Bauer Family Resources operates the community-based Head Start programs in Carroll, Clinton, Tippecanoe, and White Counties. The program promotes school readiness by enhancing the social, cognitive, language, and physical development of children ages 6 weeks to age 5 and pregnant women. This is accomplished through the provision of educational, health, nutritional, social, and other services to the enrolled children and families.

Head Start

In all four counties, children ages 3-5 attend full-day school readiness programming that includes breakfast, lunch, and afternoon snack.

Early Head Start

In Tippecanoe County, children aged 6 weeks to 35 months attend full-day preschool programming that includes breakfast, lunch, and afternoon snacks. Formula and bottles are provided for infants. Diapers and training pants are provided at no charge and staff work with families on toilet training once developmentally appropriate. There is an additional Home-Based option for parents who choose to keep their babies and toddlers at home but wish to benefit from the comprehensive services.

The Pregnant Women's Program supports mothers from early gestation through the birth and first 6 weeks of infancy with a foundation for pregnancy care, labor, & parenting. Expectant parents participate in education classes, support groups, monthly home visits, birth plans, hospital tours, and a fatherhood program. Legal Aid works in the general area of divorce/separations, custody/visitation, power of attorney, grandparent's foreclosure, adoption, guardianship, name change, small claims defense, consumer defense, mental commitment, paternity (after it has been established) property owner/tenant, CHINS/DCS (child in need of services) cases, and some other matters. Legal Aid does NOT do work in these areas: criminal cases, torts/trusts, traffic violations, worker's compensation, bankruptcy, wills, DUI's, cases that generate money (we do not sue) situations where the applicant wants to sue someone else, or where there are enough resources to obtain a private attorney. Most situations where a person wants to collect child support or establish paternity will be referred to the Prosecutor's IV-D office. Do not provide legal assistance over the phone, an application must be filled out, qualifications be met before an appointment is scheduled with an attorney.

Income guidelines are based on 100% or more of the current Federal Poverty guidelines; some exceptions may apply. Indiana Code states that applicants must utilize all federal resources (Area IV, FSSA, HUD, etc.) before utilizing the Township Trustee.

To apply for assistance, call the appropriate Township Trustee. Applicants may be required to show documentation of income, bills, etc. If denied services, the resident applicant should receive a form TA-1A stating the reason for denial.
