About this directory...

The Memphis Breast Cancer Consortium Pink Ribbon Resource Directory contains information about services available for patients and caregivers affected by breast cancer. It is meant to serve as a community resource guide, linking individuals to local and national organizations that can be of assistance. This directory is organized into categories that focus on Mammogram and Treatment Centers, Education, Financial Support, Transportation Support, and other Support Services.

About MBCC...

Common Table Health Alliance (CTHA) is a regional health and health care improvement collaborative that serves 1.3 million people in the Greater Memphis area. Common Table Health Alliance (CTHA) is the administrative home of the Memphis Breast Cancer Consortium (MBCC), which was first funded by the AVON Breast Cancer Crusade in 2016.

MBCC’s 38-member organizations make up a cross-community representation of survivor groups, health systems, consumer advocacy groups, universities, health plans, the Shelby County Health Department and the Tennessee Department of Health. The creation of the Memphis Breast Cancer Consortium in January 2016 marked the first phase of an innovational, comprehensive, aligned, and intentional community effort to address breast health disparities. MBCC’s efforts have narrowed the disparity and screening gaps through increasing access to information, enhanced training of mammogram technologists and providers, collection of patient and mammogram facility data, and outreach to underserved populations in high-incident and mortality zip codes. One of the main priorities of MBCC is to ensure that 80 percent of all women receive their recommended annual mammogram screening.

(662) 772-4000

Baptist Cancer Center - Memphis
6019 Walnut Grove Road
Memphis, TN 38120
(901) 226-0340
www.baptistcancercenter.com

At Baptist, we believe in treating our patients close to home where they're comfortable and surrounded by their families and friends. Baptist Cancer Centers are located throughout the Mid-South so our patients can receive the advanced cancer care they need at a convenient location. From prevention to diagnosis, through treatment and into survivorship, our cancer care team is there fighting and educating our patients to help them beat cancer.

Baptist Collierville Women’s Center
1936 West Poplar Ave
Collierville, TN 38107
901-861-8900
https://www.baptistonline.org/locations/collierville/services

The Baptist Collierville Women’s Center offers full-field digital mammography, one of the latest technologies in the detection of breast cancer. Certified by the Food and Drug Administration and accredited by the American College of Radiology, the center offers screening and diagnostic mammograms, breast ultrasounds, cyst aspirations, biopsies, wire localizations and bone densitometry tests. It is staffed by experienced, board-certified radiologists and certified mammography technologists concerned with patient comfort and early detection.

Baptist DeSoto Women’s Center

Baptist Memorial Hospital for Women is the only freestanding women’s hospital in Memphis and one of only a handful of such hospitals in the country. Opened in 2001, Baptist Women’s Hospital offers the Comprehensive Breast Center, labor and delivery, gynecological surgery, a newborn intensive care unit (NICU), and is a regional referral center for high-risk pregnancies, mammography diagnostics, and urogynecology.

The 140-bed hospital is located adjacent to the Baptist Memorial Hospital-Memphis campus. With more than 800 physicians and 330 clinical professionals on staff, Baptist Women’s Hospital is well equipped to provide quality health care to women across the Mid-South.

Baptist Women’s Health Center
50 Humphreys Blvd, Suite 23
Memphis, TN 38120
901-226-0810, 901-227-PINK
info.womens@bmhcc.org
https://www.baptistonline.org/locations/specialty-facilities/womens-health-center

Baptist Women’s Health Center offers a full range of screening, diagnostic & pre surgical procedures along with breast care education for women, as well as other women’s health services. The Baptist Women’s Health Center is a full-service mammography and osteoporosis testing center dedicated to women's health. Everything from screening mammograms to diagnostic mammograms are offered, as well as lymphedema treatment, education on breast health, and a breast cancer support group. For added convenience, the center is open extended hours on Tuesday and Thursday evenings until 7 p.m. and Saturdays from 8 a.m. to 2 p.m. for screening mammograms.

Baptist Mobile Mammography Unit
50 Humphreys Blvd, Suite 23
Memphis, TN 38120
901-226-0830
https://www.baptistonline.org/locations/specialty-facilities/womens-health-center

With Baptist Memorial Health Care, you don’t have to visit a hospital to have a mammogram. Our convenient and high-quality mobile mammography unit can travel to you so you can access the preventive breast cancer screenings you need. And for the past 28 years, Baptist’s mobile mammography unit has traveled to numerous communities in the Mid-South, making breast health information and screening mammograms available to women who might not otherwise have access to these services. Women can schedule appointments in advance and get their annual mammograms with convenience. All that is needed is insurance information, identification and completed patient information forms.

The Women’s Health Center is nationally recognized as an ACR-accredited center of excellence in mammograms, stereotactic biopsy, and breast ultrasound — the only center of excellence in East Memphis. Plus, our high-quality of breast care has been recognized by the National Accreditation Program for Breast Centers and the American College of Radiology, placing our facility in the top five percent in the nation for clinical excellence.
Since opening the first health center in 1995, our mission has been to provide high quality healthcare to the underserved in the context of distinctively Christian service. We strategically enter Memphis communities that, over time, have become deficient in resources and services. Residents of these communities lack access to quality healthcare and often manageable health issues go untreated or undiagnosed. Through God’s calling, Christ Community is standing in the gap, delivering quality healthcare and spiritual healing. Today, Christ Community is one of the largest Christian Health Centers in the nation and the largest primary healthcare provider in Shelby County. Combined, our health centers serve over 57,000 patients with over 162,000 patient visits annually. At each of our centers, our staff works with the patients and the community to actively address health issues within the areas served while also being a resource for health education and community support. Christ Community strives to maintain visibility within the communities through consistent involvement in community based civic and religious organizations.
When you get into a tight place and everything goes against you, till it seems as though you could not hang on a minute longer, never give up then, for that is just the place and time that the tide will turn.

6005 Park Ave, Suite 700
Memphis, TN 38119
901-527-3391
MrozBaier@aol.com
https://www.breastcareclinic.com/

The healthcare professionals that make up the Mroz-Baier Family are eager to provide you with the very best breast care available. We realize that a referral to our office comes with much anxiety for the patient and her family, and we strive to care for patients' physical needs as well as emotional ones. It is our goal to achieve excellence in this endeavor. Our staff is comprised of two Breast Surgeons, both of whom read mammograms, perform and interpret ultrasounds, provide a full range of breast surgery, and offer testing options and counseling to patients. We also have a Psychiatric Family Nurse Practitioner to provide patient care. Registered Mammography Technologists, who in addition to performing mammograms, also assist in stereotactic and ultrasound guided biopsies. This facility is fully accredited by the American College of Radiology and by the US Food and Drug Administration. In August, 2009, Mroz-Baier Clinic received accreditation from the National Accreditation Program for Breast Center (NAPBC), which is a program administered by the American College of surgeons. This endorsement recognizes our clinic for being committed to the highest level of quality breast care.

breast and cervical cancer screening to eligible women and diagnostic follow up tests for those with suspicious results. Women diagnosed with breast or cervical cancer or pre-cancerous conditions for these cancers are enrolled in treatment coverage through the state’s TennCare Program. All women interested in any service (screening, diagnosis, or treatment) must meet the general eligibility guidelines for the program.

The mission of the program is to reach and serve lower income uninsured or underinsured women for these basic preventive health screening exams. “Cancer screening saves lives.”

American Cancer Society

5101 Wheelis Drive Ste 100
Memphis, TN 38117
901-278-2000
1-800-227-2345
cancer.org

This is the local Memphis branch of the American Cancer Society. The American Cancer Society is a nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service.

The American Cancer Society offers a variety of education and support services including:
- Community Health Advisors
- Harrah’s Hope Lodge®
- Reach To Recovery®
- Road To Recovery®

We work with lawmakers to pass laws to defeat cancer and rally communities worldwide to join the fight. Learn more about how we promote beneficial policies, laws, and regulations for patients and families affected by cancer through our advocacy and public policy work – and how you can get involved.

Carin’ and Sharin’ Education and Support Group

901-484-9624
www.carinsharin.org

The Carin’ and Sharin’ Breast Cancer Education and Support Group was organized in 1989, by Gwendolyn Brown, an oncology social worker, to address some of the issues related to the rising mortality rate among socio-economically disadvantaged, inner city, African-American women in the Memphis area. Meetings focused on education and group support happen during informal meals after each session.

Leading to significant expansion of programs and services. The parent organization, Urban Health Education and Support Services (UHESS) was formed in 2002 as a non-profit organization to provide oversight and resources for the Carin’ and Sharin’ Breast Cancer Education and Support Group. UHESS has research alliances with Notre Dame University, University of Tennessee, Middle Tennessee State University, and the American Cancer Society.

Living Beyond Breast Cancer

855-807-6386
https://www.lbcc.org/

We provide programs and services to help people whose lives have been impacted by breast cancer. Our goal is to provide information, community, and support that you can trust, is easy for you to access, and respectful of you and your situation. All our resources are carefully and frequently reviewed by some of the country’s leading healthcare experts and informed by people living with breast cancer.

"Don’t be intimidated by what you don’t know. That can be your greatest strength and ensure that you do things differently from everyone else."

- Sara Blakely
S.T.A.A.R.S stands for Surviving Thriving African Americans Rallying Support. The mission of S.T.A.A.R.S is to educate, encourage and empower breast cancer survivors and co-survivors, and to be visible and vocal in the fight against breast cancer. Committed to our mission to be “visible and vocal” in the fight against breast cancer we enlist prayers and God’s Blessings as we strive to fulfill our motto of Education, Encouragement, and Empowerment for African American women diagnosed with breast cancer. Our collective affirmation as breast cancer survivors is to: “Be Healthy, Be Hopeful, Be Happy, and Be Blessed!”

The National Cancer Institute (NCI) is the federal government's principal agency for cancer research and training. We are part of the National Institutes of Health (NIH), which is one of 11 agencies that comprise the Department of Health and Human Services (HHS). The NCI coordinates the National Cancer Program, which conducts and supports research, training, health information dissemination, and other programs with respect to the cause, diagnosis, prevention, and treatment of cancer, rehabilitation from cancer, and the continuing care of cancer patients and the families of cancer patients.

Sisters Network® Inc. is committed to increasing local and national attention to the devastating impact that breast cancer has in the African American community. Sisters Network® Inc. (SNI), founded in 1994, is a leading voice and only national African American breast cancer survivorship organization in the United States.

Sister's Network Memphis Chapter is an affiliated chapter of Sister's Network, Inc. The Memphis Chapter holds various annual events such as, Pink Ribbon Luncheon, Gift For Life Block Walk Fundraiser, Pink Sunday, and promoting the Stop the Silence Program, an outreach program about breast cancer in the African American community.

The mission of Susan G. Komen Memphis-MidSouth is to provide funding for breast health services, breast cancer education and outreach in our 21 county service area.

Continued on the next page...
Continued from the previous page...

The Memphis-MidSouth Affiliate of Susan G. Komen® is dedicated to combating breast cancer at every front. Up to 75 percent of the Affiliate’s net income goes toward funding grants to local hospitals and community organizations that provide breast health education and breast cancer screening and treatment programs for medically underserved women. The remaining net income (a minimum of 25 percent) supports the national Komen Grants Program, which funds groundbreaking breast cancer research. The Komen Memphis-MidSouth Affiliate’s service area covers 14 counties in Tennessee and 7 counties in Mississippi: Shelby, Fayette, Tipton, Lauderdale, Dyer, Haywood, Lake, Madison, Crockett, Hardeman, Henderson, Chester, McNairy and Hardin in Tennessee and DeSoto, Tunica, Tate, Marshall, Benton, Coahoma and Quitman in Mississippi. Cities include: Memphis, Germantown, Collierville, Dyersburg, Jackson, Millington and Munford in Tennessee and Clarksdale, Southaven, Olive Branch and Tunica in Mississippi. Thanks to the thousands of people who participate in the Susan G. Komen Memphis-MidSouth Race for the Cure® and other Affiliate events each year, dedicated corporate partners and generous donors, Komen Memphis-MidSouth is playing a vital role in fighting breast cancer in our community.

CancerCare® Co-Payment Assistance Foundation (CCAF) is a nonprofit organization dedicated to helping you afford your co-payments for chemotherapy and targeted treatment drugs. We provide easy same-day approval through our proven, state-of-the-art platform. You will always know the same day whether you’re approved.

Since 1944, CancerCare® has provided free, professional support services to anyone affected by cancer. CancerCare® Co-Payment Assistance Foundation provides access to all of CancerCare® services, including telephone, online and in-person counseling, support groups, resource referrals, publications, education and financial assistance with treatment-related expenses such as transportation and child care.

Good Days
877-968-7233
https://www.mygooddays.org/

Good Days exists to improve the health and quality of life of patients with chronic disease, cancer, or other life-altering conditions. At Good Days, our mission is to ensure that no one has to choose between getting the medication they need and affording the necessities of everyday living. We have programs related to financial assistance, premium assistance, travel assistance, and process and technology.

Medicare
800-633-4273
https://www.medicare.gov/

Medicare is the federal health insurance program for people who are 65 or older, certain younger people with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD).

The different parts of Medicare help cover specific services:

Continued on the next page...
Continued from the previous page...

Medicare Part B (Medical Insurance):
Part B covers certain doctors’ services, outpatient care, medical supplies, and preventive services.

Medicare Part C (Medicare Advantage Plans):
A type of Medicare health plan offered by a private company that contracts with Medicare to provide you with all your Part A and Part B benefits. Medicare Advantage Plans include Health Maintenance Organizations, Preferred Provider Organizations, Private Fee-for-Service Plans, Special Needs Plans, and Medicare Medical Savings Account Plans. If you’re enrolled in a Medicare Advantage Plan, most Medicare services are covered through the plan and aren’t paid for under Original Medicare. Most Medicare Advantage Plans offer prescription drug coverage.

Medicare Part D (prescription drug coverage):
Part D adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans. These plans are offered by insurance companies and other private companies approved by Medicare. Medicare Advantage Plans may also offer prescription drug coverage that follows the same rules as Medicare Prescription Drug Plans.

Mission Statement: NeedyMeds educates and empowers those seeking affordable healthcare.

Vision Statement: Our vision is affordable healthcare for all.

How we do it: NeedyMeds, a national non-profit, achieves its mission by providing information on healthcare programs, offering direct assistance and facilitating programs.

NeedyMeds is funded by small grants, donations, sponsorships, subscriptions to PAPTracker, and syndication of some of our database information. NeedyMeds also works with the patient assistance programs of several pharmaceutical distributors.

Partnership for Prescription Assistance

888-477-2669
https://www.pparx.org/

Our mission is to increase awareness of patient assistance programs and boost enrollment of eligible individuals. We offer a single point of access to more than 475 public and private programs, including about 200 programs offered by biopharmaceutical companies. We've helped millions of Americans to get prescription drugs for free or at a very low cost.

The Partnership for Prescription Assistance will help you find the program that’s right for you, free of charge.
The Patient Access Network (PAN) Foundation is an independent, national 501 (c)(3) organization dedicated to helping federally and commercially insured people living with chronic, life-threatening and rare diseases with the out-of-pocket costs for their prescribed medications. Partnering with generous donors, healthcare providers and pharmacies, PAN provides the underinsured population access to the healthcare treatments they need to best manage their conditions and focus on improving their quality of life. Since its founding in 2004, PAN has provided more than 605,000 underinsured patients with nearly $2.4 billion dollars in financial assistance, through over 50 disease-specific programs.

PAN has an administrative fee of only 5%. This means that $0.95 of every dollar PAN receives goes directly toward helping patients. For the last six years, PAN spent less than one penny of each dollar it received on fundraising.

Patient Advocate Foundation (PAF) is a national 501 (c)(3) non-profit organization which provides professional case management services to Americans with chronic, life threatening and debilitating illnesses.

PAF case managers serve as active liaisons between the patient and their insurer, employer and/or creditors to resolve insurance, job retention and/or debt crisis matters as they relate to their diagnosis also assisted by doctors and healthcare attorneys.

Patient Advocate Foundation seeks to safeguard patients through effective mediation assuring access to care, maintenance of employment and preservation of their financial stability. Since inception in 1996, the staff has diligently worked to continually improve services available to patients as they tackle the challenges associated with a chronic, life threatening or debilitating diagnosis. It is through these efforts that our programs continue to grow allowing us to serve patients in need, as well as their caregivers and providers who stand by their side in their healthcare journey. Patient Advocate Foundation offers confidential, individualized patient support by telephone and email.

The PAF Co-Pay Relief Program, one of the self-contained divisions of PAF, provides direct financial assistance to insured patients who meet certain qualifications to help them pay for the prescriptions and/or treatments they need. This assistance helps patients afford the out-of-pocket costs for these items that their insurance companies require.
The program offers many sophisticated online tools to ensure the application process is as streamlined as possible for patients, providers and pharmacy representatives, including 24-hour web-based portals, electronic signature, document upload and bar code fax routing capabilities.

Co-Pay Relief patient assistance is purely donor-funded and money is dispersed to qualified patients while funds are available for each disease.

Susan G. Komen-Memphis MidSouth Mississippi

6645 Poplar Ave, Suite 211
Germantown, TN 38138
901-757-8686
info@komenmemphisms.org
https://komenmemphisms.org/

The mission of Susan G. Komen Memphis-MidSouth Mississippi is to provide funding for breast health services, breast cancer education, and outreach in our service area. The Memphis-MidSouth Mississippi Affiliate of Susan G. Komen® is dedicated to combating breast cancer at every front.

The Komen Memphis-MidSouth Mississippi Affiliate’s service area covers 14 counties in Tennessee: Shelby, Fayette, Tipton, Lauderdale, Dyer, Haywood, Lake, Madison, Crockett, Hardeman, Henderson, Chester, McNairy and Hardin in Tennessee and the entire state of Mississippi.

The mission of Susan G. Komen Memphis-MidSouth Mississippi is to provide funding for breast cancer detection and support projects.

- Serves 14 counties in TN and the entire state of MS
- Funds vital screening mammograms, diagnostic testing, and treatment through annual Community Grants
- Empowers Memphis-MidSouth Mississippi residents with information about the importance of early detection and being active in their breast health

Tennessee Breast Cancer Coalition – TBCC Emergency

Access Fund
106 Mission Court, Suite 602
Franklin, TN 37067
615-377-8777
https://www.tbcc.org

Our mission is to be the foremost advocate and provider for Tennesseans facing breast cancer through individual assistance, education, and legislative action. The Tennessee Breast Cancer Coalition, established in 1995, is a grassroots organization dedicated to improving the quality of life for individuals undergoing treatment for breast cancer. Tennessee Breast Cancer Coalition provides individual financial assistance to breast cancer patients through our Emergency Access Fund (EAF).

In 2002 TBCC established the Emergency Access Fund to provide financial assistance to individuals in financial need due to inability to work and or mounting medical expenses incurred while undergoing treatment of breast cancer. This fund is designed to partner with other established community agencies to provide quick turn-around funding. This fund has provided assistance in preventing evictions, paying utilities, insurance, and medical necessities. Recipients must be residents of Tennessee and currently undergoing breast cancer treatments. For more information about qualifications and how to receive assistance from this fund please call 615-377-8777.
Tennessee Department of Health

800-342-3145
https://www.tn.gov/tenncare/
Tenn.Care@tn.gov

TennCare is the state of Tennessee’s Medicaid program that provides health care for approximately 1.3 million Tennesseans and operates with an annual budget of approximately $10 billion. TennCare members are primarily low-income pregnant women, children and individuals who are elderly or have a disability. TennCare covers approximately 20 percent of the state’s population, 50 percent of the state’s births, and 50 percent of the state’s children.

TennCare services are offered through managed care entities. Medical, Behavioral and Long-Term Services and Supports are covered by “at-risk” Managed Care Organizations (MCOs). All of TennCare’s MCOs are ranked among the top 100 Medicaid health plans in the country.

The Good Shepherd Pharmacy

(877) 521-6337
info@goodshephealth.com
www.goodshephealth.com

A nonprofit membership pharmacy for the uninsured. A novel approach to pharmacy that saves patients a tremendous amount of money on prescriptions. For a low monthly membership fee of $30 a month our members get all their medications either free or at wholesale cost. We exist to improve the lives of our members through affordable pharmacy services and the gospel of Jesus Christ. We refuse to accept the corrupt pricing schemes associated with prescription insurance. We are completely transparent about the true price of prescription medication saving our members hundreds of dollars per month.

Togetherness Rx Access

800-444-4106
https://www.togetherrxaccess.com/

Our card can help you save on the prescription medicines you need to stay healthy. Our website connects you with resources about access to coverage options and more. With Together Rx Access®, uninsured Americans gain access to immediate savings on prescription products right at their neighborhood pharmacies AND resources that help people take care of what’s most important—their health.

Walgreens

888-782-8443

Walgreens pharmacy staff have completed the Breast cancer curriculum developed by the Oncology Nursing Society (ONS). Walgreens has designed its oncology clinical programs to engage the patient and work together to help overcome medication adherence barriers. The team of pharmacy staff collaborates with patients’ health care teams to bridge the clinical and communication gaps that can arise with patients.

Whenever You Find Yourself Doubting How Far You Can Go, Just Remember How Far You Have Come. Remember Everything You Have Faced, All The Battles You Have Won, And All The Fears You Have Overcome.
Emergency Mobile Health Care

Since 1997, EMHC has had a strong history in the greater Memphis area and surrounding regions of providing highly advanced treatment within the context of compassionate, patient-centered care. EMHC’s mission is to “Care for and Share with the Community.” EMHC is the Mid-South’s largest locally owned ambulance provider offering ground and flight services to individuals and families in their time of need. EMHC seeks to lead by example by excelling not just as a healthcare business, but as a company with a calling to provide superior, individualized patient care.

Aging Commission of the Mid-South

2670 Union Ave Ext. #1000
Memphis, TN 38112
901-222-4000
For Assistance: (901) 222-4111
shelbycountytn.gov

The Aging Commission of the Mid-South our mission is to provide information and assistance to connect seniors, adults with disabilities, their families, and caregivers with the tools needed to maximize their independence and safety in their chosen community. We offer programs that make a difference in the lives of all older adults and adults living with disabilities.

The Aging Commission is the starting point for information on in-home services such as homemaker, home-delivered meals, and personal care assistance. The social workers in our Information and Assistance department can answer your questions and conduct a telephone screening to determine if you may be eligible for assistance from CHOICES or other programs.

Acadian Ambulance Service

1-800-259-3333
https://acadianambulance.com/locations/tn/

Acadian’s commitment to the Mid-South expanded to Memphis in early 2019 with two key goals: to provide the best possible patient care and services and to create a workplace that our team members find rewarding and challenging. We set high standards, with a true dedication to our communities. With the new resources and services we bring to the area, we can build on our tradition of excellence to best serve patients, facilities, and community partners. Specialized services include critical care transport for the most critically sick or injured patients.

**TennCare: Transporation**

http://www.tnscsa.com/index.php/history/tenncare-transportation

**800-342-3145**

Tenn.Care@tn.gov

When the TennCare program started in 1994, TNCSA (doing business as Community Health Agencies) was there to help TennCare members with their medical... transportation needs. A statewide network of transportation vendors was assembled, and over the next twelve years, hundreds of thousands of non-emergency medical trips were schedule by TNCSA. Once the medical trip was completed, we assisted the transportation vendors by working closely with several Managed Care Organizations across the state to ensure timely payment for their services.

**SPECIAL NOTE: Due to public safety concerns related to COVID-19, individuals should contact support groups regarding meeting dates and times.**

**Continued from the previous section...**

Getting the right care sometimes means cancer patients must travel away from home, often to a cancer treatment facility in another city, which places even more of an emotional and financial burden during what is already a challenging time.

The American Cancer Society strives to make this difficult situation easier for cancer patients and their families through more than 25 Hope Lodges nationwide, which provide free, temporary housing for cancer patients who are undergoing treatment. But Hope Lodges are more than just a place to stay - they provide a home-like nurturing environment, so patients can get support from others going through the same experience. A cancer survivor’s recovery involves much more than medical treatments; it takes hope to heal. Hope Lodge offers the warmth and security of home in a setting where the love and encouragement of others enlighten and inspire guests. At Hope Lodge, guests rally around each other, building life-affirming connections and lifetime friendships.

Hope Lodge not only provides patients with a place to stay, but it also offers a supportive and safe environment where patients can focus on wellness. On-site security is provided 24-hours a day Sunday through Thursday. A full crew of American Cancer Society staff and volunteers help create a relaxing and informative environment, providing around the clock “awake” service. In addition, Hope Lodge guests have access to the American Cancer Society’s nationally acclaimed National Cancer Information Center and Web site. These services connect cancer patients and caregivers to information on cancer, local resources, support groups, and patient service programs. In addition to a comfortable and resourceful environment, Hope Lodge also provides convenient accommodations such as private rooms and bathrooms, with space for a family member or caregiver. Lodges offer kitchen facilities and rooms for gathering to watch TV or to share encouragement. Transportation
American Cancer Society-Memphis

Breastcancer.org

610-642-6550
http://breastcancer.org/

Breastcancer.org is a nonprofit organization dedicated to providing the most reliable, complete, and up-to-date information about breast cancer. Our mission is to help people make sense of the complex medical and personal information about breast health and breast cancer, so they can make the best decisions for their lives.

Cancer Net

888-651-3038
contactus@cancer.net
http://www.cancer.net/

The best cancer care starts with the best cancer information. With nearly 40,000 members who are leaders in advancing cancer care, the American Society of Clinical Oncology (ASCO) is the voice of the world’s cancer physicians. ASCO’s patient information website -- Cancer.Net (www.cancer.net) -- brings the expertise and resources of ASCO to people living with cancer, and those who care for and care about them. Well-informed patients are their own best advocates and invaluable partners for physicians. Cancer.Net provides timely, comprehensive information to help patients and families make informed health care decisions. Cancer.Net is supported by the Conquer Cancer Foundation.

We should always have three friends in our lives - one who walks ahead who we look up to and follow; one who walks beside us, who is with us every step of our journey; and then, one who we reach back for and bring along after we’ve cleared the way.”

Michelle Obama
Cancer Support Network at FedEx

901-224-3436, Pat Cranston
cancernetwork@mail.fedex.com

The Cancer Support Network at FedEx is made up of FedEx employees whose lives have been impacted by cancer as a survivor, caregiver, friend, or colleague.

We strive to give FedEx employees many resources for their battle against cancer. Managers can request a free canvas tote bag that displays the FedEx logos and allows for team members to sign messages on the outside. Each bag includes a suggestion sheet for coworkers as to what to put in the bag and team members can sign the bag before presenting to the employee. The support group also has a “buddy list” that is a great tool to suggest to current FedEx employees that are experiencing cancer or are a caregiver to someone with cancer. By sending an e-mail to cancer@fedex.com, anyone can request to be paired with a “buddy” who has been through a similar situation.

Caregiver’s Respite

P.O. Box 26
Cordova, TN 38088
901-921-0923
www.caregiversrespites.org

Caregivers Respite is an organization devoted to the encouragement, education, and motivation of caregivers from all walks of life. The organization’s goal is to help caregivers take better care of themselves as well as their loved ones. We accomplish this mission through our Caregiver’s Rest Conference, monthly group meet-ups, and other services.

Carin’ and Sharin’ Education and Support Group

1115 Union Ave
Memphis, TN 38104
901-484-9624
http://www.carinsharin.org/

The Carin’ and Sharin’ Breast Cancer Education and Support Group was organized in 1989, by Gwendolyn Brown, an oncology social worker, to address some of the issues related to the rising mortality rate among socio-economically disadvantaged, inner city, African-American women in the Memphis area. Meetings focused on education and group support happen during informal meals after each session.
Men’s Health Network

Judy Seals-Togbo
(901) 830-9886
judyst@menshealthnetwork.net

Men’s Health Network (MHN) is a national non-profit organization whose mission is to reach men, boys, and their families where they live, work, play, and pray with health awareness and disease prevention messages and tools, screening programs, educational materials, advocacy opportunities, and patient navigation.

We will strive to make every woman feel complete and balanced through properly fitting and beautiful garments.

Richard & Annette Bloch Cancer Survivors Park

701 Perkins Exd
Memphis, TN 38117
https://www.memphistn.gov/parks/parks/cancer_survivors_park/

Over ten years ago, several cancer survivors embarked on a mission to bring a Cancer Survivors Park to Memphis. Through a $1 million dollar grant from the R. A. Bloch Cancer Foundation, this mission has been completed. The Memphis Cancer Survivors Park has been carved out of 2 acres of Audubon Park and is located on the west side of the Botanic Garden, across from Theater Memphis. This is the 23rd Cancer Survivors Park that has been funded nationally. The R. A. Bloch Foundation grants funds for parks that will encourage, inspire and celebrate survivorship. All the parks share three elements which the Bloch Foundation donates: A sculpture created by Mexican Sculptor Victor Salmones that consists of eight life-size figures passing through a maze depicting the cancer journey; A "Positive Mental Attitude Walk" containing fourteen plaques - four of which are inspirational and ten containing suggestions for fighting cancer; A "Road to Recovery" that consists of seven plaques explaining what cancer is and some actions to take to overcome the disease.

Sassy Sparrows Breast Cancer Survivor Group

We believe in more than the big breakthroughs. And more than the next big thing.

We believe in the day-in day-out work of making science happen. And the millions of little victories — and failures — in between the breakthroughs. Because to us, it’s the daily effort of everyday people that changes the future. So we don’t stop. We keep working. Every day.
1 IN 8 WOMEN ARE AFFECTED WITH BREAST CANCER.
Take control of your health and commit to do the following:

I will do monthly breast self-exams so I know what my “normal” feels like. I will schedule my mammogram today.

I will talk with my medical provider about a regular mammogram schedule appropriate for my age and health history. I will find out about my family’s medical history.

I will get a clinical exam of my breasts with a doctor or other provider every year. I will encourage my friends and family to get their mammograms.

I will maintain my ideal weight. I will limit alcohol and nicotine consumption. I will get active – 30 minutes of exercise daily.
