

Series Overview

We all have ideas of who God is, but are they accurate? What is God actually like and how do we know? This series will give us a greater understanding of who God is by going right to the source: God himself. By looking at how God describes himself in Exodus 34:6-7, we'll discover the wonderful, challenging, maybe even confusing, yet beautiful characteristics of God. By looking ahead to Jesus, we'll see that who God is and how he has revealed himself in Jesus has profound implications for the way we live our lives.

God is Abounding Love and Faithfulness

June 22, 2025 | Exodus 34:6

God's love and faithfulness are central to His character. God is loyal and committed, always trustworthy and reliable. We see this lived out through the life, death and resurrection of Jesus
