

In 2019 clubs & their members bought over 20,000 tickets to support the GB men's and women's teams in the FIH Pro League.

For 2020, we have created **HOCKEY REWARDS** to turn that support of the national teams into extra value for your club.

HOW IT WORKS

- Clubs let their members know about the FIH Pro League and how they can buy tickets
- Members buy tickets independently and can 'tag' their club.
- Any FIH Pro League 2020 tickets bought qualify, as long as your club is selected with the Hockey Family selector tool on the ticket website.
- 1 FIH Pro League ticket bought = 1 Hockey reward point
- Collect points for your club to enter our Grand Prize Draw or to redeem against one of the rewards
