Creating Art Experiences
YOUTH THEATER PRODUCTION
It’s time for a new identity.

One that tells the story of creativity in Ohio and illustrates it.

Expression is an essential need.

By better illustrating our story, we can better help you express yours.

THEATER ALLIANCE OF BECK CENTER (TABC)

TABC is comprised of families of students enrolled in Theater Education courses and/or who perform in the Youth Theater productions at Beck Center. Our primary responsibilities are to support and enrich the youth student theater education experience and to provide hands-on support to Youth Theater productions and events throughout the season.

Through simple fundraising efforts and amazing volunteers, we are able to provide support to our students and Beck Center. Some of what we contribute with funds raised are funding the pit orchestra for the spring musical, hosting end of semester and opening night receptions, and purchasing new equipment for the Theater Education department. Recent TABC purchases include booster seats for our younger theater patrons and upgrades to youth theater department equipment. Our many volunteers provide countless hours of service each year by planning special events for theater students, organizing dinner for cast and crew during Youth Theater tech weeks, designing and implementing Youth Theater cast tables and cast boards, and so much more.

We are grateful for each of our members and we can’t do what we do without your help! Please consider joining TABC. For more information on joining and volunteering with us, please contact Jessica Eidson at BeckTABC@gmail.com.

**Assistive Listening Devices (ALDs)** amplify and clarify sound by cutting down or eliminating ambient noise. Assistive Listening Systems are installed in both the Senney Theater and the Studio Theater and were completely overhauled during the summer of 2021 to improve sound quality and performance. Headsets may be used at any seat and, with the upgrade, induction neck loops are also now available for patrons who use hearing aids and cochlear implants with a “T” switch. **Ask your audiologist whether your hearing aid or cochlear implant has a “T” switch (telecoil) and how to use it with an assistive listening headset.**

**Who can use an Assistive Listening Device?**
Everyone! While induction neck-loops are only compatible with hearing aids and cochlear implants that include a “T” switch, the ear speaker can be used by anyone who wants a little volume boost.

**Will the patrons next to me be disturbed by the Assistive Listening Device?**
ALDs are designed to deliver sound directly to an individual and work using specific reserved radio frequencies so as to not conflict with any other devices or equipment in use by the theatre or our patrons. In addition, the ear speakers and the neck loops are designed to be as inconspicuous as possible. It’s likely no one will even know you’re using one.

**Are Assistive Listening Devices available for every show and event at Beck Center?**
YES! As long as the event is held inside the Senney or Studio Theater.

**Do I need to request an Assistive Listening Device in advance?**
You do not need to request an ALD in advance of arriving at the theatre and an ALD can be requested at any time during an event. ALDs are distributed on a first-come-first-served basis free of charge. You may request your ALD at the Customer Service desk in the Beck Center lobby.

**Is there a cost for using an Assistive Listening Device?**
No, ALDs are distributed free of charge on a first-come-first-served basis.

**Do I need to sit in a specific place to use an Assistive Listening Device?**
No, all of our ALDs will work from any seat in any of our three theatres.

**Do you clean your Assistive Listening Devices?**
Yes, we follow the manufactures maintenance recommendations and use antimicrobial wipes to clean all earpieces and neckloops when they are returned before placing them back into storage.

**Do I need to arrive early to obtain an Assistive Listening Device?**
While obtaining an ALD will not take very long, we strongly recommend that all patrons arrive AT LEAST 20 minutes before the performance to allow time to park, get to the theatre, and find your seat.

**I have a hearing aid or cochlear implant, will an Assistive Listening Device work for me?**
Induction neckloops are also now available for patrons who use hearing aids and cochlear implants with a “T” switch. Ask your audiologist whether your hearing aid or cochlear implant has a “T” switch (telecoil) and how to use it with an assistive listening headset. Patrons find this to be the best way to use the ALD’s.

**I have severe hearing loss, will an Assistive Listening Device work for me?**
ALDs will generally help anyone who can understand normal conversation either without aid or with a hearing aid. For more severe hearing loss, an ALD alone may not be enough.

**Questions? Just call Customer Service at 216.521.2540 or email boxoffice@beckcenter.org**

About Beck Center

Beck Center for the Arts is proud to be a part of Northeast Ohio’s professional theater landscape. Like our colleagues Playhouse Square, Cleveland Play House, Dobama Theatre, and Great Lakes Theater, Beck Center has a letter of agreement with Actors’ Equity Association. We hire professional actors from the Northeast Ohio region, including members of Actors’ Equity. Specifically, we are a Small Professional Theater (SPT) based on the number of seats, number of our performances, and the maximum weekly hours of work we provide to actors. We are also a producing theater. We produce every show on our stages. Meaning we choose the play, cast and rehearse it, build the sets, props, and costumes, direct and perform the music, and design lights and sound, utilizing regional resources and talent, all for you, our valued patron of the arts. Thank you for supporting live theater!

Creating Our Future Campaign Contributors

We gratefully acknowledge the support of the following individuals, corporations, foundations, government grants, and organizations that have contributed $1,000 or more to Creating Our Future: The Campaign for Beck Center.
