ABOUT ARTWALK

Since 1986, the Galveston Arts Center has been the proud organizer of ArtWalk. Held eight times a year on Saturday evenings in Galveston's historic district, ArtWalk is a self-guided walking tour of galleries, artist studios, and exhibition spaces, both commercial and non-profit, along with alternative art venues such as cafes and shops. Many participating locations also offer live music, refreshments, and opportunities for artists and collectors to meet.

ArtWalk supports our island's vibrant arts culture and connects visitors to a diverse network of places where they can appreciate, learn about, or purchase original works of art.
