

Series Overview

Christmas is a season of hope, peace, love and joy. It's a season of gratefulness as we celebrate the birth of king Jesus, our saviour. But is this our lived reality? Often the Christmas season is busy, stressful and chaotic. The stress of finances, family challenges, the loss of a loved one. Christmas can often be the opposite of what we are told it should be. Even worse our culture drives the stress through marketing and corporate greed. So how do we find hope, peace, love and joy in a season that has been hijacked by other things?
