

Series Overview

We all have ideas of who God is, but are they accurate? What is God actually like and how do we know? This series will give us a greater understanding of who God is by going right to the source: God himself. By looking at how God describes himself in Exodus 34:6-7, we'll discover the wonderful, challenging, maybe even confusing, yet beautiful characteristics of God. By looking ahead to Jesus, we'll see that who God is and how he has revealed himself in Jesus has profound implications for the way we live our lives.

God is Slow to Anger

June 15, 2025 | Romans 5:6-10, Exodus 34:5-8

Yahweh is a highly relational God who's primary characteristic is compassion and grace, but who is also slow to anger. While many people can't seem to comprehend a God of love being angry, it is the love of God that justifies the wrath. God's wrath signifies that he deeply cares about us and the way we live.
