

# IN THE Beginning

## *Series Overview*

As followers of Jesus, we have an amazing story to tell. A story of goodness, love, pain, suffering and perfect redemption. Yet, do we know how to tell this story in today's contemporary culture? It is only when we embrace this true story of the Bible, can we understand our identity and purpose, and find how God has designed every part of life to fit together in meaningful and beautiful ways. This winter, we start to explore this grand narrative as we journey through the book of Genesis. Together, we hope to begin to re-discover a true understanding of the world we live in, it's divine author, and our own place in it.

## *Creation*

**January 7 , 2024 | Genesis 1:1 - 2:3**

God spoke all things into existence, and it was good.
