

Series Overview

We all have ideas of who God is, but are they accurate? What is God actually like and how do we know? This series will give us a greater understanding of who God is by going right to the source: God himself. By looking at how God describes himself in Exodus 34:6-7, we'll discover the wonderful, challenging, maybe even confusing, yet beautiful characteristics of God. By looking ahead to Jesus, we'll see that who God is and how he has revealed himself in Jesus has profound implications for the way we live our lives.

God is Forgiving

June 29, 2025 | Exodus 34:6-7

Forgiveness grows out of God's name, his character. It is part of God's inner essence, the deepest, truest part of His being. We are called to live forgiven and to forgive so we can experience the freedom a life Jesus promises.
