CUHSD MIFI USE POLICY | BORDERLINK

MIFI GUIDELINES
In addition to the provisions of the CUHSD Student Use of Technology Policy (AR 6163.4) signed during the registration process, the additional items on the preceding pages apply to students participating in the BorderLink program at a school in the Central Union High School District.

MIFI POLICY

TAKING CARE OF YOUR MIFI
Students are responsible for the general care of the MiFi that has been issued to them by the school. A MiFi that is broken or fails to work properly must be reported to the main office.

GENERAL PRECAUTIONS
- No food or drink is allowed next to your MiFi while it is used.
- Cables must be inserted carefully into the MiFi.
- MiFis must remain free of any writings, drawing, stickers, or labels that are not the property of the Central Union High School District
- MiFis must never be left in an unlocked car, locker, or any other unsupervised area (i.e. lunchroom, computer lab, gymnasium, unlocked classrooms and hallways).

USING YOUR DEVICE
MiFis are intended for home use only, and should not be used while on campus or at other school sites within CUHSD. They will only be able to connect to the BorderLink LTE Network in Imperial County. Each MiFi can support up to 5 devices in the home.

Network Connectivity
Content filtering will be provided through ICOE or CUHSD.

End of Year MiFi Check In
MiFis will be collected at the end of each school year or when a student leaves CUHSD.

>>> Check In: MiFis will be collected the week prior to final exams. If a student transfers out of Desert Oasis High School, Phoenix Rising High School or CUHSD, during the school year, the MiFi will be returned back to the school at that time.

>>> Check In Fines: Failure to return equipment will result in fines and appropriate administrative response in accordance with school and or district policy.
BEHAVIORAL EXPECTATIONS

If a student violates any part of the policies within this handbook, he/she will be put on the following disciplinary steps:

- **Violation 1** – Student will lose the MiFi privileges for the remainder of the day and will have to pick up his/her MiFi in the main office.
- **Violation 2** – Student will have to turn in his/her MiFi to the main office. The parent will be responsible for picking up the MiFi.
- **Violation 3** – Student will have to turn in his/her MiFi to the main office for the remainder of the year. Student may stay after school and use a desktop computer.
- Additional consequences may vary depending on the severity of the offense.

REPAIRING OR REPLACING MIFI

WARRANTY AND PROTECTION PLAN
MiFis have a limited warranty coverage from defects in materials and workmanship as part of the purchase price of the equipment. This limited warranty covers normal use, mechanical breakdown or faulty construction and will provide replacement parts necessary to repair the device or device replacement. This warranty does not protect against damage caused by misuse, abuse, accidents, or computer viruses. Please report all MiFi problems to the main office.

Insurance for Theft, Loss or Fire: MiFis that are stolen, lost or damaged by fire are not covered by the product warranty.

CLAIMS
If the MiFi is damaged, the student must immediately report the damage to the school administration. If the damage is deemed to be intentional or caused by negligence, the student will be responsible for the cost of repair up to the cost of replacement. In such cases, a disciplinary referral may also be issued.

In case a MiFi is lost or stolen at school, the student must immediately report it to the principal or the administration in order to begin to file a police report that will be sent directly from the school. In case a MiFi is lost or stolen outside of the school building, the student must immediately file a police report and submit a copy to the school administration. In either case, if it is determined that the MiFi was lost or stolen due to the student's negligence, the student is responsible for the cost of replacing the MiFi device.
