# Create your username

You can use the same username that you used before, as long as it meets the criteria:

**It must contain** at least one alphabetical letter, be at least 8 and up to 20 characters long. The first digit **must be** alphabetic.

**It must NOT contain** your account number, your social security number or your birth date.

# Create your password

You can use the same password that you used before, as long as it meets the criteria.

**It must contain** at least one alphabetical letter and be at least 8 and up to 20 characters long.

**It must NOT contain** your account number, social security number, or username.

It must also contain:

- At least one lowercase letter (a through z)
- At least one uppercase letter (A through Z)
- At least one number
- At least one special character

## Create your password
