

## January 5, 2020 - Sermon Discussion Questions

### Opening

- Do you think there are good and bad questions? Why or why not?
- Describe a time in your life when you were encouraged to ask questions. Describe a time in your life when it felt unsafe to ask question.

### Discussion

- Without trying to answer each other's questions: What is the main question about God and faith that you have?
- Have you personally been impacted by not having an (good) answer to that question? If so, describe.
- Why do you think it's important to be allowed to freely ask whatever question we might have about God? Why do you think it can often feel unsafe to ask questions in church?
- What are some of your initial thoughts to the question, "How can I follow Jesus when his followers seem so \_\_\_\_\_?"
- [Read 1 Peter 3:18.](#)
- Is what Christ did significant enough to warrant following him even if the Christians we know aren't like him? Why or why not?
- According to this verse, what exactly did Jesus do for us?
- How do you need to be reminded of that in 2020?

### Closing

- [Read John 13:34-35.](#)
- As you think ahead into 2020, what's one specific way you can love someone else as Jesus has loved you?
