

Who We Are

Project SAGE is the domestic violence agency in Northwest Connecticut. We are advocates and prevention educators, who want to support victims of all kinds of interpersonal violence, including non-consensual image sharing.

are being
threatened
with non-
consensual
image
sharing,
there are
steps
you can
take.**

PROJECT
SAGE

*Support • Advocate • Guide • Educate
to end relationship violence*

Reach out for Emotional Support

Trusted Adult

Talk to a trusted adult: parent, caregiver, teacher, coach, or other community member.

Trusted Friend

Reach out to a trusted friend for support as you contact one of the adults mentioned above.

Outside Support

Contact Project SAGE at 860-364-1900 or contact your local domestic violence agency

Text "THORN" to 741741 to speak to trained counselor and get support during a moment of crisis. (Available in English and Spanish.)

Deal with the Accounts and Evidence

Limit Access

Consider whether to block, mute, or restrict the other person. (Keep in mind whether they will know about this action and what will meet your needs.)

Report It

Report to the platform where images are posted. some helpful platform-specific information can be found here:

bit.ly/4cz14TQ

Save Evidence

Do not delete the account.

Get screen shots of pages with the URL, time and date. Save them as PDFs.

If there is video footage, download the entire video to a hard drive.

Consider whether to include a Litigation Hold Request.

Get Legal and Technology Support

Technology

To get images taken down:

takeitdown.ncmec.org

To prevent images from being posted:

stopncii.org

Legal

If you feel ready, report to NCMEC at report.cybertip.org

If you feel ready, report to the FBI. FBI tip line 1-800-CALL-FBI or tips.fbi.gov
