Sebastopol Area Resource Guide – 2022 – The Fourth Edition!

This Resource Guide was created especially for Sebastopol area residents. The English version was originally published in 2013 and was last updated in 2017. In 2016 the first Spanish edition was distributed. This Guide is the work of a coalition of community members. This team collaborated to identify the many resources we are fortunate to have available to us in our community, and to present them in a format that would be accessible and as “user-friendly” as possible.

You may send your comments to our primary contact at info@gravha.org.

Gravenstein Health Action Coalition is continuing the work of Sebastopol Area Community Alliance (SACA), which was the first Health Action Coalition in Sebastopol, California.

The current updated edition of the Sebastopol Resource Guide is the work of the Gravenstein Health Action Coalition in collaboration with the Sebastopol Police Department. The Board of GHAC approved and supported this effort. Board member, Randy Coffman the owner and president of Better Homes and Gardens Real Estate Wine Country Group has underwritten the cost of publishing this Guide.

Gravenstein Health Action Coalition Board:

President: Sandra De Bella Bodley, Retired Nurse
Educator

Vice President: Mary Lou Schmidt, RN, MSN

Secretary: Ellen Barnett, MD Health Care

Treasurer: Kathy Meechan, Winery Industry
Technical Director, retired

Bill Bullard, Graton Fire Chief

Bryan Clement, Director of Program and
Partnerships, Dovetail Learning

Randy Coffman, Owner of Real Estate Co.

Skip Jirrels, Safety outreach coordinator for
Sebastopol

Michael Reynolds, West County Community
Services, CCS

David Rose, Superintendent of Gravenstein School
District

Intention

GHAC is publishing this Resource Guide as a service to our community. Some edits and updates from the 2017 Guide are included. The intention of GHAC was NOT to completely re-do the Guide or attempt to make a totally comprehensive Guide to all Resources in the Sebastopol Area.

Limitations

As a service to the community, the Guide includes Resources that are non-profit as well as for profit organizations. By listing any organization there is NO IMPLIED ENDORSEMENT of that organization by GHAC or any of the Officers or Board of GHAC or the City of Sebastopol.

GHAC recognizes that this is NOT a comprehensive guide to all organizations and services in the Sebastopol Area. Some resources may have been left out. It is not intentional.

This guide can be downloaded from:

www.gravensteinhealth.org/sebastopol-resource-guide
