Indian Community School is seeking an Apprentice to work under the direction of our Menominee Language and Culture Teacher. This position is full-time, during the academic school year and offers an opportunity to provide service and increase knowledge of American Indian culture and language. The Apprentice will work with the Menominee Native Language and Culture Teacher and the Our Ways Department to support student learning and curriculum development. The Apprentice also collaborates with students and teachers to integrate Native language and culture throughout the school. Duties include providing and archiving language translations, planning and assisting with cultural activities and supporting student instruction. Knowledge of the Menominee language and experience working with urban Indian students, families and the community is highly desirable.

Indian Community School (ICS) is a private, faith-based school located in Franklin, Wisconsin, with an intertribal student population of 365 students in K4-8th grades. The school is proud of its distinguished learning environments that cultivate an enduring cultural identity and critical thinking with indigenous teachings. ICS is focused on student engagement, high-quality teaching, strong leadership, utilization of resources, rigorous coursework and the academic success of all students. The school is located on a 178-acre campus including prairies, wetlands, ponds, forested areas and naturally landscaped grounds. It is a modern and unique building designed to honor American Indian culture and values. As a community partner, ICS is dedicated to building relationships with families, strengthening the community and connecting with the natural environment.
