JOHN LAZENBY

Warm up by the woodstove in our lodge, grab a bowl of homemade chili, re-energize with one of our in-house energy cookies, sign up for a lesson with one of our ski instructors, or get involved with our range of programs for all ages, from Catamounts to Masters!

Stay up to date on Craftsbury trail conditions wherever you are via the TrailHub app.

Always, thank you to the generous landowners who allow us to groom trails on their property.

### Fatbike/Snowshoe Trail Use Guidelines

- Skiers have right of way. Stop at all intersections with ski trails.
- When on ski trails, fatbikers must stay to the edge and stay off the classic track.
- Respect our landowners; only ride on designated fatbiking trails.
- Don't ride anything narrower than 4" tires.
- Don't ride if the 24-hour snowfall total is more than 6".
- Don't ride if the temp is 30F or above.
- Don't ride if you are leaving more than a 1" rut.
- Don't ride if you are post-holing.
- Don't ride if you are struggling to ride in a straight line.
- Ride and snowshoe at your own risk.
- Dogs are welcome on Fox Run and the lakes.
