Lifelong memories are made at summer camp. Alliance Française Mpls/St Paul is pleased to give your children the opportunity to have fun en français with their new amis. Kids will enjoy learning French and discovering the French-speaking world.

Join us in Summer 2024 for our French Camps - En route! This year, our campers will explore and “travel” through the Francophone world with activities such as art, cooking, games, vocabulary, grammar, and more! On this Francophone “world tour”, we will also make a pit stop in Paris to discover the 2024 Olympic games and the history of this worldly event.

What can you expect during our camps?

Campers will explore and learn French through fun activities such as art projects, games, stories, and cooking activities for younger campers, and all of the above plus other projects like video making for older campers. Your kids will have a blast learning new French vocabulary, grammar, and exploring the world en français!

Benefits of Membership:

At Alliance Française, we’re more than just a school; we are the French cultural center serving the Twin Cities.

Our students enjoy a simultaneous cultural and linguistic education. Take advantage of our resources including French films, books and magazines, and events for all tastes!

We encourage our campers to become members to take advantage of benefits such as Culturethèque, an online French library. You’ll find a variety of e-books, comics, songs and videos to support your child’s learning process!
