

# GIFTED BY THE SPIRIT

## *Series Overview*

Every Christ follower is called to impact those around them through loving, joyful, gift-based service. The Bible gives us guidance and instructions around how this is lived out in the body of Christ, the church. God has given WMB Church everything it needs to be the church God is calling it to be. This means we have been given gifts that God wants each of us to use as part of His body. But the gifts He is calling each of us to use might not be what you think. The apostle Paul describes them as Spiritual Gifts. These gifts are different than natural gifts and learned gifts, they are gifts that only the Holy Spirit can empower us with. When we start using and growing in our gifts, we will experience the joy that comes from honouring God, serving others, and knowing part of our purpose in this life, that will ripple into eternity!

## *Spiritual Gifts: Character, Love & Disciplines*

**January 12, 2025 | 1 Corinthians 12:1-11**

The gifts of the Spirit need to be supported by the fruit of the Holy Spirit. Love, joy, peace, patience, kindness, goodness, faithfulness, and self-control are the core of spiritual gifts. The result of a gift must produce these fruits so we can know it's from God.
