CEO Letter

Nazarene Compassionate Ministries Inc. completed a successful year in 2013. Highlights include delivering grant results in Swaziland for the Center for Disease Control and Prevention and The International Center for AIDS Care and Treatment Programs. In the United States we responded to natural disasters and provided capacity building assistance to the many Compassionate Ministry Centers in the USA/Canada Region.

NCMI is happy to be a strategic partner for the Church of the Nazarene and appreciate all of our partners in ministry: Fawn Grove Compassion Center, Convoy of Hope, Hands of Hope Northwest, Helping Hands Africa, United States Agency for International Development (USAID), Kudjip Nazarene Hospital, World Assist and Philippines Relief and Development Center.

I invite you to join us as we engage in the future!
