan will be waived, and there will be no estoppel against the enforcement of any provision of this Plan, except by written instrument of the party charged with such waiver or estoppel. No such written waiver will be deemed a continuing waiver unless specifically stated therein, and each such waiver will operate only as to the specific term or condition waived and will not constitute a waiver of such term or condition for the future or as to any act other than that specifically waived.

VERBAL STATEMENTS

Verbal statements or representations of the Plan Administrator, its agents and Employees, or Covered Persons will not create any right by contract, estoppel, unjust enrichment, waiver or other legal theory regarding any matter related to the Plan, or its administration, except as specifically stated in this subsection. No statement or representation of the Plan Administrator, its agents and Employees, or Covered Persons will be binding upon the Plan or a Covered Person unless made in writing by a person with authority to issue such a statement. This subsection will not be construed in any manner to waive any claim, right or defense of the Plan or a Covered Person based upon fraud or intentional material misrepresentation of fact or law.

FREE CHOICE OF PHYSICIAN

The Covered Person will have free choice of any licensed Physician, Licensed Health Care Provider or surgeon and the patient-provider relationship will be maintained. Non-Network Providers are not covered except for Emergency Services.
WORKERS' COMPENSATION NOT AFFECTED

This Plan is not in lieu of, supplemental to Workers' Compensation and does not affect any requirement for coverage by Workers' Compensation Insurance.

CONFORMITY WITH LAW

If any provision of this Plan is contrary to any law to which it is subject, such provision is hereby amended to conform to the minimum requirements of the applicable law. Only that provision which is contrary to applicable law will be amended to conform; all other parts of the Plan will remain in full force and effect.

MISCELLANEOUS

Section titles are for convenience of reference only, and are not to be considered in interpreting this Plan.

No failure to enforce any provision of this Plan will affect the right thereafter to enforce such provision, nor will such failure affect its right to enforce any other provision of the Plan.

FACILITY OF PAYMENT

Whenever payments which should have been made under this Plan in accordance with this provision have been made under any other plan or plans, the Plan will have the right, exercisable alone and in its sole discretion, to pay to any insurance company or other organization or person making such other payments any amounts it determines in order to satisfy the intent of this provision. Amounts so paid will be deemed to be benefits paid under this Plan and to the extent of such payments, the Plan will be fully discharged from liability under this Plan.

The benefits that are payable will be charged against any applicable maximum payment or benefit of this Plan rather than the amount payable in the absence of this provision.

PROTECTION AGAINST CREDITORS

No benefit payment under this Plan will be subject in any way to alienation, sale, transfer, pledge, attachment, garnishment, execution or encumbrance of any kind, and any attempt to accomplish the same will be void, except an assignment of payment to a provider of Covered Services. If the Plan Administrator finds that such an attempt has been made with respect to any payment due or which will become due to any Participant, the Plan Administrator, in its sole discretion, may terminate the interest of such Participant or former Participant in such payment. In such case, the Plan Administrator will apply the amount of such payment to or for the benefit of such Participant or covered Dependents or former Participant, as the Plan Administrator may determine. Any such application will be a complete discharge of all liability of the Plan with respect to such benefit payment.

PLAN IS NOT A CONTRACT

The Plan Document constitutes the primary authority for Plan administration. The establishment, administration and maintenance of this Plan will not be deemed to constitute a contract of employment, give any Participant of THT the right to be retained in the service of THT, or to interfere with the right of THT to discharge or otherwise terminate the employment of any Participant.

NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT: Group health insurance issuers offering group health insurance coverage generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours or 96 hours as applicable. In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the issuer for prescribing a length of stay not in excess of 48 hours or 96 hours as applicable.
