The Best Performing
Slip-Resistant Footwear
with Superior Comfort!

Work Comfortably & Safely with S Fellas®

Genuine Grip® & S Fellas® Footwear
141 Lanza Ave. Bldg. 18C  Garfield, NJ 07026
Tel. 877-258-0580  Fax. 877-258-0581  www.GenuineGrip.com
Genuine Grip®'s Priority

Genuine Grip Footwear is your best source for slip-resistant footwear at factory-direct prices. Manufacturing footwear since 1932, Genuine Grip’s expertise comes from our team’s accumulated technologies, skills, experiences and ideas in the footwear industries.

More than one million people suffer from slip, trip or falling injuries each year. Slips, trips and falls are one of the top causes of industrial accident. Presently they account for nearly 15% of all lost workday accidents according to the National Safety Council. The average cost for down time resulting from a slip, trip or fall accident at working place is $28,000 for each occurrence.

Genuine Grip's mission is to reduce slip and fall accidents and provide superior comfort.

Genuine Grip®'s Technology

Patent pending soles have specially designed tread patterns made of special rubber compound to maximize slip-resistance. In the sole to sole comparison tests, it has been proved that Genuine Grip’s sole is the best slip-resistant sole on tile with water, oil, or shortening.

"WALKING ON AIR" Polyurethane footbed provides superb shock absorbency, comfort and moisture absorption along with Aegis® microbe shield that controls odor, staining, and deterioration.

Genuine Grip footwear not just reduces injuries, but reduces foot pain and stress for your feet that cause fatigue to lower back, hip, ankles and knees.

Genuine Grip’s Specially designed tread pattern & rubber compound gives Maximum Slip-Resistance

WALKING ON AIR Polyurethane Footbed

Ergonomically & aerodynamically designed polyurethane footbed with state of art shock absorbing cushion & moisture absorbing fabric with Aegis® treatment

Genuine Grip Steel Toe Styles Meeting:
ASTM F 2412/2413-05/11
M I/75 C/75 & Electric Hazard Resistance

PROTECTED BY THE
aegis MICROBE SHIELD®
CONTROLS ODOR, STAINING, DETERIORATION
