SALT BAY CHAMBERFEST
Wilhelmina Smith, Artistic Director

August 15–29, 2021

DOORS OPEN!
Doors Open!

Our doors are open and live music is coming back!

Join us this August as we welcome some of this country’s most distinctive artists to the stage of the historic Lincoln Theater. Violin soloist Jennifer Koh, harp phenomenon Bridget Kibbey, Native flutist Hawk Henries, operatic baritone Lester Lynch, and the Brentano String Quartet will all be featured artists on our main series in picturesque downtown Damariscotta this August.

Against the scenic backdrop of this iconic coastal Maine town, we will also present River Muse: Musical Meditations on the Damariscotta River. This set of outdoor concerts, featuring Kibbey, Henries, and Penobscot’s Burnurwurbskek Singers, brings a diversity of musical perspectives to the river as we pair music to environment in three free outdoor events. Bring your blanket, chair, or canoe and enjoy some glorious music in this stunning setting.

We are so grateful to all of you who sustained us during this difficult year, and it is our great privilege to open doors and welcome you back to live music once again.
