

Quinsigamond Community College

Summer 1 2020 - June 8 to July 14

Tues/Thu 2:30 – 6:30 – at QCC Room# 375A

FYE 101 First Year Experience - 3 Credits

First year students who want success and direction in their college experience gain practical skills that are directly applied to selection of a college major and future career paths. Students gain effective learning strategies and information on how to navigate and use college procedures and resources. This course emphasizes self-discovery, the workplace, life decisions, and career/future planning within a multicultural framework. Students explore psychological theories and apply those theories to their own personal situations to formulate career/life plans. Students identify their abilities and explore their values, interests, motives, motivations, behaviors, personalities, and interaction styles. Students acquire and develop skills for career planning, job searching and understanding job satisfaction. Students develop an e-portfolio that integrates information developed through the self-assessment and career development process. **General Education Pathway**

Tues/Thu 2:30 – 6:30 – at QCC Room# 119S

CIS 105 Introduction to Information Tech - 3 credits

This course provides an overview of the core aspects of information technology. The topics include: computer hardware, operating systems, application software, networks, information security, interactive media, and programming. The course focuses on defining how each IT area relates to, and interacts with, each other. Upon completion of the course, students have the knowledge necessary for further study in IT as well as understanding of the impact of technology on society and organizations of all types.

Tues/Thu 2:30 – 6:30 – at QCC Room# 372B-A

ART 141 – Photographing People - 3 credits

this course covers both posed and candid photographs of people. Students learn the proper operation of various cameras (automatic, manual, and single-lens reflex, and digital). As well as the selection of subjects, posing, and lighting. Students must supply their own photographic equipment (a working camera) and pay their own processing costs for prints.

Tues/Thu 2:30 – 6:30 – at QCC Room# 382A

BSL 101 Business Law – 3 Credits

This course examines law and society; the operation of law as it reflects the mores of human relations; and the ethics of business, criminal, and tort law with special emphasis on the law of contracts. Topics include the general principles of the law assigned, the nature of the United States legal system, the trial process, and the sources of law available. Students analyze court decisions and learn to apply the law both in fact situations and in reasoning in gray areas.
