As of 4 p.m. today, the State Board of Education ordered the closure of all schools next week Monday 3/16-3/20, and the following week, 3/23-3/27, which is our scheduled spring break. Starting Monday 3/16, and extending throughout the 2 week school closure, all school-related activities, including athletics, are canceled. If school closures should extend beyond the 2 week period, at that time, we will activate our instructional provision plan and provide more information regarding access to devices. Food buses will be at summer stop locations starting Monday 3/16, to provide lunch to children 18 and younger. Starting Wednesday, breakfast will be added to our food bus options. Schedules and stop locations will be provided on our website and social media platforms. All 12 month employees are required to report to work next week. This is a directive that has been ordered across the state in order to ensure the health and safety of our community. Additional updates will be forthcoming.
