- **16. MEDIATION:** It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.
- **17. ATTORNEY'S FEES:** A Buyer, Seller, Listing Broker, Other Broker, or escrow agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.

18.ESCROW:

- A. ESCROW: The escrow agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as escrow agent.
- B. EXPENSES: At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, escrow agent may: (i) require a written release of liability of the escrow agent from all parties, (ii) require payment of unpaid expenses incurred on behalf of a party, and (iii) only deduct from the earnest money the amount of unpaid expenses incurred on behalf of the party receiving the earnest money.
- C. DEMAND: Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the escrow agent. If either party fails to execute the release, either party may make a written demand to the escrow agent for the earnest money. If only one party makes written demand for the earnest money, escrow agent shall promptly provide a copy of the demand to the other party. If escrow agent does not receive written objection to the demand from the other party within 15 days, escrow agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and escrow agent may pay the same to the creditors. If escrow agent complies with the provisions of this paragraph, each party hereby releases escrow agent from all adverse claims related to the disbursal of the earnest money.
- D. DAMAGES: Any party who wrongfully fails or refuses to sign a release acceptable to the escrow agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.
- E. NOTICES: Escrow agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by escrow agent.
- 19.REPRESENTATIONS: All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.
- 20.FEDERAL TAX REQUIREMENTS: If Seller is a "foreign person," as defined by Internal Revenue Code and its regulations, or if Seller fails to deliver an affidavit or a certificate of nonforeign status to Buyer that Seller is not a "foreign person," then Buyer shall withhold from the sales proceeds an amount sufficient to comply with applicable tax law and deliver the same to the Internal Revenue Service together with appropriate tax forms. Internal Revenue Service regulations require filing written reports if currency in excess of specified amounts is received in the transaction.
- 21.NOTICES: All notices from one party to the other must be in writing and are effective when mailed to, hand-delivered at, or transmitted by fax or electronic transmission as follows:
