Workshop Presentation Proposals
55th Annual NIEA Convention & Trade Show
October 9-12, 2024

Quality workshops and presenters are vital to the success of the annual convention. These sessions give you the opportunity to deliver exemplary programs designed to enhance the growth and awareness of our attendees. Presentations may include technical assistance sessions, professional development, classroom teaching strategies, advocacy and policy sessions, culture and language integration models and more. Presentations must be developed by and/or for Native Americans, Alaska Natives, and Native Hawaiians.

NIEA staff may edit session titles for issues such as grammatical errors or length. NIEA staff might also seek presenter approval to update titles and abstracts to best meet the needs of the attendees.
