

# How to earn Points and Claim Rewards with Young Scot Membership

Now that you have signed up to **Young Scot Membership**, you're ready to start earning points and claiming rewards!

## Step 1

First go to [young.scot](https://young.scot) and click on **"Rewards"** at the top of the page next to **"Discounts"** and **"Special Opportunities"** and choose **"activities"** using the filter.

## Step 2

### Choose your activity!

There are surveys, articles to read and more! Once you have completed an activity, you can redeem your points.

## Step 3

There are a few ways to redeem your points. Click on the link provided to add your points automatically to your account *or*

you can write down or copy the 8-digit points code and click on the grey trophy button on the top right of the screen, or **'Got a Points Code'** on your dashboard.

## Step 4

Once you have built up some points, you can claim **Rewards!** To claim you're rewards, make sure you're logged in.

Click **"Rewards"** at the top of the page next to **"Discounts"** and **"Special Opportunities"** and choose **"Rewards"** using the filter. You might have to deselect **"activities"**.

## Step 5

Once you have chosen which **Reward** you would like to claim and clicked on the picture, you will have to complete a form.

Enter the details required and click **"Submit"**.

## Finish

Now you can make the most out of **Young Scot Membership**

As a **Member** you can access exclusive online discounts to help you save when shopping online, making travel plans and studying.

**"My Membership"** at the top of the page next to **"Special Opportunities"** is where you will be able to manage your account details, view your history and activity log and set your interests.
