Across All Our Girl Programs:

96% of girls said they believed they could achieve their goals

93% of girls said they feel comfortable working with people different from them

91% of girls said they can use critical thinking to find solutions to a challenge

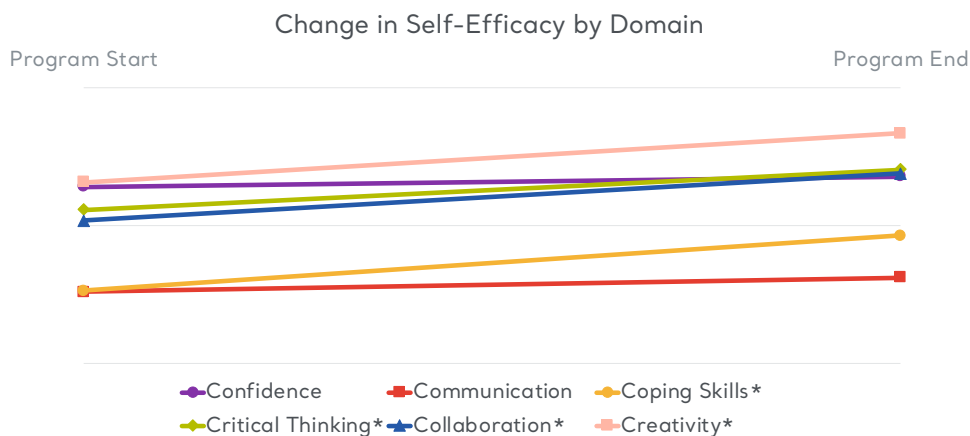

89% of girls said they could be kind to themselves when going through a hard time

95% would recommend Girls Empowerment Network programs to other girls

Girl Connect increased girls' self-efficacy in each of the Six Cs in 2019-2020!

*significant difference via paired 2-tailed t-test ($p < 0.05$)

What Our Network is Saying

"My daughter LOVES her Spark Kit. She went straight to enjoying it and talking about it and loving it. The personalized box is really special with stickers and positive messaging."

- Parent

"Girls Empowerment Network has been a reliable source of sunshine on our campus! The staff is amazing to work with and beautifully graceful examples for our girls. I wish every campus could have this service."

- Girl Connect school partner

"I'm happy that this box has activities in it that I can do on my own! My parents are always busy and this lets me be creative when I'm by myself."

- Girl Spark Kit recipient

"I loved the group because it was something I could look forward to. It was a great way to start my mornings and I got to see some of my friends there."

- Girl Connect participant

Thank you for your support!

Thank you!

Girls Empowerment Networks knows we can only ignite the power in girls because of the community of funders, school partners, volunteers, caring adults, and collaborators of all sorts who join us in our mission. We're so grateful for YOU!
