- d. The League is administered by the Junior Competitions Administrator who is responsible for the day-to-day running of the League.
- e. Each club shall appoint a Junior Prime Contact for the purpose of correspondence and a point of contact for each team fielded within the League. These contacts MUST be entered on the club's contacts list on the Hampshire Hockey Association's website:

- f. The Junior Competitions Administrator may impose fines, deduct points, suspend teams or impose such other penalties as it shall think fit.

## **5. Matches and Conditions of Play**

- a. All matches shall take place on Sundays as directed by the Junior Competitions Administrator or on such other days as may be approved.
- b. Matches shall be 2x35 minutes except for U12 which will be 3x20 minutes
- c. Each club shall play a full junior team. A "Junior Player" is defined as one who has not reached their 18th birthday by the 1st September of this season for the under 18 League, 16<sup>th</sup>, 14<sup>th</sup> or 12<sup>th</sup> birthday (by the 1st September) in the case of those Leagues respectively.
- d. A squad shall consist of a maximum of 16 players (18 players in case of a triangular fixture).
- e. A 2<sup>nd</sup> XI or lower team participating in any competition shall mean the 2<sup>nd</sup> or lower strongest team available on any given match day assuming that the strongest available teams above them within any club have already been selected, whether or not such teams have fixtures.
- f. An official of each Club shall give full particulars of the situation of the ground and time of start to the contacts of all opposing clubs due to play a match at such ground. At least ten days' notice shall be given unless there is good reason otherwise.
- g. The home Club shall be responsible for the provision of an adequate supply of hockey balls for each game.
- h. Matches must be played on an all-weather pitch.
- i. The use of face masks during penalty corners is advised but is not mandatory.
- j. Teams must have a fully kitted goalkeeper if one is available. However, teams are permitted to field 11 outfield players if:
  - There is no adequately trained goalkeeper available for the date of the fixture provided that the Junior Competitions Administrator and the opposition have been informed prior to the day of the match; or
  - An unforeseeable event (such as an injury) occurs on the day of the match to prevent the selected goalkeeper either starting or completing the match.

### **Under no circumstances are teams permitted to play a kicking back**

- k. Only players who are at least 13 years old on the day of the game may play in Under 16 or Under 18 matches

## **6. Fixtures**

- a. The Junior Competitions Administrator shall arrange and administer all League Fixtures.
- b. Clubs must ensure their contact details on the HHA website are up to date at all times. Clubs must enter their teams using the Hampshire web system as advised by the Junior Competitions Administrator and by the date set. The Junior Competitions Administrator shall post the league tables on the HHA website.
- c. League fixture dates will be set each season by the Junior Competitions Administrator and advised by the 1st July for the following season.
- d. Clubs must list/update their home fixtures on their club page of the HHA website, preferably as soon as these are published by the league and in any case no later than two weeks before the date of the fixture. The details should show the venue and start time. Home teams must make contact with the opposition at least ten days before a match to confirm the details.

- e. A match may only be abandoned once it has commenced by the unanimous decision of both umpires. The managers of both teams shall be deemed to have transferred their powers in this respect to the umpires jointly.
- f. Any team not being able to fulfil a fixture and not notifying the opposition with at least one week's notice will be liable for the opposition's reasonable costs which can include travel costs and facility hire costs.

## 7. Postponements & Notification

- a. A League fixture may **only** be postponed due to the following two reasons:
  - 1. Due to adverse weather or ground conditions. The appointed home team manager or in their absence an official of the home team are expected to make sensible arrangements to check the condition of the pitch when weather conditions have been bad in the 48 hours prior to match day or are expected to be bad on match day. It is the home teams responsibility to make a pitch inspection as early as possible on match day; i.e. as early as access to the pitch is possible in the morning. If play is impossible the home team should give notice of such postponement immediately to the opposing side and then to the Junior Competitions Administrator and umpires. Failure to do so will result in the match being awarded to the visitors as a win by 8 - 0. Failure by the home team or club to notify the Junior Competitions Administrator of a postponement due to adverse weather or ground conditions will incur a financial penalty of £20 per incident.

It is also accepted that occasionally weather conditions will be such that although the pitch may be playable, the conditions for the away team mean that travelling is impossible or too dangerous. That should be taken into account when deciding is a game should be postponed.

If a match is cancelled due to weather then within a week of the original date the Home team must make contact with the opposition and provide a minimum of 2 new dates for the fixture to be played. These new dates must be sensible and not conflict with any activity already planned on the calendar. Failure to do so will result in the match being awarded to the visitors as a win by 8-0. If two new dates are provided but the visiting team do not respond with their availability for the new dates within 14days then the points will be awarded to the home team as an 8-0 win.

Furthermore, if the away team rejects the two proposed dates they will forfeit the match 8-0. If there is any dispute as to the suitability of the two dates, the Junior Administrator will assess the suitability and the Junior Administrators decision will be final. Please note only a priority date clash will be an acceptable rejection of a date put forward by the home team.

- 2. Due to a clash with an EH Junior Competition. EH competition dates take priority over Hampshire Junior League Fixtures. If your team has an EH competition date on a day that you are due to play a league fixture you must notify the opposition as soon as possible and provide at least 2 new dates for the league fixture to be played. These new dates must be sensible and not conflict with any activity already planned on the calendar. Failure to do so will result in the other team being awarded an 8-0 win.

If the other team rejects the two proposed dates they will forfeit the match 8-0. If there is any dispute as to the suitability of the two dates, the Junior Administrator will assess the suitability and the Junior Administrators decision will be final. Please note only another priority date clash will be an acceptable rejection of a date put forward.

- b. Teams unable to complete a fixture for reasons other than in 7a will be deemed to have lost the game and both teams are required to enter the score 8-0 in favour of the opposition, on the HHA website. Failure to enter the score in this manner will incur a financial penalty as described in Rule 8. If at a future date both teams agree to re-play this match, the Junior

Competitions Administrator will, upon application by the home club, cancel the 8-0 result and re-instate the match for the agreed date.

*Note: Rule 7b is put in place to prevent teams cancelling fixtures at short notice which causes problems for the opposition finding alternative dates and pitch slots. It is anticipated that there may be occasions when teams have to agree on a different date for a fixture well in advance of the fixture date. Providing both teams have reached agreement, communicated this to the Junior Competitions Administrator and the dates are entered on the HHA website this is, of course, acceptable. If agreement cannot be reached or another date found, rule 7b comes into force and the team unable to complete the fixture will be deemed to have lost the game.*

## 8. Results & Notification

- a. Please see rule 13(c) regarding maximum score that can be input onto the HHA website.
- b. **Both clubs must input the result onto the HHA website by 9pm on the day after the match.** The input of results will be date and time-stamped and checked by the Junior Competitions Administrator. Clubs must ensure that their team managers have all the relevant details to log on to the club's admin pages of the HHA website or that a system is in place within the club for notification of scores.
  1. The first team to log in will input the result. Once the opposition logs in and inputs the same result, the score is confirmed. If the scores do not match, the 2<sup>nd</sup> team to input the result must make contact with their opposition to confirm the actual result and the Junior Competitions Administrator must be notified before 9pm on the day following the match. If no notification is received by the Junior Competitions Administrator, they will confirm the score with the least goal difference.
  2. If only one team enters a score by the stated due day and time, the result will be confirmed by the Junior Competitions Administrator and the offending club will be fined £20.
  3. If neither team enters a score, the Junior Competitions Administrator will confirm the score as 0-0. Both teams will have 1 league point deducted to counteract the draw and both clubs will receive a £20 fine.
  4. In the event that the HHA website is experiencing technical difficulties, an e-mail must be sent to the Junior Competitions Administrator ([juniors@hampshireha.co.uk](mailto:juniors@hampshireha.co.uk)) by the due day and time. Failing to do so will incur a penalty of £20 per incident.

## 9. Club Colours

## 10. Umpires

- a. Each Club must provide an umpire for each game. In the event of a Club failing to provide an umpire for a match, that match shall be deemed to have been played and the side failing to provide such umpire shall be deemed to have lost the match by a score of 0 – 3.

- a. The League position of a team shall be determined on a points basis with teams scoring three points for each League match won and one point for each match drawn.
- b. In the case of a league title decision, if teams are still level a further match on K.O. Cup rules may be arranged. This match will be at the end of the season by agreement with the League Management.
- c. If the goal difference is more than eight in a match, the two managers/coaches should discuss the option of mixing the teams up to make it fairer. The maximum goal difference that should be posted on HHA website is eight.
