Tuition is based on four classes per month. Some months will have fewer classes due to school breaks and closure. Other months have five weeks of classes, depending on the calendar year. *Please note that the tuition is not pro-rated* when there are fewer than four classes, and in return, there are no added fees when a fifth week occurs. Tuition and other studio fees information provided are subject to change. Most classes will receive approximately 32 classes/year as this is what our tuition fees are based on, from September till June annually.

The Studio follows the British Columbia School District holiday/break and school closure schedule and will be closed on major holidays. The Studio may also be closed due to poor weather conditions. In the event of a school closure, the Studio will do its best to notify all Students and/or Registrants via phone or email and the tuition amount will not change for months with school closures due to holidays, breaks and poor weather conditions.

- 7. PAYMENT OF TUITION FEES.** Tuition Fees must be received in full by the Studio on or before the first calendar day of each month, unless the parties agree in writing in advance to the 15th of the month option. A complete calendar year is from September to June and tuition is due each month until calendar year is completed
- 8. COMPETITION FEES.** Students enrolled in a competitive class are required to participate in all competitions determined by the instructor. Competition fees are in addition to tuition fees and must be paid in full by November 30th of the current season. An approximate amount of \$125 will be collected from each competitive group as deposit until competition organizers have determined their exact fee amount. Any unused portion will be refunded

The Studio reserves the right to refuse the Student from attending classes until the full balance has been settled.

If the Student does not wish to participate in competitions, they are allowed to transfer to a non-competitive class provided that they give written notice on or before December 30th of the current season.

This notice must be in writing and must include the full name of the Student, the class they are withdrawing from, the new class they wish to transfer to, be signed and dated by the Student if over 19 years of age or by the Registrant for Students under 19 yrs of age.

There will be no refunds or credits for competition fees once a class is fully registered for a competition.

- 9. ARREARS.** Late payment, returned or non-sufficient funds (NSF) cheques are subject to an administrative fee of \$20.00 each, plus the amount of any service fees charges by a financial institution to the Studio. Although these fees are payable by the Registrant to the Studio, failure to pay the tuition fee on the due date is a breach of a material term of this Agreement. The obligation of the Registrant under this Agreement requires the tuition to be paid on the due date.

The Studio reserves the right to refuse the Student from attending classes until the full balance has been settled.

10. CLASS WITHDRAWALS. A Student may withdraw from a class at least one calendar month's written notice. A notice given before the day the tuition is due in a given month ends the registration at the end of the following month. For example, if the Student wants to withdraw at the end of November, the Student must make sure the studio receives written notice on or before October 31st. Similarly, if the Student gives notice on the 15th of October, the withdrawal is deemed to end on November 30th not November 15th.

This notice must be in writing and must include the full name of the Student who wishes to withdraw, the date the registration is to end, the class name he/she is withdrawing from, be signed and dated by the Student if over 19 years of age or by the Registrant for Students under 19 yrs of age and include the specific grounds for ending their registration, if the Registrant is withdrawing because the Studio has breached a material term of this Agreement.

All class withdrawals are subject to one month's tuition fee following the last month of attendance regardless of the number of sessions attended.

11. WITHDRAWAL CANCELLATIONS. Registrants or Students may rescind a withdrawal notice provided that they notify the studio at least one day's written notice before the date the withdrawal notice takes into effect.

The Studio reserves the right to refuse the Registrant from attending classes until the rescind notice has been received.

12. MISSED AND MAKEUP CLASSES. There will be no refunds or credits for missed classes. Students who are unable to attend classes due to illness must inform the studio in writing at least 12 hours prior to the start of the class.

Where the Students must be absent due to illness and 12-hour advance notice is not possible, lessons may be rescheduled. Classes will be made up at the instructor's discretion. However, if this occurs too often and the instructor feels that this privilege is being abused, the Studio reserves the right to charge the Student the instructor's private lesson rate.

Make up of missed classes is permitted subject to the instructor's availability and may be charged the additional instructor's private lesson rates. Students are expected to make their own make up class arrangements with the help of their peers or by requesting a makeup class with their instructor.

With notice and due diligence, instructors will work with students and parents to resolve any unforeseen circumstances that may arise so long as this does not negatively affect other members.

13. NOTICES, NEWS & UPDATES. Studio notices, news and updates will be sent by email at least once a month. It is advisable for all Registrants and Students to sign up for the monthly newsletter if they wish to stay informed on all Studio activities. A valid email address must be provided in Schedule A in order to sign up for the Studio's monthly newsletter.
