

Series Overview

In our journey through the story of scripture so far, we've seen that all of humanity and creation is trapped in a cycle of sin and brokenness, desperately in need of a Saviour. Now, at the centre and climax of this story, as God's people wait in longing, God sends Jesus to complete His saving work. In Jesus, a new era is inaugurated with the coming of God's Kingdom, yet it comes in an unlikely way; by Jesus' death on a cross. Now we are invited to walk in the new life that Jesus gives us, completely healed and restored, declaring the goodness of His Kingdom in the world around us.

A Compelling and Challenging Kingdom

March 17, 2024 | Mark 2:23-3:6

The Kingdom of God is both compelling and challenging. It calls us to surrender our own desires and expectations for the new way of thinking and acting that Jesus offers.
