

Help the Latah Democrats support locally owned eateries across the county—especially in our smaller communities. Our challenge to you: between now and November 7, enjoy a meal in 7 of the restaurants listed in the Passport or write in unlisted establishments. Have your waiter initial in the “verified” column and/or take photos of yourself while there, preferably wearing your "Latah County Dems" button, and email them to us at [info@latahdems.org](mailto:info@latahdems.org) along with any comments you'd like to make. We'll feature select photos and comments in our newsletters and social media!

Buttons will be available at the Democrats' booth at Latah County festivals this spring and summer and also from select Democrats. Contact us for details.
