Heartland Hub: Service Statistics

Go to [Heartland Hub](https://heartlandhub.2harvest.org)

- **Click on the hyperlink above, or here:** https://heartlandhub.2harvest.org
- **How to Log In**

Use this quick guide to enter monthly service statistics and view/edit previously entered service statistics.

- Reports are due 10 days past the reporting month (e.g., January statistics are due by February 10th).
- Report on food distributed or served by your program from ALL food sources, even if it was not accessed from SHH.
- Report EVERY month even if your program did not provide service.
- If you fail to report your Service Statistics by the 10th of the month, your program will be considered non-compliant, and your account will be placed on product hold with no access to ordering until the statistics have been submitted.
- **Food Rescue Statistics** are due on **MealConnect** no later than the 10th of the month following collection, without exception. Food Rescue collections should be weighed upon arrival at the agency and may be compiled and submitted for the full month by store, by category.
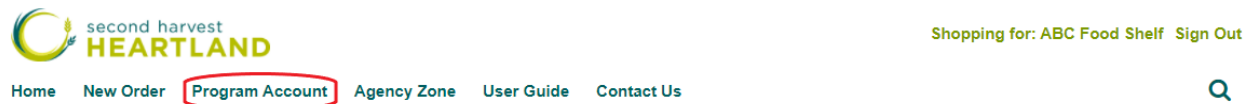

Select Program

After logging in select the program from the drop-down menu on the upper right-hand side. You will be able to access any program(s) you are associated with.
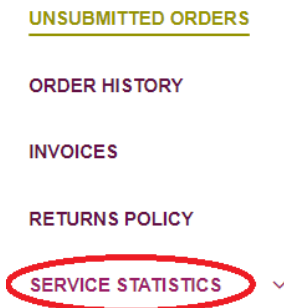

If any program is missing from your list, contact Agency Customer Service for assistance.
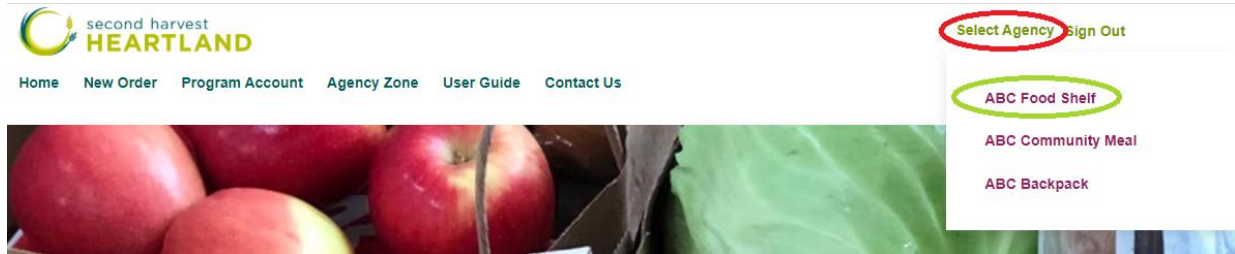

Click Program Account to manage the program account.

Click Service Statistics on left side of page.
