

2019 Sample Attendees

“Excellent mix of operators, contractors and solution providers.”

— Sudhir Pai, Managing Director – Robotics, Schlumberger (former)

Here’s a snapshot of some of the 1100+ attendees at the Summit this year:

3binspection, President
3binspection, VP of Operations
ABS, Principal Engineer
ABS, Advanced Solutions, Sr. Advisor
Accenture, Managing Director
Accenture, Digital Manager, Autonomous Systems Practice
ACTT, NDT Assistant
ACTT, NDT Technician
Acuren, Mechanical Integrity Lead
Adams and Reese LLP, Attorney
Advanced Oilfield Innovations, VP Operations
Advanced Services Provider, Director
Aerobotics Energy Group, CEO
Aerobotics Energy Group, Chief Pilot
Aerobotics Energy Group, Sensor Data Manager
Aerobotics Energy Group, Visual Observer
AES Corporation, Global Drone Program Manager
AFPM, Regulatory Specialist
Agri-Space Tech, LLC, CEO
Airbus, Executive Director North America
Airrow Ltd, CEO
Airswift, Client Partner
Airswift, Client Service Manager
AirXOS, part of GE, Aviation Director, Flight Operations
AirXOS, part of GE, Aviation Head of Business Development
Alerion Technologies, CEO
Allred Creates, Owner
Altos, Partner Executive in Residence
Amerapex, Engineer / Technology Analyst
Ameren, Supervisor UAS Operations

American Bureau of Shipping, Senior Managing Principal Engineer
American Bureau of Shipping, Senior Technical Advisor
AmFlight Services, Partner
AmFlight Services, Partner / Pilot
Anadarko, Aerial & Visual Analytics
Anadarko Petroleum, Geoscience Tech Advisor
Anadarko Petroleum, Manager Aerial Analytics
Anadarko Petroleum, Sr. UAS Analyst
Anadarko Petroleum Corporation, UAS Operations Analyst
APECS, President
Apellix, Cofounder CEO
API, UAS Lead and Manager
Applanix Corporation, Global UAV Sales Manager
Aramco Services Company, Engineering Specialist
Aras, Digital Owner
Ardenna, Director / Business Dev.
ARIX Technologies, Electronics Engineer
ARIX Technologies, Manufacturing & Test Engineering Lead
ARIX Technologies, Mechanical Engineering Lead
ARIX Technologies, President
ARIX Technologies Systems, Engineering Lead
ASME, Project Engineering Advisor, Standards & Certifications, Initiatives
ASME, Robotics Product Development Manager
Atlas Inspection, Ops manager
ATS, Lead Retrieval
Austin Industrial, Operational Technology Intern
Austin Industrial, Program Manager
Austin Industrial, VP Operational Technology

AUVSI, VP of Regulatory and Safety Affairs & Chief Pilot
AVIAN Inc., VP of Growth Solutions
Avitas Systems, UAS Operations Director
Azure Sky Drone Services, LLC, President & C.E.O.
Balboa, President
Ballard Power Systems, Hydrogen UAS Director
Barr Engineering Co., Corporate Business Development
Barr Engineering Co., Mining Engineer
BASF, Drone and Robotics Expert
Bazean, Analyst
Bazean, Beta Engineer
BBL Ventures, Managing Partner
Bechtel Equipment Operations, UAV Operations and Chief Pilot
Benthic USA, VP Support Services
BGE Inc, UAS Manager
BHI Energy, Field Survey Technician
BHI Energy, Survey Supervisor
BHP, Engineering Drone Pilot
BIC Alliance, Editor in Chief
BirdsEyeView Aerobotics, CWB
Blue Ridge Services Inc., Engineering Consultant
Boardwalk Pipeline, Company Director of Environmental Compliance & Remediation
Boardwalk Pipeline, Partners Lead Analyst Application Development
BP America Inc. - Upstream Engineering Centre SETA, Inspection, Testing and Commissioning Materials Team
BP America - Houston, Senior Mechanical / RBI Engineer
BP International, Technology Principal
BrandExtract, VP Technology
Bright Horizons, Director

Bureau Veritas, Asset Inspection
ByteStone AI, CEO
C.A. Richards & Associates, President
California Resources Corporation, Facilities Engineer
California Resources Corporation, Operational Excellence Advisor
California Resources Corporation, Operations Supervisor
Calvert Street Capital Partners, Partner
Cape Productions, Director of Operations
Caterpillar Inc, EHS Manager
Cavugroup, BD
Center for Robot-Assisted, Director
CenterPoint Energy Consulting, Engineer
CenterPoint Energy Distribution Services, Coordinator
CenterPoint Energy, Service Consultant Supervisor - Power Delivery Solutions
Cheniere, Manager - UAS Program
Cheniere Energy, Inc., Manager - Asset Integrity
Chevron, Business Development
Chevron, Category Specialist
Chevron, Decommissioning Project Manager
Chevron, Digital Strategist
Chevron, Energy Technology Company Category Manager
Chevron, GIS Coordinator
Chevron, Global Aviation Safety Manager
Chevron, Global Fleet
Chevron, Global Fleet Category Mgr
Chevron, Global Logistics Advisor
Chevron, Global Logistics Category Mrg
Chevron, Inspection Engineer

2019 Sample Attendee List

Where the Energy & Engineering Unmanned Industry Meets

Chevron, ITC-Infrastructure Assets / Network Assets

Chevron, Manager IT R&D

Chevron, Network Engineer

Chevron, Security Design Advisor

Chevron, Sr. Project Advisor

Chevron, Technology & Innovation BIN Leader

Chevron, Technology Strategist

Chevron, UAS Coordinator

Chevron, Upstream Digital Advisor

Chevron Venture, Executive

Chevron Corporation, Aviation Advisor

Chevron Nigeria, Limited Senior Surveyor

Chevron Technology Ventures, Business Development

Chevron USA, Director of Maintenance

Clariant, Head of Digital Strategy

COGNAC CORPORATION, VP Programs

Cognizant, Chief Technology Officer

Cognizant, Global Drones and Image Analytics Venture Leader

Collins Aerospace, Sr Research Engineer

ConocoPhillips, Director - Advanced Technology

ConocoPhillips, Director - Operations Excellence-Knowledge / Innovation Lead- UAS Advisory Team

ConocoPhillips, Engineering Superintendent

ConocoPhillips, Engineering Superintendent

ConocoPhillips, Engineering Superintendent

ConocoPhillips, Integration manager

ConocoPhillips, IT Communications

ConocoPhillips, IT Infrastructure Supervisor

ConocoPhillips, Technology Director

Consortiq LLC, Vice President

Consulate of Canada, Houston Consul & Trade Commissioner

Convergent Technologies, Energy Principal - Advanced Solutions

COP Captain

Copter Source, Drone Technician

Corva, Specialist Lead

Crafton Tull, Survey Coordinator | Energy Services

Crafton Tull, VP UAV Surveyor

Crestone, CEO

CT Gorman & Associates, Partner

Cumulus Technologies Inc, Founder / CEO

CyberHawk, SVP USA

Cyberhawk Innovations, VP Technology Solutions

Dana Wells & Associates, Inc., CEO & Principal

DAS, Technology Lead

DataWing Global, COO

DataWing Global, Executive Vice President, Co-Founder

DataWing Global, President

DeepRock Advisors, Partner

DeepRock Advisors, Partner

Delair, Channel Manager North America

Deloitte, Commercial Market Leader

Deloitte, UAS Specialist Master

DesignStein LLC., President

DFS Autonomous Services International, Sales Director

Diakont, Director of Sales

Dimensional Engineering, Inc., Director of Operations

DJI, Director of Business Development

DJI North America, Enterprise

DJI Solutions, Engineer

Dominion Energy, Maintenance Coordinator

Dow, Drone Pilot

Dow Global, Robotics Specialist

Dow, Senior sUAS Pilot

Dow, sUAS Pilot

Dow Chemical, Site Innovation Focal Point

Dow Chemical, UAS Pilot

Dow Chemical Company, Global Robotics Systems

Dow Chemical Company, Robotic Systems Engineer - USGC Regional TES Tech Center

Drone America, CTO

Drone Logbook, Partner

DroneUp, COO

DroneView Technologies, CEO

Duke Energy, Manager - Unmanned Aerial Systems

Duke Energy, Managing Director - Aviation

Duke Energy, UAS Coordinator

E2 Consulting Engineers, Inc., Sr. Pipeline Engineer

Eagle Eye Geospatial, Geospatial Analyst

Eagle Eye Geospatial, Technical Services Manager

Ease Drones, Operator

Echodyne, Commercial Director

Eco Technologies Inc., CEO

Eddyfi Technologies, Field application Engineer

Eddyfi Technologies, Technical Sales Specialist

Elliott Services Inc, Operations Manager

Enbridge ILLI, Technical SME

Enbridge, Manager Of Aviation US / CAN

Enbridge Inc., Safety and Quality Administrator

Encana, Lead - Travel

Encana, Security Manager

Energage Director, Energy

Energy Drone & Robotics Coalition, Director

Energy Training Resources LLC, Managing Director and Instructor

Energy Transfer, Engineering Manager

Energy Transfer, GIS Manager

Energy Transfer, Senior Manager

Energy Transfer, Sr. Manager - Aerial Patrol

EnergyTransfer, Aerial Patrol Pilot

Eni Petroleum, Logistics Manager

Eni Petroleum / Alaska, Clean Seas Lead Spill Technician

EnRUD Resources, Environment Specialist

Entergy Services Inc, Scheduler / Dispatcher

Entergy Services Inc., Director of Aviation

Entergy Services LLC., Unmanned Aerial Systems

EPRI, Senior Technical Leader

EPRI - Electric Power Research Institute, Senior Technical Leader - NDE Innovation

Equinor, Investment Mgr

Equinor, Principal Researcher

ERM, Director - Digital Business

Ernst & Young, Executive Director

Ernst & Young, Sr Manager Digital Transformation

eSmart Systems, US Vice President - Sales & Marketing

ETAK Systems, Director of Engineering

ExxonMobil, Chief Inspector

ExxonMobil, Chief Inspector

ExxonMobil, Manufacturing Business Support Advisor

ExxonMobil, Global Services Company Digital Exploration Lead - IoT

ExxonMobil, Global Services Company Digital Ventures

ExxonMobil Research and Engineering Company, Technology Scouting and Ventures Advisor

FAA, Airspace Security Specialist

FDI Creative, Owner

Fenstermaker, Business Development - Energy Services

FieldBridge Energy, President

Fife Services Inc., Director of Technology

Firmatek, Chief Drone Officer

First Solar, Analyst

2019 Sample Attendee List

Largest Gathering of the Oil & Gas,
Power and Utilities Industries

First Solar, Field Service Manager

Flight Safety, International Trainer

Flight Safety, International Trainer

FLIR, UAS Business Development Manager

Fluor Construction, Automation Manager

Fluor Construction, Innovation and Visualization

Fluor / Stork, Innovation Director

Foro Energy, CEO

Fortem Technologies, CEO

Fortior, Advisor

Fortior, CEO

Fortress, UAV VP

Frame Enterprises, Pres

Frost & Sullivan, VP Americas - Aerospace, Defense & Security

Frostwood Energy, Construction Manager

Frostwood Energy, Operations Manager

Frostwood Energy, Production Engineer

Frostwood Energy, Production Engineer

Frostwood Energy, Production Engineer

Frostwood Energy, Production Superintendent

FutureOn, Principal

Galaxy Midstream Resources LLC., Sr. Project Manager

GEMCITY, Engineering Engineer

General Atomics, Deputy Director

General Atomics Aeronautical Systems, Inc., Business Development Manager

Geophysical Technology Inc., President & CEO

Global Aerospace, Sr VP

Global Borescope, Inspector Pilot

Global Borescope, Production Manager

Golden Section Technology, Technology Advisor

Grand Sky Development Company LLC., Chief Marketing Officer

Grand Sky Development Company LLC., Founder & CEO

Grand Sky Development Company LLC., President

Guinn Partners, Partner

Guinn Partners, Partner

Gulf Energy, Information Regional Manager

H&N Equipment and Mfg., LLC., Partner

HALOAlpha, Owner

Hangar, Senior Director of Marketing

Harris Corporation, Business Development & Strategy Program Manager

Harris Geospatial, Director Utilities Solutions

Hart Energy, Associate Editor

Hartford Steam Boiler, Sr Engineer

Hawk Drone Services LLC., Vice President

HCC, Strategic Advisor

Hebert Geophysics, Geophysics Advisor

Hess Oil, Sr. EHS Specialist

HGA, Survey Manager

HGA, UAS Specialist

Hogan Lovells, Partner

Honeywell UAV Inspection Services, Senior Technical Manager

Houston Energy, Industry News - Editor in Chief

Houston Fire Department, Engineer / Operator

HRST Inc., Field Engineer

HSI, Mission Support

HSI, SA

HSI, SA

Hunt Guillot & Associates, Geospatial Manager

Hunter McKenzie LP, Owner

Husky Energy, Applied Innovation Advisor

Husky Energy, Sr Digital Solution Engineer

HUVRdata, CEO

HUVRData, Product Engineer

Hydrex Environmental, General Manager

Hydrocarbon Processing, Editor in Chief

iMerit, Director of Customer Solutions

InnovationMap, Editor

Inside Unmanned Systems, Technology Editor

Insitu, Inc., Commercial Solutions

Intel, Drones Operations Lead

Intel, General Manager, UAV

Intel Corporation, Business Development Manager - Enterprise Data Management Solutions

Intel Corporation, Director - Enterprise Data Management Solutions

Intelligent Energy, North America Manager

Intelligent Stardust LLC., Managing Member

Interactive Aerial, President

Intercontinental Terminals Co., EH&S Director

Intercontinental Terminals Co., Technical Director

Intercontinental Terminals Company, API QA / QC

Intertek API, inspector / pilot

Intertek, Director

Intertek, Specialty Services Manager

Invista, API Unit Inspector

IPOZ, Corporate Strategist

IRIS NDT, Mechanical Engineer

IRIS NDT, Mechanical Engineer

IronClad Encryption, Owner

JHW Unmanned Solutions, LLC, President

JLB Financial Inc., Financial Consultant

Johnson Consulting & Advisory, President

Keane Group, Petroleum Engineer

Kespry Inc., Strategic Account Executive

Kiewit, Field Inspection Services Manager

Kindermorgan, Manager

Koch Specialty Plant Services LLC., Director, Asset Integrity Management Services

Koger Remote Sensing, Expert Witness

KPI Soft, Managing Partner

Laserstream LP, Operations Manager

LCRA, Technical Services Manager

LCRA, UAS Program Supervisor

LeClair Ryan, Partner

Liberty Tower & Flare, CEO

Liberty Tower & Flare, President

Light Data Labs, Chairman

Liquid Robotics Inc, a Boeing Company, Business Development - Commercial

LOGIX FIBER NETWORKS, Technology Solutions Consultant

Lone Star College, Director

Lone Star College, North Harris Campus Lead Instructor - Inspection Technology

Lone Star UAS Center of Excellence & Innovation, Chief of Operations

LORD Corporation, Sr. Business Dev Manager

LyondellBasell, Consulting Engineer

LyondellBasell, Control Systems Analyst

LyondellBasell, FES

LyondellBasell, Operations Process Consulting Specialist

LyondellBasell, Robotics

LyondellBasell, Asset Inspection Director

LyondellBasell, Tank Cleaning Field Coordinator

LyondellBasell, Technologist

LyondellBasell, Technology Director

M6 Drone Services LLC., Owner / Certified Operator

2019 Sample Attendee List

Marathon Oil , IT Manager - Digital Solutions	Occidental Petroleum , IT Systems Advisor	Precision Aerial Compliance Solutions , CEO	S3M Solutions LLC. , Director
Marathon Oil Company , Director Digital	Occidental Petroleum , UAS Coordinator	Precision Hawk , Event Manager	San Diego Gas & Electric , Aviation Services Manager
Maxon Precision Motors , Business Development Engr - Aerospace & Defense	Oceaneering , Director - Emerging Technologies	PrecisionHawk , Vice President of Legal & Policy Affairs	San Diego Gas & Electric , UAV Project Advisor
McCarthy Building Co. , VDC Engineer	Oceaneering , Sr. Product Engineer	Premium Inspection & Testing Group , Capitol Division Unmanned Manager	Sarcos Robotics , Sr. Sales Director
McKim & Creed , Survey Project Mgr	Oilstaff , Director of Operations	Premium Inspection & Testing Group , Unmanned Operations Manager	Satelytics , President & CEO
Measure , CEO & Co-Founder	Olympus Scientific Solutions , Business Development Manager	PRENAV, Inc. , Founder & CEO	Satelytics , CEO
Measure , Chief Strategy Officer	OMIES , UAV OPERATOR	Prime Natural Resources, Inc. , Data Analysis Director	Scantron Robotics , CEO
Meaux Energy , CEO	OMK Enterprises dba WILMAR DELTA , HSE	PropelUAS by Evans Incorporated , Senior Unmanned Systems Consultant	Scantron Robotics , COO
MFE Rentals , Instructor Pilot	OMK Enterprises dba WILMAR DELTA , Operator	Puget Sound , Energy Manager IT	Scantron Robotics , Recruiter
MFE Rentals , East Reg General Manager	Onyx Services , Director of Business Development	PwC , Manager	Schlumberger , Managing Director - Robotics
Miami Aerial LLC. , CEO	OptaSense , Business Development Manager - Security	PwC Oil & Gas , Benchmarking Lead	Scopito , Managing Partner for Reseller
Microsoft , Product Management	Optelos , CEO	Qittit , Executive	Sea Design LLC. , Field Manager
Miracle Films , President	OrionCase , New Business Manager	Qittit , Senior Consultant	Sea Design LLC. , Robotics / Unmanned Systems
Mistras Group , Operations Manager	Patriot Airborne Precision , Imaging Mechanical Eng / Analyst	QRI , Developer	SeaTrepid International , CEO
Mitsubishi , Director	Patriot Airborne Precision , Imaging Owner	Quantum Spatial Inc. , Sr. VP, Products & Innovation	Securitas OG&P , Vice President
Mitsubishi , Head of Oil & Gas Development	Pecos Data Systems , Owner	Quantum Spatial, Inc. , Sr. Vice President	SeekOps Inc. , CEO
Mitsubishi Heavy Industries , America General Manager	Pedernales Electric Cooperative , Technical Services Supervisor	Quest Integrity , Vice President - Advanced Digital Imaging	Seikowave Energy , VP - Business Development
Mitsubishi Heavy Industries, Ltd. , Deputy Manager	Pelfaco Limited Director , Technology Division	Rangevideo , Owner	SELEX Galileo Inc. , Director - Business Development
MongoDB , Technology Evangelist	Pelican Energy Partners , Advisor	Rapid Imaging , CEO	Shell Aviation Safety and Compliance , Manager - Americas
Monroe Energy , Environmental Engineer	Percheron , Project Coordinator sUAS	Raptor Aerial Services , Owner	Shell Enterprise , Category Manager - Offshore
Moog Inc. , Business Development Engineer	Percheron, LLC. , Director, Operations and sUAS	RBL Commercial Enterprises , Employee	Shell Enterprise , Category Manager - Offshore
My Drone Services , Advisor	Perlin Energy , CEO	Reinsvold & Associates , CEO	Shell , Project Manager
NB Power , Point Lepreau Generating Station Technical Supervisor - Mechanical Maintenance	Petrodrone , Manager	Remote Intelligence , President	Shell, Workflow Consultant - Geomatics
NGI Services, LLC. , Co - Founder & CEO and owner	Phillips 66 , Senior ER Consultant	Requis , Director of Inside Sales	Shell Americas , Aviation Safety and Compliance - RPAS MGR
Nicomatic Applications , Engineering Manager	Phillips 66 Sr. , Security Architect, Security Technology	RespondAir UAS , CEO	Shell Canada , Limited Corporate Geo-Information Management
Noble Energy Inc. , LDAR Manager	Phoenix Air Group, Inc. , UAS Operations Manager	REVUS , Consultant	Shell Deer Park Refining , Security Specialist - UAS Chief Pilot
Noble Energy Inc. , LDAR Technician	Phoenix Air Unmanned , Managing Director	Rice University , Research Scientist	Shell Global Solutions , Digitalisation - Robotics SME
NRG Engineering , Project Manager	Plains All American , Director - Training	RM6 Aviation, LLC. , Owner	SiteSee , Director
NTG Environmental , Air Permitting Scientist	Planet Forbidden Pictures , Graphic Designer	Robert Allred Photography & Drones , Owner	Sky Drone Imaging Inc. , President
NYU , Research Scientist	Power Flow Media , CEO	RoboNation , Executive Director	Skycraft APV, LLC. , CEO
		Robotic Skies , Director of Marketing	Skydio , Business Operations
		Robotic Skies , Director of Operations	
		S3M Solutions LLC. , CEO	

2019 Sample Attendee List

Skynetwest, President & CEO
Skypersonic Inc., Business Development Manager
Skyscopes, Chief Revenue Officer
SkySkopes, President & CEO
Skyward Director, Client Strategy
SMG Drones, Owner - SMG Drones
Soaring Eagle Imaging, Director of Training
Society of Petroleum Engineers, Editor
Society of Petroleum Engineers, Associate Editor
SolSpec Solutions, Founder & CEO
SolSpec Solutions, VP Corporate Strategy
Southern Brush Pipeline Services, Administration Aviator Operations
Southern Brush Pipeline Services, AOM
Southern Brush Pipeline Services, Asset Integrity Technician
Southern California Edison, Engineer
Southern Company, Director - System Air
Southern Company, UAS Program Director
Southern Service Inc., Operations Manager
Southern Service Inc., Safety Director
Southwest Research Institute, Manager R+D
Southwestern Energy, Chief Pilot
Steel Painters, Inc., President
STPNOC Procedure, Writer
Strategic Geographics, Consultant
Summit Effects LLC., Geographer/Owner
Survae., COO
Swift Technical, Operations Manager

Tacoma Public Utilities, Management Analyst
Tacoma Public Utilities, Management Analyst
Taylor and Hill Inc., System Admin / Laser Scan Tech
TBNA, Chairman - Board of Directors
TCS Business Solutions, Head
Team Industrial Services, Inc., Product & Service Line Director, Advanced NDE & Inspection
TechnipFMC, Engineer
TechSpace, Site Manager
Telos Aerial, Manager
Tenax Aerospace, BD Ops
Tendenci, Founder & CEO
Terra Drone, C.E.O. & Founder
Tessellations Inc., President
TETCO Engineering Services Ltd., Director
TETCO Engineering Services Ltd., Manager
Texas A&M CC Lone Star UAS Center, Acting Executive Director
Texas A&M Mays EMBA
Texas Drone Company, Founder
Texon LP, Sr Business Analyst
TGC Engineers, President
The Augustus Group, President
The Demo People, Founder & CEO
The Marvel Firm, Owner
The Visual Cue, Principal Director
The Visual Cue, Project Manager
ThunderPower Batteries, Technician
TMI Solutions LLC., Director of Operations
TNT Drone Imaging, CEO
TNT Drone Imaging, CFO
Tomahawk Robotics, CEO

Top Flight Co-Founder, COO
Top Flight Technologies, VP Autonomous Systems & Software Engineering
Topcon, Director
Travis Insights, LLC., Managing Partner
Trumbull Unmanned, Founder & CEO
TSC Environmental, Project Manager
Turner Specialty Services, Chief UAV Pilot
UASidekick, CEO
UAV Survey LLC., President
United Safety, Human Resources Manager
Universal Aerial Ventures, LLC., President
Universal Surveying and Mapping, President
University of Tulsa PhD, Petro Engineering
Unleash live, COO & Co Founder
Unmanned Safety Institute, an ARGUS Company, VP - Operations
Unmanned Safety Institute/Argus Unmanned, President & CEO
UnmannedPower, Owner/Recruiter
Usibelli, Engineer
uVoxel LLC., Mega Pixel
Valero, Chief Inspector
Valero, Energy Sr. Manager Corporate Aviation Services
Value Thought IT Solutions Pvt Ltd., Manager UAV
Van Leeuwen Pipe & Tube, BDM - Midstream
Verizon, Engr III Spec - Operations
Verizon, Engr IV Spec - Operations
Verizon, Product Marketing Director
Verizon, Sr. Operations Manager

Victoria, Vice President
Waverly Group, Executive
Welund North America, Strategic Partner
West Monroe Partners, Consultant
West monroe Partners, Sr. Manager Energy & Utility Practice
Westheimer Aerial Survey Professionals, Principal Consultant
Westinghouse, Chief Engineer Field Services
Westinghouse, Electric Manager Robotics & Tooling
Williams, Mgr Land Survey & Mapping
Wilson & Company Geospatial, Ops Mgr
Windhover Labs, CEO
Wingtra UAV, Engineer
Wood PLC, Project Engineer
Woodside Energy Ltd., Process Engineer
World Oil District, Mgr
WorleyParsons Operations & Safety, Director - Aerial Data Management
Xcel Energy, Senior Engineering Analyst
Xcel Energy, Sr. Director Op Services
Xcel Energy, UAS Program Manager
XTO, HSE
XTO, Robotics Systems Engineer
XTO, Safety and Health Manager
XTO, Technology
Yokogawa, Principal Technology Strategist
Zefir Air, Founder
