

THIS IS LIVING

DEEPLY ROOTED IN JESUS

Series Overview

In the Sermon on the Mount, Jesus reveals the fullness of His Kingdom: a good, true, and beautiful vision for all people. He invites us to join the Kingdom movement, not someday, but right now. In part two of this series, we explore the aspects of radical commitment, radical peace, and radical community in the ways and teachings of Jesus. This is living! And this is what it looks like for us as a movement of Jesus-followers, His church, to be deeply rooted in Jesus today.

Radical Community

November 5, 2023 | Acts 2:40-47

The church is designed by God to be a community of people committed to God and to others, and it is centrally important in God's Kingdom mission for the world.
