RFP NU-FR-06
River Road House and Garage Demolition

ADDENDUM 01
ISSUED 10-20-21

Proposers are to acknowledge this Addendum No. 1 item:

1.0 Additional Scope of Work

In addition to the scope of work listed in the RFP, there is an existing septic tank located on the property. The existing septic tank shall be emptied of all effluent wastes with the top cover being crushed and the void space filled with compacted soil or any other approved material. All wastes pumped from the septic tank shall be disposed of at either a municipal waste treatment facility or a MDEQ approved land application site.
