17801 Detroit Avenue, Lakewood, Ohio 44107 | beckcenter.org | 216.521.2540
Assistive Listening Devices (ALDs) amplify and clarify sound by cutting down or eliminating ambient noise. Assistive Listening Systems are installed in both the Senney Theater and the Studio Theater and were completely overhauled during the summer of 2021 to improve sound quality and performance. Headsets may be used at any seat and, with the upgrade, induction neck loops are also now available for patrons who use hearing aids and cochlear implants with a “T” switch. Ask your audiologist whether your hearing aid or cochlear implant has a “T” switch (telecoil) and how to use it with an assistive listening headset.

Who can use an Assistive Listening Device?
Everyone! While induction neck-loops are only compatible with hearing aids and cochlear implants that include a “T” switch, the ear speaker can be used by anyone who wants a little volume boost.

Will the patrons next to me be disturbed by the Assistive Listening Device?
ALDs are designed to deliver sound directly to an individual and work using specific reserved radio frequencies so as to not conflict with any other devices or equipment in use by the theatre or our patrons. In addition, the ear speakers and the neck loops are designed to be as inconspicuous as possible. It’s likely no one will even know you’re using one.

Are Assistive Listening Devices available for every show and event at Beck Center?
YES! As long as the event is held inside the Senney or Studio Theater.

Do I need to request an Assistive Listening Device in advance?
You do not need to request an ALD in advance of arriving at the theatre and an ALD can be requested at any time during an event. ALDs are distributed on a first-come-first-served basis free of charge. You may request your ALD at the Customer Service desk in the Beck Center lobby.

Is there a cost for using an Assistive Listening Device?
No, ALDs are distributed free of charge on a first-come-first-served basis.

Do I need to sit in a specific place to use an Assistive Listening Device?
No, all of our ALDs will work from any seat in any of our three theatres.

Do you clean your Assistive Listening Devices?
Yes, we follow the manufactures maintenance recommendations and use antimicrobial wipes to clean all earpieces and neckloops when they are returned before placing them back into storage.

Do I need to arrive early to obtain an Assistive Listening Device?
While obtaining an ALD will not take very long, we strongly recommend that all patrons arrive AT LEAST 20 minutes before the performance to allow time to park, get to the theatre, and find your seat.

I have a hearing aid or cochlear implant, will an Assistive Listening Device work for me?
Induction neckloops are also now available for patrons who use hearing aids and cochlear implants with a “T” switch. Ask your audiologist whether your hearing aid or cochlear implant has a “T” switch (telecoil) and how to use it with an assistive listening headset. Patrons find this to be the best way to use the ALD’s.

I have severe hearing loss, will an Assistive Listening Device work for me?
ALDs will generally help anyone who can understand normal conversation either without aid or with a hearing aid. For more severe hearing loss, an ALD alone may not be enough.

**About Beck Center**

Beck Center for the Arts is proud to be a part of Northeast Ohio’s professional theater landscape. Like our colleagues Playhouse Square, Cleveland Play House, Dobama Theatre, and Great Lakes Theater, Beck Center has a letter of agreement with Actors’ Equity Association. We hire professional actors from the Northeast Ohio region, including members of Actors’ Equity. Specifically, we are a Small Professional Theater (SPT) based on the number of seats, number of our performances, and the maximum weekly hours of work we provide to actors. We are also a producing theater. We produce every show on our stages. Meaning we choose the play, cast and rehearse it, build the sets, props, and costumes, direct and perform the music, and design lights and sound, utilizing regional resources and talent, all for you, our valued patron of the arts. Thank you for supporting live theater!

Creating Our Future Campaign Contributors

We gratefully acknowledge the support of the following individuals, corporations, foundations, government grants, and organizations that have contributed $1,000 or more to Creating Our Future: The Campaign for Beck Center. For more information on naming opportunities and touring our renovations, please contact Director of Development, Kristen Levy, at klevy@beckcenter.org.

We are excited to have begun the third and final phase of renovations, which includes the addition of new restrooms, dedicated classroom space for theater education, an ADA-accessible entrance, and a new marquee for the Senney Theater. When completed, Beck Center will have renovated over 55% of the campus (35,000 sq ft) to bring the standards of our facilities up to those of our programming.

CELEBRATING OUR PAST - CREATING OUR FUTURE

This is the first history book about Beck Center for the Arts covering the organization’s nearly 90 years of existence.

Available for $29.95 exclusively on Amazon.com, the book is printed and delivered on-demand, with all profits going to an endowment for Beck Center for the Arts. This collectable coffee table paperback book is 196 pages in length, with full-color photos starting with an explanation about the country’s “Little Theatre Movement,” the early days of the organization as “The Guild of the Masques,” to the evolution of Lakewood Little Theatre and the education programs, through today. Vital collaborations and historic news articles are included along with vibrant production shots of plays and musicals throughout the years. Stories of challenges and triumphs abound, and the birth of many of Beck Center’s stars, especially in theater and dance, are regaled.
