

GIFTED BY THE SPIRIT

Series Overview

Every Christ follower is called to impact those around them through loving, joyful, gift-based service. The apostle Paul describes them as Spiritual Gifts. These gifts are different than natural gifts and learned gifts, they are gifts that only the Holy Spirit can empower us with. When we start using and growing in our gifts, we will experience the joy that comes from honouring God, serving others, and knowing part of our purpose in this life, that will ripple into eternity!

The Power Gifts Pt. 4

March 9, 2025 | Acts 2:17-18, 1 Corinthians 12:10

The gift of prophecy is communicating with human words something the Holy Spirit has sovereignly and often spontaneously revealed to a believer. It's the human report of a divine revelation.

Featured Events at WMB

Understanding Trauma Workshop: Join us on Thursday, March 20 at 7PM (Waterloo) for a free, in-person workshop exploring trauma—what it is, how it affects the brain and body, and the pathways to healing and recovery. Whether you’ve personally experienced trauma or simply want to understand it better to support others, this workshop is for you.

Waterloo Region Worships: Join us March 21 or 22 at Base Church Bloomingdale as we gather in worship with churches across the region, to celebrate the God who has been faithful in the past, is present in our lives today, and will continue to be faithful forever. This night is an opportunity to lift our voices in gratitude, declaring that no matter what we face, His mercies are new every morning, and His goodness never fades. Because of space limitations and the addition of a second night, you will need to get your free tickets for the night of your choice. Visit wrw.ca/events to reserve your tickets!

Teaching Church Workshop: We are excited to host Dr. Randy Wollf, to teach our net Teaching Church workshop/course, Missional Discipleship! We will explore Jesus’ Disciple-Making Heart and the posture he models in responsiveness to God, love for people and a heart bent on mission. Register now for the weekend workshop happening April 4-5.
