Catalog of Services

TeachUNITED is a global non-profit dedicated to reducing inequality through education. By empowering teachers with supportive coaching, evidence-based strategies, and personalized learning design, teachers experience transformed teaching and learning and improved student outcomes. Our programs not only build capacity for individual teachers but for entire schools and districts.

School Accelerator Program:

The full TeachUNITED School Accelerator is a 1-2 year program which allows sustainable growth and continuous improvement processes to be built on the school- and district-levels. Year one is an intensive program for a select cohort and year two is a full school rollout. We partner with individual schools, full districts, and partner organizations to support development across a variety of educational settings.

SAP Year One

In Year 1, five to six lead teachers per school form a professional learning community that receives individualized coaching and mentoring, access to an asynchronous learning course facilitated by TU staff, and practice-focused webinars.

School Accelerator Year 1 Program Includes:

- School Year long program (10 month)
- Digital kickoff and onboarding
- Online course enrollment, TU facilitated
- Monthly Peer Learning Communities (PLC), small group webinars
- Quarterly TeachUNITED community webinars
- Quarterly 1:1 coaching calls
- Train-the-trainer capacity building

Sample Learning Outcomes

- Teachers learn how to design, create and evaluate lessons for engagement and impact.
- Teachers understand the importance of using data to inform lesson design and classroom practice.
- Teachers reconnect to why they became educators.

Sample Success Criteria

- Teachers apply engagement design elements to a lesson and receive coach feedback.
- Teachers use data visualization strategies to understand performance and indicators.
- Teachers develop structures to share information and strategies with peers.

SAP Year Two

In Year 2, TU trained-teachers from Year 1 become the coaches for all staff members. TeachUNITED provides training materials complete with everything needed to facilitate a successful implementation of the TU program at scale: webinar templates, notes, schedules, handouts and reflection activities. TeachUNITED coaches provide continued support and mentoring through webinar check-ins with the facilitators.

School Accelerator Year 2 Program Includes:

- School Year long program (10 month)
- Training materials and resources for building staff
- Online course enrollment and hosting, facilitated by TU trained building staff
- Quarterly facilitator mentor sessions with TU coaching staff

Sample Learning Outcomes

- Teachers learn best practices for data-informed PLC decision-making.
- Teachers practice micro teaching as a learn-reflect-share strategy.
- Teachers understand the difference between personalization, individualization, and differentiation.

Sample Success Criteria

- Teachers organize and run PLC meetings focused on student performance goals.
- Teachers implement observational plans and learn from each other’s teaching.
- Teachers use personalized learning strategies to support student academic achievement.
