# A DIGNIFIED & RESPECTFUL WAY OF SAYING GOODBYE

A direct cremation is quite simply a cremation service without the need for any type of funeral service, conducted in a dignified and respectful way.

We will respectfully notify you of the day and time of the cremation where you are welcome to witness the deceased being escorted into the

chapel or, you would of course be welcome to spend that time at home with family and friends or visit a special a place to spend time and reflect.

We would be more than happy to help you organise a memorial service following the cremation in memory of your loved one.
